CIRCULAR

Date: 18th July, 2022

DEMONSTRATION OF VISPALA PROSTHETIC HAND TECHNOLOGY.

Agenda: To create awareness about various High-tech Prosthetic hands among the students.

This is to inform all the students that, Mr. Priyabrata Swain, Product manager of Vispala Technologies Pvt. Ltd, Kolkata will demonstrate the Advance prosthetic hand technology to students.

The Details are as follows:

1. **Date:** 19th July 2022, Tuesday.
2. **Time:** 12.00 PM to 01.00 PM
3. **Venue:** Academic Section, MGM Department of Prosthetics & Orthotics.

Note: All students must attend the session with full strength.

Dr. Uttara Deshmukh (P&O)
I/C Principal, Associate Professor
MGM Institute's University Department of Prosthetics & Orthotics,
Kamothe, Navi Mumbai.

DEMONSTRATION OF VISPALA PROSTHETIC HAND TECHNOLOGY AT MGMIUDPO.

Name of the event: Demonstration of Vispala Prosthetic Hand technology at MGMIUDPO.

Purpose of the Event: To create awareness about High-tech Prosthetic & Orthotic technology.

Location of the event: Academics Section, MGM Department of Prosthetics and Orthotics.

Date and time of the event: Date: 19th July 2022

Time: 12:00 PM to 01:00 PM (One hour).

No. of attendees: 24 students, 1 faculty.

Proceedings of the event:

Vispala Technologies is a medical device manufacturing company headquartered in Kolkata, India. It manufactures and designs Prosthetic, Orthotic and Assistive Robotic Devices for differently abled people.

Mr. Priyabrata Swain from Vispala Technologies visited MGM Institute's University Department of Prosthetics and Orthotics for demonstration of Prosthetic hand technology to all the students and faculty. He demonstrated the Mechanical and Electronic prosthetic hand which is working through Bluetooth switch operated system.

He also demonstrated the prosthetic hand which is operated by Mechanical and Electronic power system to all students. Students from all batches asked various questions about the working principle of the hand. Mr. Priyabrata cleared each and every doubt of students with proper justifications.

Overall the session was beneficial to all students. They learnt about the high-tech P&O technologies apart from the conventional and myoelectric technologies which would be beneficial for them in future professional field.

Report of Basic course on the use of Low Temperature Thermoplastic in Rehabilitation by the students and the Faculty of MGMIUDPO.

Name of the event: "Basic course on the use of Low Temperature Thermoplastic in Rehabilitation".

Purpose of the event: To give exposure to the Faculty and students with various types of Low Temperature Thermoplastic material and its applications on the patient used in the Prosthetics and Orthotics field.

Location of the event: POCL, Charkop, Kandiwali-west, Mumbai.

Date of the event: Date: 18th January, 2022

Time: 09.00 AM TO 05.00 PM

No of attendees: Dr. Pratiksha Shelar and 03 Students of MGMIUDPO.

PROCEEDINGS OF THE EVENT:

The basic course on the Low Temperature Thermoplastic in rehabilitation was a hands on workshop organized by Dr. Mukesh Doshi (Director, Proprietor of POCL) and his team. They welcomed all the volunteer and showed their setup which was equipped with hi-tech machines and material.

The first session was done by Dr. Mukesh Doshi by giving introduction on the family of the Low Temperature Thermoplastic. Further, he explained about the deformities occurs in the extremity and how it can be treated with Orthoses by using Low Temperature Thermoplastic material.

Second session was taken by Dr. Bhagyashree Doiphode (P&O), she explained various types of Low Temperature Thermoplastics and their properties which can be use in the Rehabilitation to make various types of splints.

After that hands on practice started with live demonstration shown by the Dr. Mukesh Doshi (P&O), and Dr. Shobha (P&O). During Demonstration they explained how to apply Low Temperature Thermoplastic sheet in the proper manner to correct or prevent the present deformity on the patient.

At the end of the day interactive session was held and feedback was taken from every volunteer. Overall the hands on workshop was very beneficial to the attendees for learning various techniques to handle the Low Temperature Thermoplastic. The session was ended with the felicitation program and photograph session.

Report of Demonstration of Advance Myoelectric Technology

Name of the event: "Demonstration of Advanced Myoelectric Technology"

Purpose: To give information about the Advancement in the Upper limb Prosthetic management field.

Location: Department of Prosthetics & Orthotics, MGMIHS, Kamothe, Navi Mumbai. .

