MGM SCHOOL OF PHYSIOTHERAPY
NAVI MUMBAI

ADDRESS
Sector – 01,Kamothe, Navi Mumbai – 410 209
VISION

MGM Institute of Health Sciences aims to be a top ranking centre of Excellence in Health Science Education, Health Care and Health Research.

MISSION

- Students graduating from the Institute will have the required skills to deliver the quality health care to all the sections of the society with compassion and benevolence, without prejudice or discrimination at an affordable cost.

- As a Research Centre, it shall focus on finding better, safer and affordable ways of diagnosing, treating and preventing diseases. In doing so, it will maintain highest ethical standard.

‘To wipe every tear from every eye.’

- Mahatma Gandhi
About MGM Institute of Health Sciences, Navi Mumbai

The Mahatma Gandhi Mission (MGM) Trust is the parent body of MGMIHS which was established in 1982 by Hon. Shri. Kamalkishor N. Kadam, M. Tech (IIT Bombay) and Former Minister of Higher & Technical Education, Government of Maharashtra with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques, promote health, prevent and cure diseases, advancing biomedical and clinical research and educational programs for tomorrow’s physicians and scientists. Since inception, the Trust has focused on providing Health Care Services, School Education and Higher Education with dedication and commitment. Members of the Trust are highly committed and well qualified professionals (doctors and engineers) who established, developed and nurtured this institution. By selecting this institute, you have made the right choice to get quality medical education.

A chain of Schools, Medical, Nursing, Management, Engineering, Architecture, Computer Science & IT, Bioinformatics and Biotechnology, Fine Arts and Journalism stand testimony to the endeavors of the Trust. These Institutions under MGM Trust have achieved a mark of excellence in their respective areas over the years.

The MGM Trust had started two medical colleges, MGM Medical College & Hospital at Navi Mumbai during 1989, and MGM Medical College & Hospital at Aurangabad during 1990 with an intake of 100 seats in both colleges and affiliated to Maharashtra University of Health Sciences, Nasik for UG and PG courses. During the year 2006, University Grants Commission approved establishing of MGM Institute of Health Sciences (MGMIHS) as Deemed to be University u/s 3 of UGC Act, 1956 with these two constituent medical colleges at Navi Mumbai and Aurangabad, vide Notification No. F. 9-21/2005-U.3 (A) dated 30.08.2006 issued by the Government of India, Ministry of Human Resource Development, Department of Higher Education, New Delhi.

At present, it runs 09 institutions (Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics) located at 02 centers, namely Navi Mumbai and Aurangabad. All these institutions strive to achieve excellence in all areas and nurture total commitment to community services, by way of outreach programs. MGMIHS is having Hospitals at Navi Mumbai and Aurangabad with a total capacity of around 1740 beds. Our medical services are extended to needy patients and those below poverty line.

MGMIHS has been rated Grade ‘A’ by the National Assessment and Accreditation Council (NAAC). MGMIHS has ranked amongst top 200 universities of India (Under Rank Band: 151 - 200) in NIRF – 2019 ranking. It has also received National 3rd ranking under Swachh Campus by MHRD, Govt. of India for recognizing the green, self-sustained and environment friendly campus at both locations.
Chancellor’s Message

“The best way to find yourself is to lose yourself in the service of others.” - Mahatma Gandhi

Health care is the largest industry in the world and second largest in India, rapidly attracting new entrants and generating competition. With our feet firmly on the ground, we have kept pace with technology and globalization. While inducting latest diagnostic and therapeutic equipment for patient management, we are part of the academic collaboration programmes entered into by MGM Medical College with National and International institutes to expose students to newly emerging trends in medical science. MGM Institute of Health Sciences (Deemed to be University), Navi Mumbai offers quality education in Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics undergraduate, post graduate and Ph. D. programs. I welcome you all with Best Wishes....

