# Report of IIC Event Conducted by MGM SBS, on Exposure and field visit for problem identification under Quarter 1

| | |
|---|---|
| **Name of the Event:** | Exposure and field visit for problem identification |
| **Purpose of the event:** | To motivate the student in the institute for identify the industrial problem and brainstorming them for finding the solution for the same. |
| **Mode of Event:** | Offline Industrial Lab Visit |
| **Date of the event:** | 11th September, 2022 |
| **Time of the event:** | 10 am to 5 pm |
| **Organized by:** | MGM School of Biomedical Sciences, MGMIHS, Kamothe, Navi Mumbai. |
| **No of Attendees:** | 18 |

**Proceedings of the event:**

- HPTLC One Day training Programme was organized by MGMSBS, Navi Mumbai in Co-ordination with Anchrom Enterprises. It was a one-day training programme that was conducted in two batches on 11th of September, 2022 from 10 am to 5 pm with total 18 students of Msc. Medical Biotechnology. The organizers were Dr. Mansee Thakur, MGM SBS with Mrs. Sneha Singh and Dr. Saikat Mallick form Anchrome Enterprises, Mulund. During this training the Importance and Application of HPTLC was discussed along with the demonstration and real-world problems faced during the HPTLC assay development and its problem solving SOPs.

- High-performance thin layer chromatography (HPTLC) is one of the sophisticated instrumental techniques for qualitative and quantitative analysis of the herbs and herbal drugs, chemicals, dyes, pesticides in fruits, vegetables, and other food stuffs. It is a main tool for Quality Control In industries and labs.

- The training started with the Introduction to HPTLC, Importance, application in various fields and Interpretation of HPTLC results through a PowerPoint presentation from 10 am

Director
MGM School of Biomedical Science
Kamothe, Navi Mumbai

M.G.M. SCHOOL OF BIO-MEDICAL SCIENCES KAMOTHE NAVI MUMBAI

to 1 pm along with 10-minute tea break. The presentation was quite informative, well simplified by the trainers and was explained to us. It was an interactive session where we were able to clear our doubts related to the subject. After that we got a 1hour lunch break where the lunch was organized by the anchrom people.

- After that 2 pm onwards the demonstration session was started on how the HPTLC fingerprinting is performed of *Camellia sinensis* (green tea) sample extract with the help of various HPTLC modules.

- At the end of the day, a small Assessment was conducted with the help of google questionnaire, followed by the certificates distribution by the senior Lab in-charge Mr. Tukaram Thite, Anchrome Enterprises, Mulund.

## Report of IIC Event Conducted by MGM SBS, on Exposure and field visit for problem identification under Quarter 1

| | |
|---|---|
| **Name of the Event:** | **Exposure and field visit for problem identification** |
| **Purpose of the event:** | To motivate the student in the institute for identify the industrial problem and brainstorming them for finding the solution for the same. |
| **Mode of Event:** | Offline Industrial Lab Visit |
| **Date of the event:** | 11th November, 2022 |
| **Time of the event:** | 10 am to 6 pm |
| **Organized by:** | MGM School of Biomedical Sciences, MGMIHS, Kamothe, Navi Mumbai. |
| **No of Attendees:** | 18 |

**Proceedings of the event:**

- One Day training Programme was organized by MGMSBS, Navi Mumbai in Co-ordination with at Icon House, Sanpada on demonstration and working of Transmission Electron Microscope.
- The organizers were Dr. Mansee Thakur, MGM SBS, Kamothe, Navi Mumbai with Mr. Venkatesh from ICON Labs, sanpada. During this training the Importance and Application of TEM was discussed along with the demonstration.
- Transmission Electron Microscopy (TEM) is a technique used to observe the features of very small nanosized specimens. The technology uses an accelerated beam of electrons, which passes through a very thin specimen to enable a scientist observe features such as structure and morphology.
- **On that Day** our trainer was Mr. Venkatesh, the training started with the Introduction to TEM, Importance and its application in various fields. They had nanoparticle samples such as ZnO, CuO, GnO, EDTA coated iron oxide which were homogenized with liquid

SCHOOL OF BIO-MEDICAL SCIENCES KAMOTHE NAVI MUMBAI M.G.M.

Director
MGM School of Biomedical Science
Kamothe, Navi Mumbai

solutions and sonicated for 30 mins. Then we had an explanatory session on how to load the sample and its working principle. After that we observed the final results on the Detector screen which showed that each nanoparticle had different morphology, structure and size. Then we had a lunch break from 3pm to 4pm. After this interactive session we were able to clear our doubts related to the subject

- Lastly, a small Assessment was conducted by Mr. Venkatesh Sir and the session got ended.

Dept. of Biotechnology & Dept. of Clinical Embryology, MGM School of Biomedical Sciences, Navi Mumbai is organized a guest lecture on "INNOVATIVE TECHNIQUES IN HUMAN EMBRYO VIABILITY ASSESSMENT" for PG Allied Health Science students. The lecturer was Dr. Mala Parab, Assistant professor, School of Biotechnology & Informatics, D.Y. Patil. She made the students understand the importance of genomics in assessing the embryo competence. Various methods like transcptomics, proteomics, metabolomics were also covered in this. It was an interactive session.

