Subject:- Invitation as a Guest lecture for the newly admitted batch 2024-25

Dear Alumni,

We hope this message finds you well, on behalf of MGM School of Biomedical Sciences we are delighted to invite you to deliver a guest lecture as part of our induction program.

Your journey since graduating from institution has been truly inspiring, and we believe that your experience and insights would be of immense value to our current students. Report of Alumni Lectures to junior students

Name of the event: Alumni lectures to junior students.

Purpose: To motivate junior students.

Venue: Classroom 1, Academic Section, MGMIUDPO.

Date: 09th October, 2023

Time: 03.30 pm to 04.00 pm

Attendees: 20 Students and 03 faculty of MGMIUDPO.

Proceedings of the event:

Alumni are the important part of any educational institution. Alumni speech during interaction with their juniors help the ex-students to reminisce about their college days. This enhances the students' experience and give them that competitive edge in today's tough job market by the guidance of their seniors.

On this aspect Department organized an alumni lecture to the junior students in which, Ms. Apeksha Ubhare (Research Scholar, Topper of the institute, and Chancellor Awardee) and Mr. Siddhesh Mali of 18-19 batch were invited. During their interaction both of them shared their journey of academic life experience and gave guidance to juniors what to do and what to not do during their educational tenure. Overall, the session was very well informative and benefitted to all students of MGMIUDPO to go ahead their carrier path.

REPORT OF ALUMNI REUNION 2024

Name of the Event: Alumni Reunion – 'Alumnitreffen 2024'.

Purpose of the event: To provide a valuable opportunity for former classmates to reconnect, strengthen professional & social networks and celebrate shared experiences and achievements. These connections can be valuable for career opportunities, collaborations and personal growth.

Date & Time: 16-08-2024 & 09:00 am to 05:00 pm

Venue: Auditorium, 3rd Floor, MGMIHS, Kamothe, Navi Mumbai.

Proceedings of the Event:

The alumni reunion held on 16th August 2024, this event gave the former students a chance to revisit the college and reconnect with the faculties. This event gave a great platform to alumni to share their experience with fresh batches. The event got an overwhelming response from alumni, some of them couldn't attend because of their busy schedule but they joined us on Google meet.

The event started with a welcome speech by Ms. Hrida Ansari (Intern) & Noel George Thomas (II BPO student). Followed by this, welcome dance was performed by junior batch students. There were various games organized which was fun and interactive for everyone.

The interactive session was also conducted on Google meet for alumni students where they shared their personal & industrial experience and gave us a sight about placements and on how to cope up with situations.

The morning sessions concluded with a delightful lunch and entertainment segment which included dance performances by II, IV year & Intern students. The performances contributed to a lively and enjoyable atmosphere which made a remarkable joy to everyone

The feedback collected from the attendees was overwhelmingly positive, alumni gave their testimonials and all the juniors headed to the stage with roses for felicitation. The event was organized well. The alumni meet featured games for the attendees, with prizes awarded to the winners. We appreciate everyone who took part and helped in making the event unforgettable. We eagerly anticipate the next alumni meet and are excited to keep strengthening our supportive alumni committee.

Short event report

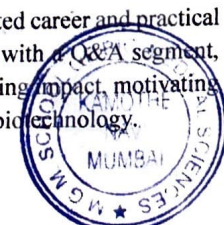

On 6th August 2024, the Medical Biotechnology and Genetics students at MGMSBS had the privilege of attending a career guidance session led by their esteemed alumna, Ms. Akshata Rakshe. Ms. Rakshe is an accomplished professional in the biotech industry, a marketing expert, founder of Vissia Enterprise, and a professional model. Her diverse career path provided a unique and valuable perspective to the students. The session began with an introduction to Ms. Rakshe's journey from a Biotechnology PG student to becoming a prominent figure in the biotech industry, and a successful entrepreneur. She shared her experiences and the challenges she faced while transitioning from academia to the professional world.

Key Points Discussed

- **Industry Insights:** Ms. Rakshe highlighted the current trends and future prospects in the biotech industry. She emphasized the importance of staying updated with the latest advancements and innovations. She discussed the significance of interdisciplinary knowledge, combining biotechnology with fields like data science and marketing to create a competitive edge.
- **Career Opportunities:** Various career paths within the biotech sector were outlined, including research and development, quality control, regulatory affairs, and marketing. Ms. Rakshe provided insights into lesser-known roles such as science communication, biotech consulting, and entrepreneurship.
- **Skills Development:** Emphasis was placed on the necessity of both technical skills and soft skills. Key technical skills include laboratory techniques, bioinformatics, and data analysis. Soft skills such as communication, teamwork, and leadership were highlighted as crucial for career growth and success.
- **Networking and Mentorship:** Ms. Rakshe advised students on the importance of building a professional network. She shared tips on effective networking strategies and the benefits of having mentors. She encouraged students to participate in industry conferences, seminars, and workshops to expand their network.
- **Entrepreneurship:** Sharing her journey of founding Vissia Enterprise, Ms. Rakshe inspired students to consider entrepreneurship as a viable career option. She discussed the challenges and rewards of starting a business and the essential steps for turning innovative ideas into successful ventures.
- **Balancing Multiple Careers:** Ms. Rakshe, also a professional model, spoke about managing multiple careers and the importance of time management and prioritization. She encouraged students to pursue their passions alongside their primary careers to maintain a well-rounded and fulfilling professional life.

Conclusion: The career guidance session by Ms. Akshata Rakshe was an enriching experience for the students. Her multifaceted career and practical advice provided a comprehensive view of the opportunities and challenges in the biotech industry. The session concluded with a Q&A segment, where students had the opportunity to ask specific questions and receive personalized advice. Ms. Rakshe's session left a lasting impact, motivating the students to explore diverse career paths, continually develop their skills, and seize opportunities in the dynamic field of biotechnology.