- Shri Kamalkishor N. Kadam
  Hon’ble Chancellor, MGMIHS

Vice Chancellor’s Message

All the constituent Institutes of MGM Institute of Health Sciences at Navi Mumbai and Aurangabad will help you realize your dreams of becoming good health professional. Both campuses are located in beautiful, eco-friendly locations. Hostels are situated within the campuses. Excellent infrastructure has been provided with state-or-art equipments, laboratories, computers, class rooms, teaching aids and libraries. Highly quality teaching faculty with long years of experience will guide you to learn the art and science of medicine with love and care. Each College has a large hospital attached within the campus. Patient workload is very high. In addition to general specialties, all super-speciality services are available in these hospitals. So you will have plenty of clinical workloads to learn your clinical skills. Ragging is strictly prohibited and is a criminal offence. So no one dares to indulge in this despicable practice.

- Dr. Shashank D. Dalvi
  Hon’ble Vice Chancellor, MGMIHS

Registrar’s Message

MGMIHS has a culture of continuous growth which is evident from its active alumni network spread across the globe as well as its dedicated faculty with rich experience in their respective domains along with the various initiatives undertaken by students on campus. MGMIHS is determined to outshine the yardstick set, thus uplifting to higher trajectory in developing, designing and delivery of curriculum, training the budding health science professionals to acquire clinical acumen and skills and promoting and supporting research relevant to local, regional and national needs.

- Dr. Rajesh B. Goel
  Registrar, MGMIHS

Mahatma Gandhi believed that education is one of the most important ingredients in the development of an individual as well as the society and the nation as a whole. A nation with educated citizens can develop at a far better speed compared to that with uneducated population. He believed that every child in India must be educated as education is the key to a good living. With his ideologies, MGM School of Physiotherapy (MGMSOP) was established in 2008, as a constituent unit of MGM Institute of Health Sciences, Navi Mumbai with a vision to emerge as a Center of Excellence in Physiotherapy education, research and clinical care.

At, MGM School of Physiotherapy, Navi Mumbai we are striving to excel in academic, research & clinical services. Our efforts to train our students at global merit are strengthened by collaborative projects with Institutes in India and across the world. We aim to train physiotherapists to promote fitness and reduce burden of non-communicable diseases, enhance sports performance and maximize function following impairment. We are committed to extend our services to the urban & rural community in vicinity of MGM Institute of Health Sciences, Navi Mumbai.

Dr. Rajani Mullerpatan (PhD, M.Sc PT)
Professor Director

* Program Recognized by Maharashtra State Council for Occupational Therapy and Physiotherapy (MSOTPT).
** As per PG Teachers availability.
♦ As per UGC Regulation 2018.
9 Post BPT skill enhancement programs.
Bachelor of Physiotherapy (BPT) is of four and half years duration affiliated to Mahatma Gandhi Mission Institute of Health Sciences (MGMIHS), Navi Mumbai.

**Academic years are designated as:**
- I BPT (1 year duration)
- II BPT (1 year duration)
- III BPT (1 year duration)
- IV BPT (1 year duration)
- Followed by 6 months mandatory internship.

**Program Recognition:** Maharashtra State Council for Occupational Therapy and Physiotherapy (MSOTPT)

**Intake capacity:** 70 students per academic year

**Academic Eligibility for admission to BPT**

Shall have passed an examination conducted by Boards/Councils/Intermediate Examination established by State Government/Central Government. 50% marks in Physics, Chemistry and Biology group and passed in English subject.

       | - Neuro Physiotherapy  
       | - Cardiovascular and Pulmonary Physiotherapy  
       | - Community Rehabilitation |
**Master of Physiotherapy (MPT)** is full time program of two years duration which focuses on gaining advanced knowledge and exclusive Physiotherapeutic skills in 5 clinical specialties.

**Specialties:**
1. Master of Musculoskeletal Physiotherapy
2. Master of Neuro Physiotherapy
3. Master of Cardiovascular Pulmonary Physiotherapy & Fitness
4. Master of Preventive and Community Physiotherapy
5. Master of Sport Physiotherapy

**Duration:** 2 years  
**Program Recognition:** Maharashtra State Council for Occupational Therapy and Physiotherapy (MSOTPT)

**Academic Eligibility for admission in MPT**
1. Candidate should hold a BPT or equivalent degree from UGC recognized Institute.
2. Candidate should have completed internship successfully.
3. Candidate should have passed MGM CET MPT held by the MGM Institute of Health Sciences (MGMIHS), with **minimum 50% marks.**

MGM School of Physiotherapy, Navi Mumbai offers clinical services at tertiary, secondary and primary health care levels in four specialized areas.

