## About MGM Institute of Health Sciences, Navi Mumbai

The **Mahatma Gandhi Mission (MGM) Trust** is the parent body of MGMIHS which was established in 1982 by Hon. Shri.Kamalkishor N. Kadam, M. Tech (IIT Bombay) and Former Minister of Higher & Technical Education, Government of Maharashtra with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques, promote health, prevent and cure diseases, advancing biomedical and clinical research and educational programs for tomorrow's physicians and scientists. Since inception, the Trust has focused on providing Health Care Services, School Education and Higher Education with dedication and commitment. Members of the Trust are highly committed and well qualified professionals (doctors and engineers) who established, developed and nurtured this institution. By selecting this institute, you have made the right choice to get quality medical education.

A chain of Schools, Medical, Nursing, Management, Engineering, Architecture, Computer Science & IT, Bioinformatics and Biotechnology, Fine Arts and Journalism stand testimony to the endeavors of the Trust. These Institutions under MGM Trust have achieved a mark of excellence in their respective areas over the years.

The MGM Trust had started two medical colleges, MGM Medical College & Hospital at Navi Mumbai during 1989, and MGM Medical College & Hospital at Aurangabad during 1990 with an intake of 100 seats in both colleges and affiliated to Maharashtra University of Health Sciences, Nasik for UG and PG courses. During the year 2006, University Grants Commission approved establishing of **MGM Institute of Health Sciences (MGMIHS)** as **Deemed to be University** u/s 3 of UGC Act, 1956 with these two constituent medical colleges at Navi Mumbai and Aurangabad, vide Notification No. F. 9-21/2005-U.3 (A) dated 30.08.2006 issued by the Government of India, Ministry of Human Resource Development, Department of Higher Education, New Delhi.

At present, it runs 09 institutions (Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics) located at 02 centers, namely Navi Mumbai and Aurangabad. All these institutions strive to achieve excellence in all areas and nurture total commitment to community services, by way of outreach programs. MGMIHS is having Hospitals at Navi Mumbai and Aurangabad with a total capacity of around 1740 beds. Our medical services are extended to needy patients and those below poverty line.

MGMIHS has been rated **Grade 'A'** by the **National Assessment and Accreditation Council (NAAC)**. MGMIHS has ranked amongst top 200 universities of India (Under Rank Band: 151 - 200) in **NIRF – 2019 ranking**. It has also received **National 3<sup>rd</sup> ranking under Swachh Campus by MHRD, Govt. of India** for recognizing the green, self sustained and environment friendly campus at both locations.

## Chancellor's Message

**"The best way to find yourself is to lose yourself in the service of others." - Mahatma Gandhi**

Health care is the largest industry in the world and second largest in India, rapidly attracting new entrants and generating competition. With our feet firmly on the ground, we have kept pace with technology and globalization. While inducting latest diagnostic and therapeutic equipment for patient management, we are part of the academic collaboration programmes entered into by MGM Medical College with National and International institutes to expose students to newly emerging trends in medical science. MGM Institute of Health Sciences (Deemed to be University), Navi Mumbai offers quality education in Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics undergraduate, post graduate and Ph. D. programs. I welcome you all with Best Wishes....

- **Shri Kamalkishor N. Kadam**  
Hon'ble Chancellor, MGMIHS

## Vice Chancellor's Message

All the constituent Institutes of MGM Institute of Health Sciences at Navi Mumbai and Aurangabad will help you realize your dreams of becoming good health professional. Both campuses are located in beautiful, eco-friendly locations. Hostels are situated within the campuses. Excellent infrastructure has been provided with state-of-art equipments, laboratories, computers, class rooms, teaching aids and libraries. Highly quality teaching faculty with long years of experience will guide you to learn the art and science of medicine with love and care. Each College has a large hospital attached within the campus. Patient workload is very high. In addition to general specialties, all super-speciality services are available in these hospitals. So you will have plenty of clinical workloads to learn your clinical skills. Ragging is strictly prohibited and is a criminal offence. So no one dares to indulge in this despicable practice.