**Short event report**

The students of MGM Institute of Health science of **Department clinical embryology** attended the conference on **"The ART of Laboratory Management"** which was held at **Fairfield by Marriott, Mumbai.** The conference was organized by **Copper Surgical** on 21th September 2022,6:30 pm onwards. The Event commenced with a brief introduction to the event by **Dr Shipra Thukral** which was followed by **Mr. Valik Singh** presentation on **Quality control management.** In his session, He discussed the implementation and assessment of standard operating procedure. After which, **Dr. Rajvi Mehta** gave a presentation on lab KPI monitoring, wherein the students became aware that KPIs are used as indicators for quality in ART. Following then **Ms. Rachel Chin** spoke about the Role of electronic witnessing in ART lab where she illustrated the errors that might happen in IVF laboratories and also compared manual vs electronic witnessing system used in ART. The session came to an end with a brief demonstration of RI Witness by **Ms. Vinnaya Sudarshan.**

**Short event report**

On May 18, 2023, the Department of Medical Biotechnology at MGMSBS, MGMIHS Kamothe conducted an enlightening industrial visit to "Nuvox Healthcare Pvt Ltd". The primary objective of this visit was to acquire practical experience in navigating the intricacies of regulatory compliance within the pharmaceutical industry, with a specific focus on the critical role of dossier preparation in ensuring pharmaceutical products meet regulatory standards and secure timely approvals.

Under the expert guidance of our coordinators, Dr. Kapil Thakur and Ms Archana Sharma, we embarked on a journey to understand the complex field of Regulatory Affairs Dossier Preparation. Their structured training sessions offered a comprehensive introduction to the technical documents essential for regulatory compliance. This laid a robust foundation and highlighted critical nuances, enabling us to bridge the gap between theory and application.

We gained practical experience in creating various technical documents and navigating the regulatory landscape. This hands-on experience equipped us with the skills to compile, organize, and present complex scientific and technical information in a manner that meets stringent regulatory standards, which will be highly beneficial for our future careers in Regulatory Affairs and the Pharma industry.

In conclusion, our visit to Nuvox Healthcare Pvt Ltd not only enhanced our understanding of the regulatory landscape but also honed our attention to detail and organizational skills. The experience underscored the pivotal role that a well-prepared dossier plays in achieving regulatory success and ensuring the delivery of safe and effective pharmaceutical products to the market. This visit has been a significant stepping stone in our professional journey, providing us with a solid foundation to contribute effectively to the field of regulatory affairs.

**Short event report**

On May 20, 2023, the Department of Medical Biotechnology at MGMSBS, MGMIHS Kamothe embarked on an enlightening industrial visit to Symbiohealth Pharmaceuticals. The primary objective of this visit was to gain a practical understanding of contract manufacturing processes.

The team's focus was primarily on the production of various herbal products, including oils, tablets, and capsules. They delved into the responsibilities that encompass the procurement of raw materials, containers, and labels from vendors. This involved learning how to negotiate terms, monitor progress, and establish delivery timelines with these vendors.

In addition to procurement, the team also gained insights into the coordination of container acquisition and the design and printing of labels. They actively engaged in learning about quality control measures, the importance of documentation, and the value of collaboration across different departments.

The visit provided the team with a comprehensive understanding of how to streamline the contract manufacturing process to ensure the timely production of high-quality herbal products. Overall, the team learned how to maintain a seamless and efficient manufacturing workflow at Symbiohealth Pharmaceuticals, providing them with invaluable industry insights.

**Short event report**

The first day of " Deeksharambh 2023" Induction training program of UG and PG 2023-2024 of MGM School of Biomedical Sciences & MGM Medical college, Navi Mumbai was attended by about 250 UG and PG (2 & 3 years) students admitted in various Paramedical and Medical Programs for academic year 2023 - 2024. The students were also accompanied by parents and guardians.

The program started with Saraswati Vandana sung by **Ms. Aditi Yadav**, **BSc MLT student**. In the inaugural session, Dr. Himanshu Gupta, Assistant Professor, MGM SBS introduced the students and parents to the MGMIHS trust, campus, facilities and different courses.

The inaugural session was then followed by introduction of HOIs, HODs, teaching and non-teaching staff of the institute by the host of the event, Dr. Priyanka Pareek, Assistant Professor, MGM SBS.

The attendees were then addressed by **Dr. Shashank Dalvi**, Hon'ble Vice chancellor, MGMIHS and **Dr. Mansee Thakur**, Director, MGM SBS, Navi Mumbai.

The next session was conducted by **Dr. Sharvari Samant**, Professor, Department of Microbiology, MGM Medical college, NM on Code to conduct of the institute.

**Dr. Santosh Gawali**, Professor and Head, department of biochemistry, MGM medical college, NM shed light on the role of mentor in student's college life. **Dr. N. Mohanty**, Director student welfare, MGMIHS, NM also shared these thoughts with students.

A special session on awareness to disability was delivered by Prosthetic & Orthotics department, MGM IHS, NM.

Students were made aware about the various committees present in the institute for the welfare of students by **Mr. Subodh Rahate**, CAL lab incharge, MGM SBS.

**Short event report**

The 2nd day of Deeksharambh 2023 at MGM-SBS, was coordinated by Mr. Subodh Rahate, **Tutor, Medical Biotechnology, MGMSBS, and hosted by** Ms. Sanjana T. Philip, Ph.D. Scholar, Medical Biotechnology, MGMSBS. An an array of sessions was conducted. Ms. Sanjana T. Philip commenced the session with a warm welcome.

The **first session** on **Physical and Mental Wellness** was conducted by **Ms. Ahlam Parkar, BSc. MRIT, Ms. Gayatri Chettiyar, BSc. CCT and Mr. Sankalp Mali, B. Optometry** who are the members of Aarambh: A Science amd Wellness Club. With an emphasis on mental and spiritual health, students were guided on maintaining tranquility amidst the college's bustling environment through a yoga and relaxation session. This session gave the students an idea on how to tackle stressful situations.

The **second session** was conducted by **Mrs. Anamika Chalwadi**, Tutor at MGMSBS. She has completed M.Sc. Microbiology from Mumbai University, MBA in Marketing from ITM, PGDMLT and now is pursuing Ph.D. in Medical Microbiology. She offered valuable advice on achieving career objectives for Life & Career Goal Settings in Allied Health Sciences. This session helped the students to map their ambitions and pave the way for a successful journey in the healthcare field.

