**REPORT OF HANDS ON CRE ON "COSMETIC RESTORATION" ORGANIZED
BY MGMIUDPO**

Name of the event: Hands on CRE on "Cosmetic Restoration".

Purpose of the Event: To give practical exposure to P&O students & professionals about Cosmetic Restoration technique.

Location of the event: Dept of Prosthetics & Orthotics, MGM Institute of Health Sciences, Navi Mumbai.

Date and time of the event: Date: 12th & 13th April 2024.

Time: 09:00 AM – 05.00 PM

No. of attendees: 11 students, 06 faculty of MGMIUDPO and 12 outside professionals

Summary of the event:

Cosmetic prostheses, also known as passive prostheses or custom silicone restorations, can help amputees restore their pre-amputation appearance. They are external devices that provide a life-like representation of a missing body part, such as fingers, toes, nose, eyes, ears etc. These types of prostheses are often used to improve appearance rather than replace the function of the missing parts.

On this aspect to provide the practical exposure to Prosthetics & Orthotics students & professionals, MGMIUDPO organized a Hands on CRE on "Cosmetic Restoration" for their benefits. The institute invited Dr. Neelam Namdeo (P&O), Senior Anaplastologist & Co-Founder & Clinical Head, The Silicone Rehab, Vadodara, Gujarat, Bharat.

On the 1st day Dr. Neelam gave practical training to all delegates about casting, measurements, mould making, modification, Mandrel making, Nail fabrication & finally demonstrated about Die fabrication for formation of Cosmetic finger.

On the 2nd day she demonstrated about Die Opening, Correction in the Mould, Fabrication and Nail Painting of Silicone finger Prosthesis, Color matching of finger, Die pour & Opening, Finger finishing, and finally she told about Extrinsic coloring and Nail Fixation to all by which, the delegates gained practical knowledge about how to make cosmetic finger for a patient.

Lastly in the valedictory ceremony all delegates shared their experiences of the two days CRE, in which all delegates informed that they gained a lot of practical experience about Cosmetic finger formation which will benefit them in their professional life.

The two days of CRE was a learnable experience for all the participants.
