Appreciation Letter

To, The Dean MGM Medical College, Aurangabad.

We sincerely acknowledge the work and efforts of MGM Medical collage & Hospital Aurangabad for Organising a Health Chck-UP on 03/12/2022 At Chaitanya Kanifnath Niwasi Apang School Naregaon, Aurangabad For the benefit of local patients.

The health check-up was well organized as services were useful as it covered the health check-up of patients (130) and also provided with referral for some health conditions (08). We are also thankful for making the patients and their relatives aware about important health topocs and discussing the social issues among them. It was really nice to actually head something useful and your ideas certainly enlightened all the students.

24/1/23 विषय : आरोग्य तपासणी शिबीर आयोजित करणेबाबत.

महोदय.

दि. १२ जानेवारी,२०२३ रोजी विवेकानंद जयंतीचे औचित्य साधून आमच्या महाविद्यालयाच्या राष्ट्रीय सेवा योजना विभागाने आपल्या रक्तपेढीच्या संयुक्त विद्यमाने भव्य रक्तदान शिबिराचे आयोजन केले होते. सदर कार्यक्रम अत्यंत उत्साह व प्रतिसादात संपन्न झाला. यासाठी सर्वप्रथम आपले आभार व अभिनंदन!

आमच्या महाविद्यालयाच्याच राष्ट्रीय सेवा योजना विभागाचे सात दिवशीय श्रमसंस्कार निवासी शिबीर दि. २२ जानेवारी ते २८ जानेवारी, २०२३ या कालावधीत बोकुड जळगाव, ता. पैठण, जि. औरंगाबाद येथे आयोजित करण्यात आलेले आहे. सदर शिबिरात ग्रामस्थांचा सहभाग व ग्रामीण भागातील समस्यांचे निराकरण करणे अपेक्षित असते.

या सात दिवसीय कार्यक्रमात आमच्या राष्ट्रीय सेवा योजना विभाग व आपल्या आरोग्य विभागाच्या संयुक्त विद्यमाने बोकुड जळगाव येथील ग्रामस्थांसाठी आरोग्य तपासणी शिबिराचे आयोजन करावे, अशी आमची इच्छा आहे. आपल्याकडून सकारात्मक प्रतिसाद मिळेल अशी खात्री आहे. बोकुड जळगाव हे गाव

| | Dr. Vaishnavi Beedkar (intern) |
| Participants/ Audience details | Total 55 patients and their relatives attended the activity.(30male and 25 female patients) |
| Rational/ Need for the Event | Even today there are many misconceptions regarding the disease of leprosy. The deep routed stigmata of the disease still prevent the patients to come forward and to seek the treatment even if full cure is available now. Patients often cannot even notice the common symptoms. The world leprosy is the perfect opportunity to address such issues. So, we have taken the opportunity and taken an event where patients were made aware about the disease using the poster exhibition activity. At the end of the session free check up was done. |
| Events outcome/ projections | 55 people attended the awareness campaign held at RHTC Khultabad Dist.Aurangabad Were made aware about the spread and consequences of leprosy |

Sub: Doctors for Free Medical Camp at Paithan Nath Shashti Yatra.

Dear Sir,

- 1. Every year we conduct free medical camp at Paithan (a sacred birth place of a saint Shri Eknath, 1533-1599), on the occasion of Nath Shashti Yatra.
- 2. This year as usual we intend to conduct Free Medical Camp at Paithan on Nath Shashti Yatra on three days (13 March to 15 March 2023). Approx 2 lac Devotees from all over Maharashtra are expected to visit the Yatra.
- 3. Last year (in March 2022) 2769 patients were examined and treated in our free medical camp at Paithan during Nath Shashti Yatra
- 4. Last year on this occasion you had provided us four qualified doctors for all 3 days for treating patients.
- We request you to please provide us this year too, four qualified doctors for all above 3 days. Your kind co-operation in this regard will help us in conducting the medical camp in a smooth manner.
- We seek your continued patronage and also long term association.
- We request you to kindly visit our Ashrama. It will be our pleasure to welcome you.

With best wishes and greetings,

Yours in the service of the Lord,

The lecture was held in Biochemistry hall in afternoon from 12 to 1 pm and was attended by 88 MBBS students along with PG students and following points were discussed. Staying Active: Individuals should make sure that they engage in regular physical activity. Exercise helps keep the body healthy and can help prevent many chronic diseases. Eating a Balanced Diet: Individuals should strive to eat a healthy and balanced diet. This means consuming a variety of fruits, vegetables, whole grains, lean proteins, and healthy fats. They should also limit their intake of processed and sugary foods. Managing Stress: Individuals should learn to manage stress through techniques such as meditation and breathing exercises. Getting Enough Sleep: Individuals should aim for 7-9 hours of sleep each night. Seeking Medical Care: Individuals should make sure that they see a healthcare provider regularly for preventative care and to manage any health issues. Avoiding Bad Habits: Individuals should avoid bad habits such as smoking, excessive alcohol consumption, and drug use. These habits can have a negative impact on health of individuals. | | |

| Radio Talk on the occasion of World Malaria Day 2023 |
|--|
| Dr.Anwaya Magare(Asst. Prof Dept. of Community Medicine) |
| Radio Audience |
| Every year, World Malaria Day is celebrated on 28th April. The aim is to create the awareness about this deadly disease in general population. Every year in India, millions suffer from this disease and thousands die due to this disease. Young children and pregnant women are more susceptible to this disease and land up in complications more frequently. South east Asia and esp. Africa and India, have 60% burden of the disease as we have abundance of disease carrying vector and suitable environment for this disease. So, this opportunity was taken to create awareness among radio-audience about causes, rapid diagnosis and preventive measures of the Malaria |
| On this occasion, awareness was created among the radio- audience about causes, diagnosis and treatment of malaria. Health education was given about preventive measures against malaria, both at a personal level and at environmental level. |
