Subject: 2nd Annual Nepal Emergency Medicine Conference (NEMCON) 2023 Report

The 2nd Annual NEMCON was conducted under the umbrella of the Nepalese Society of Emergency Physicians in Kathmandu between 6th & 7th October 2023. It was a huge event which was inaugurated by Rt Hon Prime Minister Pushpa

I was invited as International Faculty and got an opportunity to deliver talks on, 'Advanced Airway Management' &

The conference was attended by over 400 delegates from across the world consisting and Emergency Medicine specialists, trainees, ER nursing staff and paramedics and was a resounding success. It provided an opportunity to meet the world experts

In addition to the conference American Heart Association (AHA) also rolled out its inaugural 'Advanced Stroke Life Support Provider Course' as a pre-conference workshop. I was part of this event in my role as AHA Regional Faculty for the region. The course was well received and went off smoothly. The AHA International was represented by Ms. Marida Straccia (AHA Program Director International Trainings) and Dr Sachin Menon (AHA Regional Consultant Director for India, Nepal, Bangladesh, Sri Lanka and Maldives).

One of our Nurse Practitioner Critical Care (NPCC) student Ms. Yogya who was trained at MGM College of Nursing and is also an AHA BLS Instructor (trained at MGM Skills Lab) was also part of the event; however, I couldn't meet her personally. But it was a matter of pride that our students are doing well on a global platform. In addition to this a few delegates from Nepal who had attended our inaugural ATLS Provider Course at MGMMC Navi Mumbai were also present there and provided positive feedback about our Skills Lab facility.

I would like to thank the Hon Vice Chancellor MGMIHS, Hon Pro Vice Chancellor MGMIHS, Hon Medical Director MGM and Dean MGMMC Navi Mumbai for providing me this opportunity to represent MGM at this prestigious event.

I have attached the Invitation letter, Certificate and also a few photographs for reference.
