TO WHOM IT MAY CONCERN

It gives me immense pleasure to write this testimonial for Dr. Patra Vikram Subhash who is known to me for the last 02 years since he joined this college as Postgraduate student.

He joined M.D.(Pediatrics) Course in the year June 2008 as resident in the Department of Pediatrics, J.N.Medical College, A.M.U. Aligarh and completed it June 2010. He passed M.D. (Pediatrics) examination in first attempt.

Certified that Dr. Patra Vikram Subhash had already passed DCH. Course, so his tenure of M.D. (Pediatrics 3 years course) has been completed in 2 years w.e.f. June 2008 to June 2010.

J.N.Medical College Hospital, A.M.U. Aligarh is a 1000-bedded teaching and referral hospital with well-developed specialties and super-specialties. During his tenure as Resident in Pediatrics for 2 years, he was posted in Pediatric outdoor, Pediatric ward, Neonatal Unit, Diarrhea Treatment and Training Unit (D.T.T.U.) and Intensive Care Unit (I.C.U.) by rotation. He was also on floor emergency duty twice per week. He has the experience of managing common Paediatrics problems in outdoors. During his posting in Paediatrics he used to manage the sick children presenting with diverse clinical manifestations. In D.T.T.U. he was managing cases presenting with acute gastro enteritis with various degree of dehydration. During his posting in neonatal section, he was trained in resuscitation of the newborn and care of normal newborns in the post-natal ward. He managed the sick newborns in the neonatal intensive care unit of the department. The consultants of the department constantly supervised him during his postings.

The Medical Council of India recognizes the M.D. Pediatrics Course in J.N.Medical College, Aligarh

During his working in the department of Paediatrics, I have always found him a very sincere, hard working and reliable resident. His involvement and care of the patients is of high caliber. His behavior with the colleagues and attendants of patients was very good. He has sound grasp of the subject and is always keen to learn the new things. He was perfect physical and mental health.

To the best of my knowledge, he bears a good moral character and I wish him success in his future assignment.

It is a great pleasure to introduce and recommend Dr. Sonali N. Mhaske

Dr. Sonali N. Mhaske joined us at Bandra Bhabha Hospital from 1ST March till date as a registrar in the department of Ultrasound sonography following her postgraduation . I have been closely associated with her in the department of Ultrasound sonography. She has been performing Ultrasound scan with great skills and confidence . She has done good Number of abdomen , Obstetrics and gynaecology studies .
During her tenure here , I have found her sincere and hardworking besides being dedicated and competent . She has academic interest'. Her interaction with colleague and patients is very pleasant .

I would strongly recommend her for appointment at any suitable post.

I wish her All The Best in her career .

Date 8th March,1979.

It is my pleasure to give this testimonial to Dr. Ashok. A. Kalayanshetty who was a Resident Postgraduate student in my department of Surgery from July 1975 to July 1978 for the three yaars course for M.S. in General Surgeryא of the Karnatak University and successfully completed the M.S. Examination of August 1978 of the same University at the first attempt.

Having been an undergraduate student of the same college, he continued to fulfill his promise as a postgraduate student. He was punctual, regular and evinced throughout a keen desire to learn and improve himself. He was entrusted with the total clinical responsibility of the patients under his care to my entire satisfaction. Further, having performed a number of minor and major sugical procedures, he has attained practical competency as

This is to confirm that Dr.Ashok worked in our surgical unit of Kenyatta National Hospital Nairobi,Kenya for part of the period from September 1980 to September 1982. During that time we found him a competent surgeon who also had special interest in Urology. He got on well with colleagues and nursing staff. He participated in the teaching and instructions of undergraduate medical students. I support his intention to specialize in Urology.

TO WHOM IT MAY CONCERN

Dr. Naheed Abidi joined this institution on 2nd July 1979 as a Senior Resident after her postgraduate studies in Ophthalmology. She continued to work with us till 30th October 1983 when she went abroad for two years. She came back and joined us as a Specialist in the department of Ophthalmology on 1st February 1985. She has been with us since then.

Dr. Abidi is an able Ophthalmologist. Her theoretical knowledge is sound and her technical skill is excellent. She is a caring doctor and she is respected and loved by her colleagues and patients. She is well mannered and quiet and gets along with her colleagues very well.

Dr. Abidi started the eye camps in this hospital and has conducted several camps - both indoor and outdoor during last 2 years.

Her department is one of the smooth running departments of this institution.

She is leaving this institution due to personal reasons, and we shall certainly miss her. We wish her the very best in the future.