The **third session** was conducted by **Dr. Avinash Narayankar**, HOD of Media Lab, MGMIHS. He is Certified as a dental photographer from the University of Birmingham-England. He provided insights into e-learning platforms such as Swayam and Artificial Intelligence. He also introduced medical photography to the new students.

Next, the Student Council members, **Mr. Jay Morye**, B.Optometry, **Ms. Afra Shaik**, BSc. OTAT and **Mr. Harsh Dixit**, MSc. Medical Biotechnology introduced the student council of MGMSBS. They shared all the amazing initiatives and opportunities with the students to make the most of their college experience. Aarambh: A Science and Wellness Club was then introduced by Ms. Amita Kirar, President of AARAMBH, and by club members-Ms. Ahlam Parkar, BSc. MRIT and Ms. Nandini Agarwal, BSc. MLT. The club was commended and honored with badges by Dr. Mansee Thakur, Director, MGMSBS.

The program culminated with a **self-defense session** conducted by **Ms. Divya**, MSc. Medical Biotechnology and **Mr. Tanvesh Kadam**, BSc. Perfusion Technology. This session gave the students valuable life skills to defend and handle whatever comes their way.

The event was well organized by the entire team.

# Self-Driven Activity

Date: 30-11-2022

| | | |
|---|---|---|
| Preamble | : | The Institute Innovation council aims to create a vibrant innovation ecosystem to inspire and nurture young minds by supporting them to work with new ideas and transform them into prototypes while they are in their formative years. |
| Objective | : | A self-driven activity to make the students aware and engage them in the innovation activity<br>Self-driven learning for varipus steps of innovation |
| Event | : | Self-driven activity at MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai |
| Time and Date | : | 3:30pm-5:30pm, 30th November 2022 |
| Organized by | : | Innovation Council of MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai |
| Participants | : | 45 students from BPT and MPT courses, 1 Intern, 3 faculty members |
| Event Coordinator | : | Dr. Kshitija Jadhav (PT), Dr Neha Padia (PT), Dr. Victoria Kuttan (PT), Ms. Palak Trivedi (Intern) |
| Venue | : | MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai. |
| Summary | : | The self-driven activity of Institute Innovation Council of MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai was conducted on 30th November 2022 on second floor classroom III, MGM School of Physiotherapy building. The theme was '**Inquiznos'**, which was quiz competition. Each team had 5 participants and a total of 9 teams from BPT and MPT courses participated. The rounds comprised of multiple choice questions, crossword puzzle and oration on the topic 'Accessibility for disability'. The oration round consisted of formulating the problem staetment and describing it in minimal staements. The award was presented as per the rules and the best speaker. The team from Semester II BPT stood as first prize winners and Semester I BPT stood as second prize winner. The best speaker was awarded to Mr. Om Mohite (Semester II, BPT). |
| Feedback | | Students reported it was an intellectual learning activity, wherein they learnt about innovation and its rules. They also reported to further be more active ib participaton in innovation competitions. |

# Self-Driven Activity

Date: 16th January, 2023

| | | |
|---|---|---|
| Preamble | : | The Institute Innovation council aims to create a vibrant innovation ecosystem to inspire and nurture young minds by supporting them to work with new ideas and transform them into prototypes while they are in their formative years. |
| Objective | : | A self-driven activity to give opportunity to students to understand the development of start-ups from innovative ideas from entrepreneurs. |
| Event | : | Self-driven activity at BETiC lab, Indian Institute of Technology, Mumbai. |
| Time and Date | : | 2.30 pm-4.30 pm, 16th January, 2023 |
| Organized by | : | Innovation Council of MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai |
| Participants | : | 24 students from BPT (19 BPT Semester III and VII and one intern) and four MPT students and 1 faculty member |
| Event Coordinator | : | Dr. Kshitija Jadhav (PT), Dr. Victoria Kuttan (PT), Dr Neha Padia (PT), Ms. Palak Trivedi (Intern Innovation council) |
| Venue | : | BETiC Lab Indian Institute of Technology, Mumbai. |
| Summary | : | The Institute Innovation Council of MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai on the occasion of National startup day<br>A field visit to BETiC, IIT Bombay was conducted for the BPT and MPT students of MGM School of Physiotherapy, Navi Mumbai. Following are the details<br>Number of students: 24 students (4 MPT, 1 intern and 19 BPT students from Semester III and VII)<br>Faculty : Dr Kshitija Jadhav (PT)<br>Timing : 2.30pm to 4.30pm at BETiC lab.<br>The students had an interactive session with Mr Arun Krishnan and Mr Sagar who explained about various innovations at BETiC lab, explained the process of prototype evaluation and how a startup is set up. The students got their queries solved as well. Students were encouraged to formulate problem statement. Post session, they were asked for feedback and ideas for the same by faculty incharge. |
| Feedback | | Students reported that it was an interactive, informative and extremely inquisitive visit. They understood the process of innovation with real life examples. Students also came up with doubts regarding various steps invovled in innovation and how to be an entreupreneur. Their doubts were solved and were inspired to innovate devices in healthcare set up. |

| **Attendees** | Participants: 16 (Health care professionals: 6, Engineers:10),<br>Mentors: 12 (Clinicians: 4, Engineers: 8), Jury members: 6, Student Volunteers: 7 |
| **Overview** | Medical Device Hackathon (MEDHA) is an annual event organized by Bioengineering and Technology Incubation Centre (BETiC), IIT Bombay. This year MGM School of Physiotherapy and MGM Institute of Health Sciences Incubation and Innovation Centre, Navi |