- **Dr. Shashank D. Dalvi**  
Hon'ble Vice Chancellor, MGMIHS

## Registrar's Message

MGMIHS has a culture of continuous growth which is evident from its active alumni network spread across the globe as well as its dedicated faculty with rich experience in their respective domains along with the various initiatives undertaken by students on campus. MGMIHS is determined to outshine the yardstick set, thus uplifting to higher trajectory in developing, designing and delivery of curriculum, training the budding health science professionals to acquire clinical acumen and skills and promoting and supporting research relevant to local, regional and national needs.

- **Dr. Rajesh B. Goel**  
Registrar, MGMIHS

## Executive Summary

*Mahatma Gandhi* believed that education is one of the most important ingredients in the development of an individual as well as the society and the nation as a whole. A nation with educated citizens can develop at a far better speed compared to that with uneducated population. He believed that every child in India must be educated as education is the key to a good living. With his ideologies, MGM School of Physiotherapy (MGMSOP) was established in 2008, as a constituent unit of MGM Institute of Health Sciences, Navi Mumbai with a vision to emerge as a Center of Excellence in Physiotherapy education, research and clinical care.

## Director's Message

At, **MGM School of Physiotherapy, Navi Mumbai** we are striving to excel in academic, research & clinical services. Our efforts to train our students at global merit are strengthened by collaborative projects with Institutes in India and across the world. We aim to train physiotherapists to promote fitness and reduce burden of non-communicable diseases, enhance sports performance and maximize function following impairment. We are committed to extend our services to the urban & rural community in vicinity of MGM Institute of Health Sciences, Navi Mumbai.

**Dr. Rajani Mullerpatan (PhD, M.Sc PT)**

## *Testimonials*

“MGM...the most wonderful place which gave me the actual meaning of what I am. I had a pretty long journey here but the best journey of my life. There’s nothing which this place misses, in fact I am missing each and everything of MGM now. Starting with academic experiences...we were gifted with well trained and supportive professors, as mentors as well as friends when needed...they were and even now always ready to guide us at any part of time. Unlike other colleges MGM gives importance to research which is very important for all fresh physiotherapists. MGM teaches us evidence based and unique ways of rehabilitation which helps us in practicing further with respect to each and every strangest cases and believe me its indeed awesome when you yourself find out new ways to learn and grow....MGM has made me discover the best capabilities in me, in relation to both academic and extracurricular activities...truly speaking I am blessed that I selected this institute which gave me lot to grow and become confident about my future...”

***Ms. Priyanka Mishra 2008-2009 Batch***

“MGM...I would mention this name in my diary as the first and best turning point in my life. Although colleges were plenty for fulfilling my dreams of Physiotherapy, I never felt like applying anywhere else since the 1st day of my Physiotherapy life in MGM School of Physiotherapy. Each and every institute has its pros and cons, the superiority lies in the uniqueness and well in that matter, I was blessed with the decision I took in joining this institute. The best thing here is and will always be, would be about the great teaching staff. One should be truly blessed to get guidance under such well experienced and friendly professors in each subject. The way they correct and teach each student alike, whether in clinical postings or during lectures; their helping mentality even at the eleventh hour of exams; their expert level finishing touch in the research papers of their students; frankly speaking I am still thinking how to express my gratitude for everything they have gifted us with. Talking about uniqueness of this institute, the importance given to Research here, unlike any other colleges, is again one of the best things making anyone become proud of being passed out from MGM. To be honest, my experiences with MGM will never end in a page....the best and unique clinical exposure acquired from here, the notable and effective ways learnt in assessing and treating a patient, the most amazing campus, the equal importance given to academics, sports and cultural events here has all made me the happiest and proud physiotherapist just in a short duration of four and a half years.”