TO WHOMSOEVER IT MAY CONCERN

Dr.Reshma Ramakrishnan worked in Sankara Eye Centre, Coimbatore from January 2004 to April 2008 and completed her DNB training in the speciality of ophthalmology from 22/07/2004 to 23/07/2007.

During her PG course, she has received extensive hands on training in cataract surgeries and various other anterior segment surgical techniques. She had good exposure to other sub specialities like medical retina, strabismus and orbit and oculoplasty. She has worked extensively in community ophthalmology and has gained good experience in arranging camps and eye donation programs. Dr.Reshma has taken active participation in academic activities of paramedical staff of our hospital. Dr.Reshma is a caring and compassionate doctor and always works hard to give quality eye care to all her patients.

I can confidently say that Dr.Reshma Ramakrishnan will be an asset for any institution that she works in. I wish her all the best.

TO WHOM IT MAY CONCERN

Dr.Avinash L. Sangle has successfully completed his two year residency with effect from 01/05/2008 to 30/04/2010 in Department of Pediatrics for the course of DCH -Maharashtra University of Health Sciences, Nashik, at Grant Medical College and Sir J.J group of Hospitals, Mumbai. He has passed his Diploma in Child Health in first attempt. Afterwards he has worked as Registrar in NICU & PICU from 01/05/2010 to 30/04/2011.During his stay in hospital ,he has shown keen interest in day to day hospital working.

His stay in our Department has been very beneficial for the patients. He was actively involved in OPD and Indoor patient care. He was efficient and alert in managing critically ill patients in ward and Intensive Care Units (PICU & NICU).

He has mastered the skills in performing procedures like Endotracheal intubation, Umbilical catheterization, securing central venous line, ventricular tapping, lumbar puncture, pleural and ascitic tapping, intra-osseous line, liver biopsy, exchange transfusion and other routine and emergency procedures. He has also mastered in operating High Frequency Oscillatory ventilator & conventional ventilators.

He has actively participated in undergraduate and nursing staff teaching. His interest in post graduate clinics was remarkable. He has also attended CME, workshop and conferences in and outside city.

Dr.Avinash is sincere, hard working and honest person who is able to manage critically ill patients efficiently. He also has good communication skills. He has always respected his senior faculty members and had a good rapport with his colleagues and paramedical staff.

I wish him success in his life and am sure he shall be an asset where ever he will work.

TO WHOMSOEVER IT MAY CONCERN

Dated: February 2nd 2014

I, Dr. Deepak Ugra, Senior Consultant, Department of Pediatrics, Lilavati hospital and Research Centre, Mumbai, highly recommend Dr. Avinash Sangle for the position of Pediatric Specialist at your esteemed hospital.

Dr. Avinash is a confident and knowledgeable paediatrician who worked with me for three years at Lilavati Hospital and Research Centre. During this period, I found him to be friendly and cheerful regardless of the situation which is a very important quality every pediatrician must possess. At the same time, Avinash is calm and composed in high pressure situations and has exhibited clarity of thought, confidence and skill and making quick decisions in a fast paced environment like the Emergency Room.

He has demonstrated a keen sense of observation, sound foundation in the basics of pediatrics and is also well versed with latest advances enabling him to contribute significantly to patient care. On multiple occasions, he has assisted me and my colleagues when encountered with tough diagnoses, by providing his inputs and insights and researching extensively on the topic, which helped us to make a positive contribution to patient care.

He conducted clinical meetings on a day-to-day basis as a part of post-graduate training in our department and also assisted in the administrative aspects of the department. He shared a good equation with his colleagues evidencing his people-management abilities.

He has exhibited skill and precision in pediatric procedures like lumbar puncture, bone marrow aspirations etc.

The children admitted in the ward liked him as he spent considerable time with them and their parents. Dr. Avinash focused on allaying the fears of patients and their parents alike, counselling parents and trying to help them in any way possible. He also cultivated a good working relationship with the nursing staff.

Amongst young pediatricians of the present generation, I find Dr. Avinash to be a very promising prospect who is reliable, empathetic and well-grounded and a real professional to work with. I am sure Dr. Avinash will perform exceptionally in any environment and contribute significantly to any institution he works with.

Please feel free to contact me for any further information on Dr. Avinash Sangle.

Whomsoever it may concern

It is to certify that **Dr Ingale Vinod C.,** has worked under university approved fellowship program in Pediatric Intensive care of this institute from 01.09.2015 to 31.08.2016.

During his posting, I found Dr Ingale as a very sincere, dedicated and enthusiastic student who has excellent theoretical knowledge and clinical skills along with logical thinking required to apply these skills in clinical decision making. He was always attentive and inquistive on rounds. He has keen craving for the knowledge and actively participated in academic activities of this department as well as in other conferences and CMEs.