| | |
|---|---|
| | Mumbai was one of the host Institute for MEDHA 2023. The event was co-hosted by MGM College of Engineering and Technology, Navi Mumbai and Pillai College of Engineering, Navi Mumbai.<br>**Inauguration day:** MEDHA 2023 was inaugurated by Dr V. G. Sayagavi,Vice-Principal of MGM CET, Navi Mumbai; Dr Raman P. Yadav, Head of MGM IHS Innovation and Incubation Centre, Navi Mumbai; Dr Rita Khandikar, MGMIHS IQAC incharge, Navi Mumbai; Dr Bela Agarwal, Professor in-charge MEDHA and MGM School of Physiotherapy, Navi Mumbai; Professor Neelam Kamthe, Head of MGM CET's Entrepreneurship and Incubation Centre, Navi Mumbai; Dr Richa Agrawal, Associate Professor at PCE, Navi Mumbai; and on 20th May 2023 by lighting the lamp. The dignitaries addressed the participants and emphasized on the need of Innovation and Hackathon.<br>The participants were explained the clinical problem statements using prerecorded videos and were asked to select on which they wished to work. Time for interaction over networking tea helped the participants to identify like-minded members. Five teams were formed comprising of 3-4 members in each team (1-2 clinicians and 2 engineers), based on the choice of problem statement. Clinical and Engineering mentors were allotted as per the team requirements.<br>**Events:** The teams were assigned task for each day such as defining the problem statement, probable solutions, device prototype sketching, CAD (Computer Assisted Design) model development and prototype fabrication and presentation making as per BETiC guidelines for a week. Participants were provided with facilities such as 3-D printing and equipment for prototype fabrication. A mock Jury presentation was scheduled on 27th May 2023. The participants were provided inputs to improve and work on the prototypes and presentation. The final jury round of MEDHA stage 1 was conducted on 27th May 2023.<br>**Jury Round**: Dr Raman P. Yadav, Head of MGM IHS Innovation and Incubation Centre, Navi Mumbai; Dr Chandramani Pathak, MGMIHS Research Director; Dr Sayagavi, Vice-Principal of MGM CET, Navi Mumbai; Prof. Prem Goel, R and D In-charge POE, Navi Mumbai; Dr Rita Khandikar, MGMIHS IQAC in charge; Dr Divya Padmanabhan, Professor POE; were the esteemed jury members who judged the event. The team's prerecorded video presentation was displayed to jury members, followed by question answer sessions. Three teams were shortlisted by the jury to proceed to Stage 2 of MEDHA at BETiC namely: Team 3, Team 5 and Team 1. The Jury, participants, mentors, organizers, student volunteers and winners were felicitated. Certificate of appreciation was given to MGM College of Engineering and Technology and Pillai College of Engineering, Navi Mumbai for their unstinting support. Feedback was sought from mentors, Jury and participants about the event. A vote of thanks was delivered and the event concluded with Networking lunch and discussion on how to take the devices ahead. |

# Essay-writing Competition on Innovative Ecofriendly Therapeutic Gymnasium

Date: 16-08-2022

| | | |
|---|---|---|
| Preamble | : | The Institute Innovation council aims to create a vibrant innovation ecosystem to inspire and nurture young minds by supporting them to work with new ideas and transform them into prototypes while they are in their formative years. |
| Objective | : | -To stimulate lateral thinking<br>-To formulate ideas for set-up/device which are eco-friendly and sustainable in Physiotherapy |
| Event | : | Self-driven activity of Institution's Innovation Council – Essay writing competition. |
| Time and Date | : | 2.30pm to 3.30pm on 16th August, 2022 |
| Organized by | : | Innovation Council of MGM School of Physiotherapy, Navi Mumbai |
| Participants | : | Sixty-four Semester VI Bachelor students of Physiotherapy. |
| Event Coordinator | : | Dr. Victoria Kuttan (PT), Dr. Kshitija Jadhav (PT), Dr Neha Padia (PT). |
| Venue | : | MGM School of Physiotherapy, MGM Institute of Health Sciences, Navi Mumbai. |
| Summary | : | The Innovation council of MGM School of Physiotherapy , Navi Mumbai organized an Essay Writing Competetion on 'Innovative Ecofriendly Therapeutic Gymnasium'<br>Dr Kshitija Jadhav explained the students the importance of Eco-friendly devices and sustainable equipment. Students were brainstormed regarding the concept of Innovation.<br>They were given 20 minutes to think and their doubts were discussed and solved during this time.<br>The session was moderated by Dr Kshitija Jadhav (PT). |

| | | |
|---|---|---|
| | | Thereafter, they wrote an Essay on the topic "Innovative Ecofriendly Therapeutic Gymnasium" in 200-300 words. The essays were collected from students and analyzed by the Innovation committee and prizes will be given to the students accordingly. |
| Feedback | | Students reported it was an interactive and informative webinar. It inspired students to innovate devices in healthcare set up. |

|---|---|---|
| Date | : 30th November2022 | Duration: 1 Hour |
| Name of the activity | : Session on Perspectives of Innovation Day 2022 | |
| Organizing Institute | : MGM New Bombay College of Nursing | |
| Venue | : FY. BSc.Nursing Classroom | |
| Collaborating agency | : MGMIHS OMICS Research Center, Navi Mumbai | |
| Name of the scheme | : Institutional's Innovation Council (IIC) MGMIHS | |
| No. of resource persons | : 1 | |
| No. of students participated | : 115 ( 57 Nursing and remaining from other disciplines) | |
| No. of faculties participated | : 1 | |

**Brief of the Activity** : MGMNBCON has organized session in collaboration with MGMIHS OMICS Research Center, Navi Mumbai. Dr. Jyoti Chaudhari, Innovation Coordinator, MGMNBCON welcomed all participants and introduced Dr. Raman P. Yadav, Director, MGMIHS Incubation and Innovation Centre and Convener, Instututional's Innovation Council (IIC), speaker for the programme. He sensitized the students about perspectives of Innovation Day 2022. The aim was to sow the seed of innovation among students and orient them with availability of facilitative environment for the same. Dr. Raman has also emphasized about Atma Nirbhar Bharat and efforts taken by MHRD in the form of introducing national educational policy. He reiterated the need for finding out solutions for day to day problems of life in general and professional life by thinking creatively, out of the box. He also spoke about protecting intellectual property, innovation and walking on the path of entrepreneurship.

