

MGM Medical College, Navi Mumbai

4.2.2 Describe the adequacy of both outpatients and inpatients in the teaching hospital during the last five years vis-à-vis the number of students trained and programmes offered (based on HIMS / EMR) within 500 words.

Answer:

MGM Medical College teaching Hospitals, Navi Mumbai are well equipped with state of the art diagnostic and therapeutic services and are giving efficient services to the community. Outpatient services are available daily from 8.30 am to 4.30 pm. Each OPD has separate cubical for doctors & teaching rooms for clinical teaching-learning in broad & Super-specialties. Highly qualified, committed and competent doctors deliver patient care at most with free of charge OPD services, investigations and OT charges at most affordable rates. The population below poverty line and other non-affording patients are treated free of cost. Daily OPD average is 2150 patients and IPD admission is 110 per day for MGM Teaching Hospital, Navi Mumbai. Students posted in OPD get excellent exposure of patient management. There are Speciality OPDs (70) run by department, which allow the students to get insight in special cases.

The Super Specialty services in Cardiology, Neurology, Nephrology, Endocrinology, Cardiovascular Thoracic Surgery (CVTs), Urology, Pediatric Surgery, Neurosurgery, Plastic surgery, provide training to students in higher skills. MET Cell and Skill labs are available for training in various procedures including BLS, ACLS, ATLS, Sonosim Lab, AHA accredited skill development programmes.

The Physiotherapy section has separate OPD (Average daily patients 80-100) services in hospital catering to Physiotherapy services & teaching learning of students.

Geriatric OPD caters to need of patients above 60 years. Students get exposure in geriatric care in both OPD & IPD of Geriatric department. Well equipped Trauma unit with trained doctors are available 24 hours to satisfy the need of all emergency on Mumbai-Pune express highway.

There are 1060 beds for inpatient care in teaching hospital as per requirement of Statutory Council. Average in patient occupancy is 80 to 85 %. Clinical bed side teaching takes place in various wards in bed side teaching rooms attached to wards to inculcate clinical skills in students. Active participation of postgraduates/Resident doctors in management of ward patients round the clock, not only improves their clinical skills but also helps in refining professionalism and patient care.

The hospitals have well equipped surgical suites for minor and complex surgeries. Total Operation Theatres are 15 out of which 3 are modular. Average of about 55-60 major & minor surgeries are being carried out per day in MGM teaching hospital Navi Mumbai with facility of live telecast.

There are 100 beds in ICUs with above 90% occupancy providing adequate learning for students in management of acutely ill patients. Post graduate students get hands on training in bed side

procedures like central line insertion, endotracheal intubation, and mechanical ventilation in these units. They also learn to communicate with relatives of critically ill patients.

Average 2561 Lab investigations in Pathology, Biochemistry and Microbiology are carried out daily and 500 radiological investigations take place on a daily basis.

Average yearly student- patient ratio is more than 1:10 patients for teaching and training of students. The teaching hospital has consistently seen an increase in the numbers both in the category of inpatient and outpatient. The hospital conducting routine outreach activities in rural and urban areas by organizing daily specialties OPD and multi diagnostic camps.