During this training, he acquired skills for advanced pediatric care tools e.g. ventilation, resuscitation, monitoring, insertion of vascular long-lines and other intensive care procedures. He also handled various kinds of critically sick patients independently during emergency hours and guided juniors.

He has good command over English with excellent communication skills and a humanistic approach towards patient care. He is a team-person, who maintained cordial relations with his peers, seniors and paramedical staff.

In my opinion, Dr Ingale will be a valuable asset to any institute that he joins and I have no hesitation to recommend him for any post that he applies for. Please feel free to contact me in case of any further queries.

This is to certify that Dr. Mahendra Gurunath Surywanshi S/o Shri Gurunath Bajirao Surywanshi has worked as a post-graduate student in the Department of General Surgery, S.S. Medical College and associated G.M. and S.G.M. Hospital, Rewa (M.P.) from 10th June 2009 to 9th June 2012 and successfully completed his tenure of 3 years. He has passed his M.S. (General Surgery) Examination held in May-June 2012 in First Attempt from A.P.S. University, Rewa (M.P.).

During his stay in the department, he performed all routine duties in the indoor and outpatients Department. He managed routine and emergency surgeries under supervision and has acquired reasonable skill and proficiency in the clinical and surgical work.

During his residency he was assigned Registration work and Undergraduate Clinical Classes. He actively participated in all types of Post Graduate Teaching Programme & workshop. He has undertaken a Research Project entitled "Clinicobacteriological Study of Empyema Thoracis with Special Reference to Role of Intercostal Drainage".

He has participated in the following academic events:

- 28th Annual Conference of the A.S.I. MP Chapter held on 11th to 13th Feb. 2011, at Cancer Hospital and Research Institute, Gwalior (M.P.).
- Laparocon 2011 (3rd Regional workshop on laparoscopy and endourology) held on March 26th - 27th 2011, held at Chitrakoot (M.P.).
- 71st Annual Conference of the Association of Surgeons of India, held on 25th to 30th Dec. 2011 at Cochin (Kerla).

He is hard working and has kind and sympathetic approach to the patient. To the best of my knowledge he is honest, dedicated to his work and bears good moral character.

M.S. (General Surgery) degree of this Institute is recognized by Medical Council of India.

I wish him all success in future.

Dr Rajendra Shewale worked from Jan 85 to Dec 87 under me in Department of Orthopaedics in B.J. Medical College & Sassoon General Hospitals, Pune. After completion of his residency during this period he appeared and obtained his M.S.(Ortho) qualification.

During his period of residency I found him a good, sincere, hardworking and conscientious Doctor. He had obtained all the necessary experience both clinical and operative. He was well experienced as one would expect. During period of residency his grasp is good and technically he has skilled hand and his Orthopaedics knowledge is sound. I wish him all the best in his future career.

CERTIFICATE

This is to certify that DR. JYOTIKA JAIN has worked as post-graduate student in the Department of Ophthalmology Gandhi Medical College, Bhopal from 19.8.89 to 18.8.92.

During the above mentioned period, she was assigned clinical, teaching and emergency duties. She has done the duties of a Resident Surgical Officer. She had the oppurtunity of assisting in major and minor operations and she can perform routine eye operations independently.

She has submitted her thesis entitled "Actiopathogenesis of Non-healing Corneal Ulcer" for M.S Ophthalmology Examination 1992 of Barkatullah University, Bhopal. She has passed her M.S. Examination in first attempt.

She has worked in various eye camps organised by Mobile Ophthalmic Unit of this department during her tenure.

She is diligent and sincere in her work and her moral conduct during her tenure was excellent.

I wish her all success in her career.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Dr. Annachhatre Ajita Suhrid worked in the Department of Anaesthesia at Narayana Hrudayalaya Hospitals, Bangalore from 14th March 2007 to 1st March 2011. Initially Dr Annachhatre worked as a "Clinical fellow" from 14th March 2007 to 3rd August 2008 and then continued as a DNB trainee from 4th August 2008 to 3rd August 2010. After DNB training she continued as a "Senior Registrar- II" at this institution up to 1st March 2011 & during this period she rotated in pediatric cardiac operating room (9 months) & in adult cardiac intensive unit (3 months).