1. **Musculoskeletal Physiotherapy**
   - Outpatient & Inpatient Department, MGM Hospital, Kamothe
   - MGM-World Spine Care Clinic
   - Hand Rehabilitation
   - MGM Center for Human Movement Science
   - Sports Rehabilitation

2. **Neuro Physiotherapy**
   - Adult and Pediatric Outpatient and Inpatient Services:
   - Sharan, Smt. Kamlar Raheja Rehabilitation Centre for Paraplegics, Vashi, Navi Mumbai
   - MGM New Bombay Hospital, Vashi
   - Ashray Special School, Sanpada
   - Monthly Support group meets
     - Parkinson’s Support Group
     - Stroke Support Group
     - Spinal Cord Injury Group
     - Cerebral Palsy Support Group

3. **Cardiopulmonary Physiotherapy**
   - MGM Exercise Testing and Training Center, Department of Physiotherapy, MGM Hospital, Kamothe
   - Intensive Medical and Surgical Care Units, Pediatric ICU, Intensive Cardiac Care Unit, Emergency ICU at MGM Hospital, Kamothe.
   - Neonatal ICU services in MGM Hospital for Women and Children, Kalamboli.
   - In-patient in medical, surgical, pediatric, CVTS, Burns wards
   - Obesity Clinic
   - Respiratory Support Group

4. **Community Physiotherapy**
   - Women’s Health Physiotherapy OPD at MGM Hospital for Women and Children, Kalamboli.
   - Geriatric OPD in MGM Hospital, Kamothe
   - Old Age Home, Belapur
   - Extension activities which include awareness program like camps, street play, and awareness rally.
   - Health promotion activities at various rural areas in Panveltaluka.
   - Residential camps are arranged at strategically located areas – Sanpada, Vashi Nerul, Kalamboli and Kamothe to improve evaluation & clinical skills and communication among the students.

“A man nothing is but a product of his thoughts, he become what he think” – Mahatma Gandhi

MGM School of Physiotherapy, Navi Mumbai is highly active in research activities which are funded intra & extramurally. Rigorous training is offered to BPT and MPT students to conduct research projects. We encourage students to present these research projects in interdisciplinary conferences and publish them. Experts from MGM School of Physiotherapy, Navi Mumbai offer consultation to various interdisciplinary research activities within and outside the country.

**Thrust areas of Research**
Yoga, Parkinson’s Disease, Cerebral Palsy, Osteoarthritis, Knee, Sports and Dance Biomechanics, Diabetes Mellitus, Physical fitness.

**On-going inter-disciplinary collaborative national & international research projects**
- Development of powered trans-tibial prosthesis funded by DBT.
- Project on Pelvimetry for childbirth postures funded by Shastri Foundation & NSERC is completed.

**Activities at MGM Center of Human Movement Science**

**Vicon motion capture system**

**Collaboration with Biomedical Engineering and Technology (incubation) Center, Indian Institute of Technology-Bombay**

**Planning research project in spine care with World Spine Care team**

1. Timings of MGM School of Physiotherapy are from 9.00 am. to 4:00 pm.
2. A grace time of 5 minutes will be permitted to a student entering late in clinics following they will be marked late. Three late marks will be considered, as 1 day of absenteeism.
3. Any student, who seeks leave due to a foreseeable reason, should submit a written application to the class in charge.
4. In case of medical leave, the respective class in-charge or the Principal should be informed immediately via email. On the day of resuming back, student must submit a medical certificate and a letter from parent / guardian informing the Principal regarding the same. Medical Certificate will NOT be accepted later.
5. It is mandatory to maintain 75% attendance in lectures and 80% attendance in practical & clinics respectively. Students with less than 75% attendance will not be eligible to appear for University Examination.
6. Students are required to reach the clinics within 10 minutes following lectures, failing which they will be marked late for that particular practical /clinic.
7. Students are required to maintain their professional dignity by adhering to uniform, wearing lab coat and identity batches in the campus for all practical, clinical, classroom sessions & examinations.
8. Students are required to refrain from wearing accessories like long earrings, flashy bracelets, watches etc. and maintain neat hairdo.
9. Use of mobile phones is prohibited during lectures, practical, clinics, symposiums/ & examination. Disciplinary action as per institute rules will apply.
10. Students need to maintain professional discipline, ethical behavior and principles by adhering to soft communication skills with patients, caregivers, peers, faculty members and ancillary staff.
11. Students are provided lockers and expected to store their bags in the same. Students are requested to refrain from carrying valuable articles to college. Institution will not be responsible for loss of the same.
12. In case of misplacement of lockers keys a written application needs to be submitted to the Principal requesting permission for breaking the lock.
13. Disciplinary action will be instituted in case students do not adhere to the code of conduct following a written reminder.
Cultural, Sports and academic events are organized through the year culminating in the annual festival ATHENA and MGM Olympics.