Date: 26th May 2022.

Time: 12:00 PM to 01:00 PM.

No. of attendees: 01 faculty and 16 students.

PROCEEDINGS OF THE EVENT:

The Programme started with the warm welcome to all students by Ms. Valerie (Prosthetist & Orthotist) of Motorica Moscow private limited. She presented the Advanced technology of Myoelectric Prosthesis and it's function of Motorica Prosthesis to students through Power Point presentation. Each batch of students experienced the Assembling and disassembling of Myoelectric Prosthesis which was beneficial for all.

Students asked various questions about the program and she solved all the queries of students regarding the mechanism of Myoelectric Technology use by Motorica with proper interaction with Students.

Dr. Uttara Deshmukh (P&O)

CIRCULAR

Date: 10th December, 2021

Demonstration of Bionic-Hand to the BPO students.

Agenda: To upgrade the knowledge about Myoelectric Technology in the Prosthetics.

This is to inform all the students that, MGM Institute's University Department of Prosthetics & Orthotics is organizing a demonstration of Bionic-Hand Prosthesis on 11th December 2021.

The Details are as follows:

1. **Date:** 11th December 2021, Saturday
2. **Time:** 10.00 AM to 11.00 AM
3. **Venue:** Academic Section, MGM Department of Prosthetics & Orthotics.

Note: It is essential to be aware about the Technology of Bionic-Hand Prosthesis.

Hence, students are informed to join this program compulsory.

Dr. Uttara Deshmukh (P&O)

I/C Principal,

**MGM Institute's University Department of Prosthetics & Orthotics,
Kamothe, Navi Mumbai.**

Dr. Uttara Deshmukh (P & O),
H. O. D. In-Charge,

Report of Bionic Hand Prosthesis Technology Demonstration at MGMIUDPO.

Name of the event: "Demonstration of Bionic Hand to the BPO students".

Purpose: 1. To demonstrate practical knowledge of Robo-Bionic Prosthetic Technology.

2. To educate students about the future prospect of Myoelectric Prosthetic technology in the field of Prosthetics and Orthotics

Location: Academic Section, MGM Department of Prosthetics & Orthotics.

Date: 11th December 2021

Time: 10.00AM TO 11.00 AM

No of attendees: 23 Students, 1 Faculty of MGMIUDPO.

Proceedings of the event:

Myoelectric Prosthetic technology is the most advanced, useful and demanding technology for the rehabilitation of Upper Limb Prosthetic management. To develop the academic industrial relationship, MGM Institute's University Department of Prosthetics & Orthotics organized a session on "**Bionic Hand-Prosthetic Technology**" in association with Robo-Bionics Pvt. Ltd on 11th December 2021 at MGMIUDPO.

The program was started with warm welcome of **Mr. Osden Mascarenhas (Co-Founder & CEO), Robo-Bionics** and explanation about the theme of the program to the students by **Dr. Uttara Deshmukh (P&O)**, In charge Principal, MGM Institute's University Department of Prosthetics & Orthotics. The program was continued with demonstration by **Mr. Osden**. He proceeded with the demonstration of Bionic Hand Prosthetic function and its working mechanism.

After the demonstration the students interacted with Mr. Osden and he solved all the doubts and gave solution to their queries related to this technology. He also advised about the formation Start-up Company and its management and shared his experience till date.

All students practised for the learnt technology within them which was an amazing experience for them. The students and faculties benefited by upgrading their knowledge through this session.

Dr. Uttara Deshmukh (P&O)

I/C Principal,

**MGM Institute's University Department of Prosthetics & Orthotics,
Kamothe, Navi Mumbai.**

Dr. Uttara Deshmukh (P & O),

DEPARTMENT OF SKILLS LAB

To,
The Dean,
MGM Medical College and Hospital
Sector - 1, Kamothe
Navi Mumbai - 410 209.

Sub: Summary & Report of AHA RF Meeting & TCF Course June 2022.

Respected sir,

The MGM Skills lab recently hosted the American Heart Association India Regional Faculty Meeting on 21st & 22nd June 2022. This prestigious event was conducted under the leadership of Ms Marida Stracchia- AHA Chief of International Resuscitation Programs from the AHA HQ at Dallas USA, along with Dr (Prof) Sachin Menon- AHA India Region Director. This event was also attended virtually by Global AHA Faculties from countries like USA, Japan, UAE, Botswana and Italy who interacted with all the attendees.