Narayana Hrudayalaya (NH), though started as a tertiary care referral heart hospital, is presently a leading super-speciality health care provider located in Bangalore, South India. With bed strength of 2400, the hospital is equipped with 24-state-of-the-art operating rooms and 4 cardiac catheterization laboratories. The surgical services provided in this hospital include cardiac, neuro-surgical, general, peadiatric, ophthalmic and urologic surgery. NH is projected to establish a Health City to cater to all sub-specialties of medical care under one roof. NH is staffed by highly experienced team of anaesthesiologists, intensivists, cardiac surgeons, cardiologists, neurosurgeons, neurologists, gastroenterologists, nephrologists, radiologists, and diagnostic specialists to cater to the requirements of delivering quality health care to the public.

During her stay here, Dr. Ajita gained considerable clinical skills to efficiently manage and provide anaesthesia for all kinds of surgical patients. She is a hard working and sincere anaesthesiologist who did not spare her-self when it came to the matter of patient care.

Dr. Ajita has a pleasant personality and got along very well with all members of the team. Her conduct and behavior has been good.

I wish her a bright future.

To Whomsoever This May Concern

Re: *Dr Prasanna S Mishrikotkar*

This is to certify that Dr Prasanna Mishrikotkar was a visiting fellow in the Department of Diagnostic Radiology & Organ Imaging, Prince of Wales Hospital from 12-23 December 2005.

All of us in the department found Dr Mishrikotkar to be very experienced and he was able to share his significant knowledge of ultrasound with members of the department. During his attachment in the department, in addition to routine ultrasound Dr Mihrikotkar was also exposed to the various specialist sessions in Head & Neck, Musculoskeletal, Vascular and Paediatric ultrasound. He was always punctual, polite, eager to learn and actively contributed his knowledge and experience during these sessions.

Dr Mishrikotkar has a keen academic interest and participated in the academic activities of the department. He lectured on ultrasound at the department meeting and the topics included;

-Fetal Physiology of Compensation in IUGR
-Orbit Ultrasonography

Dr Mishrikotkar is a generous teacher and colleague and contributed his interesting cases to the department's ultrasound imaging library, for which the department is very grateful.

Personally it was a pleasure having him here and I wish him all the success in his career. He will be an asset to any department he chooses to work in.

Thanking you.

Yours sincerely,

Anil Ahuja

TO WHOMSOEVER IT MAY CONCERN

As a teacher of **Dr. Vikas Shinde**, I have had the pleasure of knowing him for 4 years (2013-2017). During the tenure of his residency, he has shown his interest in learning radiology, compassion towards patients and enthusiasm to teach juniors.

He has learned the necessary skills in radiology, particularly conventional radiology, ultrasonography, CT, MRI and basic interventional procedures. He also underwent one month rotational posting in nuclear medicine. He is good with handling emergency cases pertaining to radiology.

His dedication toward academics was impressive. He has presented posters in national conferences. He made every effort to reach his goals. He also made honest attempts to improve himself in areas where he was lagging.

Added to his academic excellence, he is sincere, calm, friendly, polite and hard working student. He gets well with everyone gradually and is a good team player. He has a unique creative mind which always explores his surroundings.

I am confident that he will continue his passion and enthusiasm further. I highly recommend him without reservation for any higher post for which he might apply in future. Hereby I wish the best luck for all his future endeavours.

If you wish to know anything more about him, please feel free to contact me on email.

Sincerely,

TO WHOMSOEVER IT MAY CONCERN

It gives me great pleasure to write this testimonial for DR. SUHAS SHRIRAMRAO RAVIKAR. He passed his M.D. in November, 1988 from Aurangabad Medical College and has worked in the Department of Nephrology in Jaslok Hospital from January, 1987 to February, 1989. He joined my department on September 22, 1989 and has been working as a lecturer. I find him to be an intelligent and hard working physician well versed with dialysis techniques. He is apable of running a dialysis unit very well on his own. He has also received training in Kidney Transplant. He has excellent bedside manners and speaks and writes English fluently. He bears a good moral character.

In summary I find him a good budding young Nephrologist about to embark on his career. I wish him all success.

EXPERIENCE CERTIFICATE

This is to certify that **Dr. PATIL ANURADHA JAGDISH**, was a DNB Post Graduate student of the National Board of Examinations for training in Plastic Surgery in the Department of Plastic, Hand and Reconstructive Microsurgery at Ganga Hospital, Coimbatore from December 2005 to December 2010.

During this period she had the opportunity to observe and participate in the management of major limb injuries, microsurgical salvage of mutilated hands & limbs and an insight into the philosophy of this department in taking care of trauma patients. She also had good training in general plastic surgery.

Later she worked in the Department as a Registrar in Plastic Surgery from December 2010 to January 2012. During this period of work, she was sincere and hardworking. It was a pleasure having her with us and I sincerely hope that this exposure would help her to deliver better care of her patients.

We wish her all the best in her future career.
