Title of the Activity : Regular Anatomy & Physiology training for B.Sc. MRIT students.

Date & Time: 5 to 9 December 2022 ; 1:00 pm to 3:00 p.m.

Location: MGM-GE Ultrasound Simulation Lab, 2nd Floor, Medical College Building, MGMIHS, Kamothe, Navi Mumbai.

MGUS Lab Coordinator: Mr. Subodh Rahate

Participants engrossed in Learning

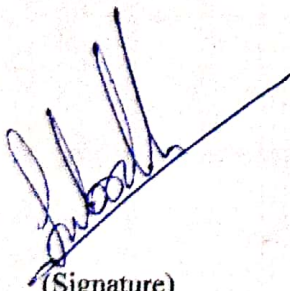

Short Activity Report

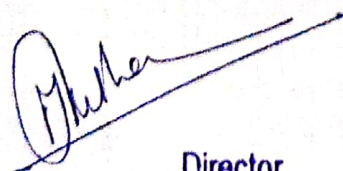

- A regular posting for B.Sc. MRIT students has been scheduled where weekly 5 students are trained on Sonosim software specifically for "Anatomy & Physiology" learning modules.
- This helps them to understand Normal anatomy and physiology of the given specific organ or body region specified in the software.
- We have started with training our students on "Gall bladder" section in the software and also will be awarded with a e-certificate if they could clear a 'Mastery Test' embedded in Sonosim software.

- useful device for emergency department
It should be in casualty department
- The device should have handles to hold it & the straps are difficult to adjust.
But its a helpful device
- It should be in casualty dep for an emergency case

Subject: Non Invasive Ventilator workshop for staff nurses.

Respected sir,

Keeping in vision of upgrading skills of nursing staff, we are planning to organize **workshop of non invasive ventilator therapy** on occasion of World Emergency Day (27 th May). It's very unique activity for nurses giving hands on training of NIV. The training will help to improve patient safety and outcome of ICU.

So kindly consider our proposal and do the needful.

Thanking you.
