| Description                                                 | Payment Terms                                                                                         |
|-------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Charges for InPods Accreditation Management System per year | 100% advance along with the Purchase order and<br>100% at the start of every new year of subscription |

### Prices; Taxes:

The price payable by Customer for the Platform and/or the Service do not include any sales or service or similar taxes. Customer will pay or reimburse InPods for all taxes or other amounts payable to governmental authorities in connection with the applicable transactions or will provide inpods with an exemption certificate satisfactory to inpods.

### Customizations and Enhancements

InPods Accreditation Management System is a superbly designed technology for NAAC accreditation manuals of SSR and AQARs. Our customers have found it well-aligned with their data management activities with respect to Non-QIF and QIF data collection. Our customers didn't have to ask for any customizations because the currently designed technology serves the purpose very well.
