Dear Dr. Jain,

We are happy to inform you that you have been selected for the 2023 SICOT meets SICOT Fellowship at the Texas Children's Hospital (in Houston, USA). Your planned travel should be in 2023 or 2024.

Please contact Dr. Scott Rosenfeld (sbrosenf@texaschildrens.org) or his assistant, Mrs. Ifeoma Inneh (Ifeoma.Inneh@bcm.edu) to organise the travel dates and make arrangements. If a visa is required, please be sure to start the process well in advance. As soon as the dates are set, you must confirm them with the SICOT Fellowships Secretariat. **The fellowship needs to be of minimum 4 weeks.**

The reimbursement will be done after your fellowship and we will need:

- the official SICOT expense form, filled and signed (you can ask for it after your fellowship);
- the paid invoices of the expenses, with your name and the paid amount (**any expense with no proper invoice or ticket will not be reimbursed**);
- a report of 2-3 pages of your experience;
- a certificate of completion from your host centre.

The maximum reimbursement amount will be of **2,000 euros**, if the host center does not provide accommodation, to cover only the accommodation and travelling costs (Airport shuttle bus service must be used in priority to taxis; economy flight only). If the host center provides accommodation, SICOT will cover your travelling costs up to **1,000 euros** (Airport shuttle bus service must be used in priority to taxis; economy flight only).

Could you be so kind as to confirm having received this letter and accepting this fellowship.

Thank you.

Best regards,

**Prof. V. Havlas**