At the end of the session, Ms. Priti Solankhe, FYBScN student gave the feedback about the session and shared her desire to innovate something which will be useful for nursing students in the clinicals. Dr. Jyoti Chaudhari gave the vote of thanks. With this session was ended at 12.30 pm.

| No. of resource persons | : 2 | |
| No. of students participated | : 143 | |
| No. of faculties participated | : 13 | |

**Brief of the Activity :** MGMNBCON has organized session in collaboration with Dr. Raman P. Yadav, Director, MGMIHS Incubation and Innovation Centre and Convener, Instututional's Innovation Council (IIC) as a part of continuation of IIC activities. The aim was to highlight about Entrepreneurship and the required skill, attitude and behavior, Nurse Entrepreneurship Global and National Scenario and the role of MCED in development of entrepreneur. Dr. Prabha K. Dasila introduced the speakers for the day. Ms. Deepa Niket Raut is an Entrepreneurship Trainer (IT expert), Maharashtra Centre for Entrepreneurship Development, MCED, Raigad and the second speaker Mrs. Suvarana Tondulkar, Coordinator of MCED, Raigad. Dr. Raman Yadav mentioned the importance of innovation and transforming into Entrepreneurship and Dr. Chandramani Pathak, Research Director, MGMIHS also appreciated the efforts of college to motivate students for entrepreneurship. Dr. Jyoti Chaudari, took the first session on Global and National Scenario in Nurse Entrepreneurship. Ms. Deepa Niket Raut presented on the needed skill, attitude and behaviour required for an entrepreneur. Mrs. Suvarana Tondulkar spoke about the need of innovation by younger generation and encouraged the students to be the part of innovation programmes. Nearly 15 students raised hands to become entrepreneurs along with 3 faculties. Also, the winners of essay competition as a part of self-driven activities were awarded with certificates by the dignitaries. Dr. Sindhu Thomas hosted the workshop and gave the vote of thanks. The session ended up with the national anthem.

## Report of Activity

Date : 1st and 2nd June 2023 Duration: 12 Hours

Name of the activity : Workshop on Prototype Design and Development

Organizing Institute : MGM New Bombay College of Nursing, Kamothe

Venue : MGM Educational Campus, Kamothe ( Details attached in the programme schedule)

Collaborating agency : Incubation and Innovation Centre, MGMIHS, Kamothe

Name of the scheme : 3rd quarterly activity under Institutional innovation Council, MGMIHS

No. of resource persons : 3

No. of students participated : 160 on day one ( FY-TY BSc N and FY-SY PBBScN and 106 for day two ( SY-TY BScN and FY-SY PBBScN) for sessions and presentations

Only 92 students participated in Patient Care device: idea –prototype design development group activity of 10 hours.

No. of faculties participated : 5 faculty on day one and 6 on day two

**Brief of the Activity**

Dr. Jyoti Chaudhari, Innovation Coordinator, MGMNBCON welcomed all participants and introduced the theme of workshop: Patient Care devices. She quoted the contributions of Nurse innovators in improving the patients performance and care technology. She also introduced the distinguish guest and external resource person Dr. Rajesh Jaware, Incharge Innovation and entrepreneur, Terna Engineering College, Navi Mumbai. Dr. Prabha Dasila felicitated the guest with saplings.

Dr. Raman Yadav, Convener, IIC, MGMIHS gave brief idea about Incubation and innovation centre and Institutional Innovation Council of MGMIHS. He also emphasized the importance of National Education Policy and related recommendations for development of innovation and entrepreneurship among students.

Dr. Rajesh Jaware took the student on the journey of developing idea and from idea to prototype he help them to understand the thrill and challenges in the process of idea generation to prototype development and from prototype development to start up. He has

given various examples of successful startups and failed startups too with reasons of its failure. He spoke about how to face challenges and maintain emotional health throughout the journey. His session enlighed ten the students how to go about prototype development. Dr. Prabha Dasila and Dr. Raman Yadav felicitated Dr. Rajesh Jaware. Madam concluded the session with words of wisdom and enlightenment.

Dr. Sindhu formed the 10 groups of SY- TY BScN students for group work. She disseminated the prepared template and evaluation criteria for group activity on prototype design development.

After the lunch students were made to sit in a group and work on innovative solutions for day today problems while delivering nursing care and related outcome. Dr. Jyoti Chaudhari and Dr. Sindhu Thomas mentored the groups.

On day 2 afternoon, all 10 groups presented their ideas/ proof of concept. Dr. Rajesh Gaware, Dr. Ponchitra R, VP, MGMNBCON evaluated the group presentations as per set criteria. Dr. Prabha Dasila and Dr. Raman also helped students to think aloud on ideas along with the judges with their comments. Dr. Chandramani Pathak, Research Director also attended few presentations done by the students.

The team was happy to see the performances of students, problem identification and thinking out of the box. Dr. Raman Yadav and Dr. Rajesh Jaware both shared their thoughts towards the end of the group presentations.

The group with first and second rank were felicitated by giving certificates.

Dr. Sindhu Thomas proposed the vote of thanks.

The programme got over with national anthem and refreshment at 5 pm.

