She also worked in MGM Medical College and Hospital, Kamothe as Clinical Nurse Educator and Sr. Staff Nurse in CVTS ICU for 3 years. She highly appreciated her experience in the hospital as she got a chance to work with quality indicators of NABH accreditation of our hospital. She trained nursing as well as non-clinical staffs regarding the quality indicators. She encouraged all students to work in the parent hospital for some years as it adds on to the work experience of a health professional. Also she threw light on the process of migration and the work setup in UK as many students are targeting to settle abroad.
