Abstract Submission

The title of the abstract should be typed in Times New Roman with front size 14 and all others with front size 12. The name of the presenting author should be underlined and the entire authors name should be prefixed with initials.

The complete postal address of the authors along with the email address and fax number of the corresponding authors should be provided.

The abstract should not exceed 250 words. The abstract should be divided into an introduction, hypothesis, materials & methods, results & discussion and conclusions.

References may be cited and typed in Times New Roman with front size 10.

Those who opt for oral presentation should send their CV along with the abstract. The selection will be based on both the quality of the abstract and the CV.

Last date for abstract submission – 26th December, 2011.

Please note: The poster size should be 3'X4'.