# Report of Continue Rehabilitation Education (CRE) on "Prosthetic Management of Hip Disarticulation Amputee"

**Name of the event:** "**Prosthetic Management of Hip Disarticulation Amputee**"

**Purpose:** To give information about the casting and modification technique and advancements in the hip disarticulation Prosthesis.

**Location:** Department of Prosthetics & Orthotics, MGMIHS, Kamothe, Navi Mumbai and lecture hall MGM dental college Kamothe, Navi Mumbai.

**Date:** 7th October and 8th October 2022

**Time:** 09:00 AM to 05:00 PM.

**No. of attendees:** 6 faculties, 53 students and 6 professional (RCI registered).

## PROCEEDINGS OF THE EVENT:

The Programme started with the warm welcome to all the dignitaries and chief guest by Dr. Uttara Deshmukh (P&O), Head of the Department, MGMIUDPO. She has introduced all dignitaries and chief guest to the students and professionals.

Dr. K. R. Salgotra, the Hospital Director and an esteemed Orthopedic Surgeon, delivered a captivating introductory speech at the Continuing Rehabilitation Education program held by MGM Institute's University Department of Prosthetics and Orthotics. The focus of his speech was "Prosthetic Management of Hip Disarticulation Amputation." Dr. Salgotra highlighted the paramount importance of this topic in restoring mobility and enhancing the quality of life for individuals facing this unique challenge. He emphasized the significance of innovative approaches and advancements in prosthetic technology that enable patients to regain independence and embrace life to the fullest. The speech set the tone for an enlightening and insightful program.

Dr. Gautam Jain, the highly esteemed Senior Prosthetic Consultant at Endolite India Pvt Ltd, New Delhi delivered a captivating speech during the Continuing Rehabilitation Education program. The focus of his presentation was on the "Prosthetic Management of Hip Disarticulation Amputation."

**MGM INSTITUTE'S UNIVERSITY DEPARTMENT OF PROSTHETICS & ORTHOTICS**

Email: mgmudpo@mgmuhs.com | Website: www.mgmudpo.edu.in

During his speech, Dr. Jain provided a comprehensive demonstration of the various stages involved in the assessment and prosthetic management of hip disarticulation amputees. He began by emphasizing the importance of accurate measurements and casting, highlighting how these initial steps lay the foundation for successful prosthetic fitting.

Dr. Jain went on discussing the crucial process of modification, wherein he explained the significance of aligning the prosthesis with the patient's residual limb to ensure optimal comfort and functionality. He delved into the intricacies of socket fabrication, elaborating on the materials and techniques employed to create a customized socket that accommodates the unique needs of hip disarticulation amputees.

The highlight of Dr. Jain's speech was the live fitment demonstration on a hip disarticulation amputee patient. He skillfully showcased the step-by-step procedure, providing valuable insights into the challenges faced and the solutions devised to ensure a precise and secure fit.

Overall, Dr. Gautam Jain's speech was an invaluable learning experience, offering Prosthetists and Orthotists a comprehensive understanding of the prosthetic management of hip disarticulation amputees. His expertise and practical demonstration underscored the importance of accurate measurements, casting, modification, socket fabrication, and live fitment in enhancing the rehabilitation process for this specific patient population.

Various presentations on recent advances in the prosthetic technology for hip disarticulation amputation were given by Dr. Deepshikha Raut and other P &O professionals.

Students asked various questions about the program and speakers solved all the queries of students regarding the prosthetic Management of hip disarticulation amputation.

# CIRCULAR

**Date- 15th December, 2022**

**Subject- "3rd National Conference of Indian Association of Assistive Technologists."**

**Theme of the Conference: -**

***Assistive Technology – A new era in Rehabilitation"***

Students, scholars, industry recruiters, teachers, professors, experts, researchers and practitioners all have a fair share of exchanging revolutionary ideas, resolving significant issues and contributing towards inculcating a healthy and coexistent learning ambiance in interdisciplinary ways.

**Agenda:**

- To educate all students, rehabilitation professionals and make them aware about updated technologies in the field of rehabilitation.
- To demonstrate and learn practical aspects of various assistive technologies.
- To engage all the rehabilitation professionals under one roof to attain common goal related to Divyangjan

All the students are here by informed that MGMIUDPO is organizing a RCI approved National Conference Programme

You are informed to attend the event at Auditorium 3rd Floor MGM University, Kamothe, Navi Mumbai, from 9.00 AM - 05.00 PM on both days (22nd & 23nd December, 2022)

**Dr. Uttara Deshmukh (P&O)**
**Associate Professor and I/C Principal,**
**MGM Institute's University Department of Prosthetics & Orthotics,**
**Kamothe, Navi Mumbai.**

# Report of 3rd National Conference of Indian Association of Assistive Technologists

**Name of the event:** "*Assistive Technology –A new era in Rehabilitation*"

**Purpose:** To update about various advances in the area of assistive technology in the field of rehabilitation

**Location:** Auditorium 3rd Floor MGM University, Kamothe, Navi Mumbai.

**Date:** 22nd & 23rd December, 2022

**Time:** 9.00 AM - 05.00 PM

**No. of attendees:** 6 faculties, 31 students and 40 P&O professionals and 45 various Rehabilitation Professionals, 8 Medical Professionals.

## PROCEEDINGS OF THE EVENT:

The Programme started with the warm welcome to all the dignitaries and chief guest by Dr. Uttara Deshmukh (P&O), Head of the Department, MGMIUDPO.She has introduced all dignitaries and chief guest to all the students and professionals.