This was a national convention of experts in resuscitation from all over the country with background ranging from Internal Medicine, Emergency Medicine, Anaesthesia and Paediatrics. All of these faculties were from Institutes of excellence like AIIMS, CMC Vellore, JIPMER, MS Ramaiah, KMC Manipal, Apollo, Fortis and many more and everyone appreciated the facilities and setup at MGM.

This event gave us the opportunity to showcase the MGM Skills lab to all these guests and also to establish contact for future academic activities with these faculties and their institutions. Many were eager to collaborate with MGM in many ways.

The Regional Faculty meeting was followed by the Inaugural Training Centre Faculty Workshop conducted from 23-25th June 2022.

The AHA international team accompanied by MGM Skills Lab team also paid a visit to the MGM Aurangabad campus.

We are submitting a detailed report of the program along with this letter.

The expense sheet is also attached for your perusal and for resolution of pending payments/reimbursements.

We acknowledge the support of volunteers from the Anesthesia department, IT staff, housekeeping and catering staff.

We personally acknowledge the team of MGM Skills Lab who coordinated and executed the event with the team.

We are deeply grateful to the MGM management, University and Dean sir for their support in hosting this event.

With Regards,

Dr Vishwas Sathe

Subject: Permission for organizing the Inaugural Annual TEE Workshop

Respected Sir

MGM Skills Lab in association with ACTA Mumbai and Indian Association of Echocardiography is planning to conduct its inaugural Annual Trans-esophageal Echo Workshop on Saturday 4th & Sunday 5th December 2021.

The workshop will involve the use of advanced simulator for hands on training of TEE skills and will also have a Wet Lab training module using porcine heart.

The faculty will consist of eminent cardiac anaesthesiologists from across the country as below:

- | | |
|------------------------|------------------------|
| - 1. Dr Deepak Tempe | - Delhi |
| - 2. Dr T A Patil | - Bangalore |
| - 3. Dr Santosh Ambli | - Hyderabad |
| - 4. Dr Venugopal | - Hyderabad |
| - 5. Dr Vaishali Badge | - Local |

The target audience shall consist of anesthetists, physicians and emergency physicians. We request your kind approval for this workshop, which will help spread the mission of training by the MGM Skills Lab.

The recommended registration fees for this workshop would be Rs 3000/- only which shall be credited in the MGMMC Account via NEFT/online transfers.

Report on TEE workshop

The inaugural Annual Transesophageal Echocardiography (TEE) workshop was held in MGM Skills Lab, Navi Mumbai on 4th-5th December, 2021. Graced by eminent faculties such as Dr Deepak Tempe, Dr T. A. Patil, Dr Venugopal, Dr Niranjan Waje and Dr Amish Jaspara the two day course featured comprehensive lectures and wet lab simulations. Hands on workstations were set up describing the knobology and basic views of TEE. The workshop was conducted in collaboration with ACTA Mumbai and ISA Navi Mumbai. Four MMC credit points were credited for delegates attending the workshop.

Inauguration and lamp lighting ceremony at the hands of the faculty was attended by honorary administrative faculty of MGMIHS, Dr Sudhir Kadam, Dr K.R Salgotra, Dr G.S Narshetty and the organizing chairperson Dr R.L Gogna and organizing Secretary Dr Vishwas Sathe.

We registered 32 delegates for the two days successfully. The first day of the course included lectures on the anatomy of the mitral and aortic valves and the different views seen in TEE. Dissection of porcine heart was conducted under the supervision of Dr Venugopal and Dr Sameer Kadam describing the various structures of cardiac anatomy.

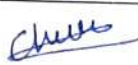

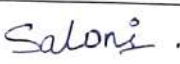

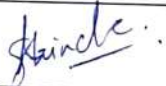

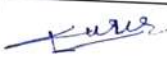

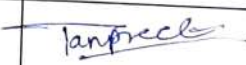

The second day consisted of lectures on the left ventricular systolic and diastolic function and various measurements of flow and pressures seen during the cardiac cycle. Hands-on was provided with TEE simulators by Sandor and CAE companies.

The workshop was concluded with a written multiple choice question test and delegates were given certificates for successful completion of the course. The closing ceremony was held by Dr Vishwas Sathe with a vote of thanks to the eminent faculty for their invaluable guidance and support in the first TEE workshop held in MGM Hospital, Kamothe. Valuable feedback was given by the delegates and noted by the organizing committee for the future. MGM Department of Anaesthesia with the MGM Skills Lab would like to extend our gratitude to the administrative department, catering & housekeeping department of MGM hospital, the distinguished faculty and the enthusiastic delegates for making this inaugural TEE workshop a resounding success and hope for it to be an annual event.

