6.1.1A2 Governance of the institute – name + photo with designation

Leadership and Governance of the institute is in sync with the vision of the institute – “To Inculcate Enthusiasm to Serve”. This has been at the forefront since 1927 when in its zest to create educational opportunities for the society we commenced with Night Colleges, Junior Colleges and in 2003 set up 4 colleges. The socio cultural educational activities have assisted the marginalized sections of society and the Bunts community in particular. The provision of quality infrastructure and resources provided for education combined with ethical and value based governance practices helps the college achieve its mission and steadfastly move towards achieving its Vision.

In its path of achieving its mission the Leadership and Governance have made the availability of trained resources; best of training to every students including project work, ICT enabled infrastructure, advanced laboratories, extension activities, Gymnasium and Sports amenities, seminars, workshops etc. which are focused towards the development of learners by the good governing practices. It is with the permission of the HEC, Governance provides platforms to students to learn every dimension of Hospitality. Governance provides add on courses, cross cutting issues, skill based programs, research and innovation for learners to equip the hospitality professionals with lateral thinking and fluency in communication skills.
