13. Why do you want to become a Gender Champion (not more than 250 words)?

I believe, our country needs to be aware of all the gender equality norms in order to have respect and dignity towards all genders.

This must start at the youngest age possible as ~~we are~~ the youth that will promote it to their future generations. However small a step, it can cause major differences in the society and university environment. Hence, actively promoting advocates for equal rights and opportunities of all genders will reduce gender stereotypes and make, as a whole, a positive change along with breaking previous barriers and finally, will lead us to an environment where

~~there~~ there is respect towards all individuals - which will help us all excel to great heights. Declaration And given this opportunity, I will do the maximum to promote these ideas.

I hereby declare that the statements made in the application are true and complete to the best of my knowledge and belief. I understand that the action can be taken against me in the event of any of the said information furnished by me being found false or incorrect.

13. Why do you want to become a Gender Champion (not more than 250 words)?

I believe I can advocate for equality and inclusivity across all genders, which are the primary demand from a gender champion. As a gender champion, I'll ensure to dismantle any gender stereotypes, promote equal opportunities and foster an environment where everyone can thrive regardless of gender identity. When the time comes I can address a crowd as well to tell them the importance about gender equality. I can also plan events for the same.