UG CBME

Subject: Annual Undergraduate Skills Training Workshop

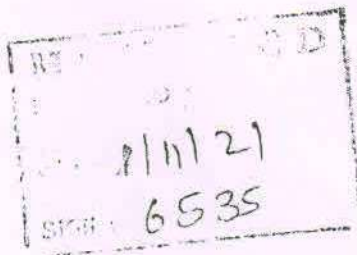

Respected Sir

Medical education has evolved from the days of learning by memory to competency directed learning. Even the NMC has advocated competency based evaluation for the under graduate medical education.

Also, the patients nowadays are more demanding and are aware of their rights. They are not willing to be seen or operated by trainees. This puts today's medical student at a disadvantage compared to our generation where we could actually learn on the job on real patients.

As a means to mitigate this problem we are planning to organize a yearly event to introduce the final year MBBS students and the interns to simulation based learning in the hands-on procedural life saving skills and disaster management. This is to make them ready as a work force that can be relied upon in the event that we may need to avail their services as seen during the COVID crisis.

We are planning this event over 2 days with the first day to teach them the few procedures with hands-on practice and the second day as an overview of disaster management. Dr Sachin Menon (AHA India Regional Director) will be the Course Director for the course. This endeavour is in accordance with the recommendations made by the NAAC Committee during the recent NAAC Assessment. Please find attached the program schedule for your reference.

011/8

Yours, sincerely

Skills Training Workshop-MGM Medical College

Target audience : Final year Undergraduate Medical Students & Interns

Total time : 6 hours

Total number : 30 to 60

Instructors : 10-15 (2-3 per station)

Skills taught:

1. Disaster introduction (15 minutes)
2. Mass Casualty Triage (25 minutes)
3. Surge Capacity (20 minutes)
4. Table top exercise - Mass Casualty Triage
5. Table top exercise - Surge Capacity
6. Decontamination (wet and dry)
7. PPE (DONNING AND DOFFING)
8. Mock drill- Field casualty triaging

Workshop plan:

1. Students will be divided into 4 groups of 15 each
 - Group A : 1-15
 - Group B : 16-30
 - Group C : 31-45
 - Group C : 46-60

Report on UG CBME workshop

The inaugural Annual Undergraduate Skills Training workshop was held in MGM Skills Lab, Navi Mumbai on 13th-14th December, 2021. Graced by eminent faculties such as Dr Sachin Menon(AHA Consultant Regional Director), Dr Varghese Phillips V, Dr Linis Liz the two day workshop involved didactic lectures and hands on stations.

Day 1 consisted of individual hands on skills training in various procedures like intubation, ICD insertion, suturing, catheter insertion and wound packing and splint application etc. (pic 1-4)

Day 2 started with comprehensive talks on disaster preparedness, recognition and management. It was followed by interactive miniature table top modules on hospital scenarios (pic 5) which was then followed by a simulated session of triage management of mass casualty in the field which involved 7th semester students as actors.

Overall the entire workshop was a huge success and the students appreciated the experience and requested for similar interactive courses and training modules for learning in the future..

Inauguration and lamp lighting ceremony at the hands of the faculty was attended by Honorary administrative faculty of MGMIHS, Dr Sudhir Kadam, Dr G.S Narshetty ,Dr K.R Salgotra, Dr Jayshree Ghanekar,Dr Mrunal Pimparkar and the Organizing Secretary Dr Vishwas Sathe.

We registered **36 Candidates** for the two days successfully .The first day to teach them the few procedure with hands-on practice. The second day was as an overview of disaster management.

The workshop was concluded with a written multiple choice question test and delegates were given certificates for successful completion of the course. The closing ceremony was held by Dr Vishwas Sathe with a vote of thanks to the eminent faculty for their invaluable guidance and support in the first UG workshop held in MGM Hospital, Kamothe. Valuable feedback was given by the delegates and noted by the organizing committee for the future. MGM Department of Anaesthesia with the MGM Skills Lab would like to extend our gratitude to the administrative department, catering & housekeeping department of MGM hospital, the distinguished faculty and the enthusiastic delegates for making this inaugural UG workshop a resounding success and hope for it to be an annual event.
