Metric no: 2.4.1: Average percentage of fulltime teachers against sanctioned posts during the last five years

1. Initially both the campuses at Navi Mumbai and Aurangabad were having medical colleges only. Later on they have started programs in the allied field therefore, the total number of teachers in the medical college are in excess to the medical council requirement and these excess posts are sanctioned to render the services in Nursing, Physiotherapy, School of Biomedical Sciences and Prosthetics & orthotics. While sanctioning the posts in allied units by the management this aspect is taken into consideration.
2. Apart from regular full-time teachers, heads of the institutions are empowered to appoint senior and experienced teachers as visiting /adjunct/emeritus faculties and these faculties are not counted as full-time teachers. In the academic year (2018-2019) there were 74 visiting /adjunct/emeritus faculties.