**MGM Olympics 30^{th} Oct 2018**

Testimonials

“MGM…the most wonderful place which gave me the actual meaning of what I am. I had a pretty long journey here but the best journey of my life. There’s nothing which this place misses, in fact I am missing each and everything of MGM now. Starting with academic experiences…we were gifted with well trained and supportive professors, as mentors as well as friends when needed…they were and even now always ready to guide us at any part of time. Unlike other colleges MGM gives importance to research which is very important for all fresh physiotherapists. MGM teaches us evidence based and unique ways of rehabilitation which helps us in practicing further with respect to each and every strangest cases and believe me its indeed awesome when you yourself find out new ways to learn and grow….MGM has made me discover the best capabilities in me, in relation to both academic and extracurricular activities…truly speaking I am blessed that I selected this institute which gave me lot to grow and become confident about my future....”

Ms. Priyanka Mishra 2008-2009 Batch

“MGM…I would mention this name in my diary as the first and best turning point in my life. Although colleges were plenty for fulfilling my dreams of Physiotherapy, I never felt like applying anywhere else since the 1st day of my Physiotherapy life in MGM School of Physiotherapy. Each and every institute has its pros and cons, the superiority lies in the uniqueness and well in that matter, I was blessed with the decision I took in joining this institute. The best thing here is and will always be, would be about the great teaching staff. One should be truly blessed to get guidance under such well experienced and friendly professors in each subject. The way they correct and teach each student alike, whether in clinical postings or during lectures; their helping mentality even at the eleventh hour of exams; their expert level finishing touch in the research papers of their students; frankly speaking I am still thinking how to express my gratitude for everything they have gifted us with. Talking about uniqueness of this institute, the importance given to Research here, unlike any other colleges, is again one of the best things making anyone become proud of being passed out from MGM. To be honest, my experiences with MGM will never end in a page….the best and unique clinical exposure acquired from here, the notable and effective ways learnt in assessing and treating a patient, the most amazing campus, the equal importance given to academics, sports and cultural events here has all made me the happiest and proud physiotherapist just in a short duration of four and a half years.”

Mr. Nitesh Mathew 2008-2009 Batch
ANNEXURE I

AFFIDAVIT BY THE STUDENT

I, ____________________________________________ (full name of student with Institute Roll Number) s/o d/o Mr./Mrs./Ms ____________________________________________________________, having been admitted to ____________________________________________ (name of the institution), have received or downloaded a copy of the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (hereinafter called the “Regulations”) carefully read and fully understood the provisions contained in the said Regulations.

1. I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.

Name & Signature of Student
Graduate Attributes

Graduate attributes are the qualities, skills and understandings a university community agrees its students should develop during their time with the institution. These attributes include but go beyond the disciplinary expertise or technical knowledge that has traditionally formed the core of most university courses. They are qualities that also prepare graduates as agents of social good in an unknown future.

(Bowden et al, 2000)

A student graduating from MGM Institute of Health Sciences, Navi Mumbai, should attain the following attributes:

1. Dynamic professionalism
2. Exemplary leadership
3. Effective communication skills
4. Scholarly attitude
5. Element of critical thinking
6. Enthusiasm for research
7. Social commitment
8. Global competencies