Dr. Rajani Mullerpatan, Director MGM School of Physiotherapy, Kamothe Navi Mumbai has made significant contributions in her presentation "Gait Analysis and Assistive Technology. Her pioneering work involves the use of advanced biomechanical techniques to study and improve human locomotion. Gait analysis, under her guidance, has evolved into a crucial tool for diagnosing and monitoring various neuromuscular and musculoskeletal conditions. Furthermore, Dr. Mullerpatan's research has paved the way for the development which have the potential to enhance mobility and independence for individuals with Locomotor impairments.

Dr. B. Ravi's lecture on "Research and Development in Assistive Technology" at IIT Bombay was a captivating exploration of cutting-edge advancements aimed at improving the lives of individuals with disabilities. Dr. Ravi's comprehensive discussion delved into the innovative research and development initiatives in the field of assistive technology. He highlighted the crucial role that technology plays in enhancing accessibility and independence for people with diverse needs. The lecture served as an inspiring call to action, emphasizing the importance of continued innovation and collaboration in this critical area of technological advancement.

Dr. Smita Jayvant's lecture on the "Role of Assistive Devices in Activities of Daily Living" promises to be a captivating exploration of how assistive devices empower individuals in their daily lives. With a focus on personalized solutions and the latest technological advancements, Dr. Jayvant showcased real-life success stories that illustrate the transformative impact of these devices

Mohd. Shamim delivered an enlightening lecture on "Speech and Hearing Problems and Assistive Devices." In his presentation, he delved into the challenges faced by individuals with speech and hearing impairments, emphasizing the importance of understanding and addressing these issues. Mohd. Shamim discussed various assistive devices and technologies designed to enhance communication and improve the quality of life for those affected by such conditions. His lecture highlighted the transformative potential of modern assistive devices, offering hope and empowerment to individuals striving to overcome speech and hearing obstacles.

Dr. Nilesh Satbhai, Plastic Surgeon, from Global Hospital, Dadar, Mumbai delivered an insightful lecture on "Expectations and Future Management in Plastic Surgery." He emphasized the evolving landscape of plastic surgery, highlighting the importance of managing patient expectations. Dr. Nehete discussed innovative techniques and technologies that are shaping the future of the field, emphasizing the need for continuous learning and adaptations. He underscored the ethical responsibility of plastic surgeons to provide realistic outcomes while aligning patient goals with surgical possibilities. His lecture provided a forward-looking perspective on the dynamic field of plastic surgery, emphasizing the importance of patient satisfaction.

The General Body Meeting was held in the late evening.

The General Body Meeting at the IAAT (Indian Association of Assistive Technologists) conference is a pivotal event that brings together members from across the India to discuss and decide upon key matters pertaining to the organization's mission and operations. During this meeting, participants engage in lively discussions, share insights and vote on critical issues such as leadership elections, strategic initiatives, and financial matters. It serves as a platform for networking, fostering collaboration and ensuring the collective direction and sustainability of the IAAT, making it an indispensable component of the conference where the future of Asstive technology and its awareness in the community are shaped.

Dr. Ganeah Bapat, a distinguished Professor from BITS Pilani, Goa, delivered an enlightening lecture on "Robotics and Technology for Tomorrow." In this captivating talk, Dr. Bapat delved into the exciting realm of robotics and its transformative impact on our future. With profound insights, he explored the latest technological advancements and their potential to reshape industries, enhance healthcare and

improve our daily lives. His engaging presentation left the audience inspired and well-informed about the limitless possibilities that robotics and technology hold for the world of tomorrow.

Mr. Molin Gandhi, delivered an enlightening lecture on "Simple Assistive Devices for Mobility and Utility." In his presentation, he emphasized the profound impact that uncomplicated assistive devices can have on the lives of individuals with mobility challenges. Drawing on his extensive expertise, Mr. Gandhi highlighted a range of practical solutions designed to enhance independence and daily functionality, all of which can be seamlessly integrated into daily life. His lecture served as a reminder that innovative assistive technology need not be complex to be effective and that even the simplest devices can significantly improve the quality of life for those who rely on them.

Dr. Mukesh Doshi delivered an enlightening lecture titled "Reach to Unreachable," where he delved into the fascinating world of Animal Prosthetics. Dr. Doshi's talk explored the cutting-edge advancements in prosthetic technology, showcasing how it has enabled animals, both domestic and wild, to regain mobility and lead fulfilling lives after injuries or disabilities. He emphasized the importance of bridging the gap between human and animal healthcare, highlighting the positive impact these innovations can have on wildlife conservation and the well-being of our furry companions.

In an inspiring lecture, Mr. Rajesh Khandare, a bilateral amputee, shared his remarkable journey of resilience and determination. With unwavering courage, he recounted his personal story, highlighting the challenges he faced and the triumphs he achieved. Mr. Khandare's narrative served as a powerful testament to the human spirit's capacity to overcome adversity, leaving the audience deeply moved and motivated to tackle their own obstacles with renewed vigor and hope.

The lecture on "The Training of Sports in Rural Areas" by Dr. Ashok Trivedi, from Bidada Trust, Gujrat emphasized the significance of fostering athletic talent in less urbanized regions. The speaker highlighted the unique challenges and opportunities that rural areas offer for sports development, stressing the importance of community involvement, infrastructure development, and grassroots initiatives. The audience gained valuable insights into how targeted training programs can empower rural youth, promote physical fitness, and potentially unearth future sports stars, contributing to the overall well-being and pride of rural communities.

The National Conference organized by MGM Institute's University Department of Prosthetics and Orthotics, in collaboration with the Indian Association of Assistive Technologists (IAAT), served as a pivotal platform for fostering knowledge exchange and collaboration within the assistive technology community. The event not only featured enlightening lectures by esteemed professionals but also showcased cutting-edge assistive devices through diverse stalls, highlighting the advancements in the field. This conference not only strengthened the bonds among professionals in prosthetics and orthotics but also contributed significantly to the ongoing progress in assistive technology, ultimately aiming to enhance the quality of life for individuals in need.

## "TRANSFORMATION OF IDEA INTO START-UP" - IIC Calendar Activity

All the faculties and students are hereby informed that MGM Institute's University Department of Prosthetics and Orthotics, Kamothe, Navi Mumbai is organizing its IIC Third and Fourth Quarter Calendar Activity for the Academic year 2022-2023 under Institutions Innovation Council, MGMIHS and MGMIHS OMICS Research Centre MGMIHS, Kamothe, Navi Mumbai.

Details of the events are as follows:

- **Topic: "Transformation of Idea into Start-Up"**
- **Date: 26th August 2023.**
- **Time: 11.00 am to 12.00 pm**

The activity will be conducted via online mode through Zoom platform.

You are requested to attend the event to make it successful.

**Dr. Uttara Deshmukh (P&O),**
**Head of the Department,**
**MGM Institute's University Department of Prosthetics and Orthotics,**

## "TRANSFORMATION OF IDEA INTO START-UP" – IIC Calendar Activity

**Name of the event:** Transformation of idea into Start-Up.

**Purpose:** To mentor the students for initiation to transform idea into start-up.

**Mode of event:** Via Zoom Platform.

**Date of event:** 26th August 2023

**Time of event:** 11.00 am to 12.30 pm

**No. of participants:** 55 participants.

(25 students and 06 Faculties of MGMIUDPO and 24 participants)

**Proceeding of the event:**

The event started with warm welcome to dignitaries, faculties, students of MGMIHS and the guest speaker Mr. Siddarth Daga, Chief Impact Officer, NeoMotion Start-up, a company incubated by IIT Madras by Dr. Simranjeet Kaur, Demonstrator, MGM Institute's University Department of Prosthetics and Orthotics (MGMIUDPO), Kamothe, Navi Mumbai.

As it was an academic event, it began with Saraswathi Vandana to take the blessings from God. Later, Dr. Uttara Deshmukh, Head of the Department, MGMIUDPO elaborated the content of programme and introduced aims and objectives of Institutions Innovation Council and it's significance in the Higher Education Institutions to the participants.

Proceeding further, the opening remark was given my Dr. Raman P. Yadav , Convener, Institution Innovation Council & Technical Director, MGMIHS OMICS Research Centre, MGMIHS, Navi Mumbai. He talked about the journey and achievements of Institutions Innovation Council, MGM Institute of Health Sciences and elaborated the importance of idea in start-ups.

Dr. Uttara Deshmukh headed the programme with a brief introduction of our guest speaker Mr. Siddarth Daga, Chief Impact Officer, NeoMotion Start-up, a company incubated by IIT Madras to the participants.

Mr. Siddarth Daga, gave an outstanding presentation and elaborated his journey. His journey was about how he started working for Divyang persons. With the help from IIT Madras. Mr. Siddarth started his own startup called as 'NeoMotion'. His idea was to fabricate a motorcycle for Divyangjan. He started to convert motorcycles into wheelchairs which was helpful for mobility purpose for Divyangjan. Also, he made a transfer-chair to transfer the person with disability to the swimming pool and back. He shared best of his knowledge and experience with all the participants.

After the presentation there was a question-answer and discussion session.

Later Dr. Simranjeet Kaur (P&O) gave a vote of thanks to MGM Management, Convener IIC MGMIHS, Internal and External Members of IIC MGMIHS, Guest Speaker, all the Heads of the Institutions, all faculties & students and IT department.

Lastly, National Anthem was played and session was ended successfully.

## "Start-Up Ideas after Bachelors in Prosthetics & Orthotics" – Discussion Activity

**Name of the event:** Start-Up Idea after Bachelors in Prosthetics & Orthotics.

**Purpose:** To encourage and motivate students towards innovation & startup.

**Venue:** Academic Section, MGMIUDPO.

**Date of event:** 26th August 2023

**Time of event:** 12.30 pm to 01:30 pm

**No. of participants:** 25 students and 06 faculties of MGMIUDPO

**Proceeding of the event:**

After the enthusiastic online session about how to transform ideas into start-up. MGM Institute's University Department of Prosthetics & Orthotics (MGMIUDPO), Kamothe Navi Mumbai organized a small discussion activity.

The activity began with the introduction of Institutions Innovation Council (IIC) and activities done under this unit, for all the newly joined students by Dr. Uttara Deshmukh (P&O), Head of the Department, MGMIUDPO, Kamothe, Navi Mumbai.

Later, the activity began where the students were asked about their Start-up ideas after the completion of Bachelors degree in Prosthetics & Orthotics (BPO). Students answered very well. Some of them said that they will like to continue in academics and pursue Masters in Prosthetics & Orthotics (MPO). Many of them said they will like to start their own business in field of Prosthetics & Orthotics and began with their start-ups.

The activity ended by hearing the convinced answers from the students.

**Activity Name- Workshop on Accelerators/Incubation opportunities for students and faculties (Early stage Entrepreneurs)**

**Speaker-** Dr Amol Annadate, Founder Director of Anand group of Institutes and Hospitals

**Venue-** Anatomy Hall

**Date-** 26th august, 2023

**Time-** 2- 5 Pm

**Report**

Dr Amol Annadate is MBBS, MD Pediatrician at Vaijapur and is a successful Entrepreneur. He is a founder director of nursing, BAMS and BHMS medical colleges and is a very well-known social activist. He also in guide for DCH (DNB DCH) at his Anand Hospital, where he is mentoring Diploma in child health as a post graduate degree.

He took an interactive session with faculty and medical college students of MGM Medical college. He made the faculty and students aware that everyone has potential of being an entrepreneur and how different ideas in college can be turned into this potential.

The session was very well appreciated by all. Total 65 students and 15 faculty attended the session.
