## BACKGROUND

- Kerala state has 44 rivers. All 80 dams across the state had released excess flood waters (with Idukki arc dam, one of the biggest in Asia opening its gates after 26 years) due to heavy rainfall.
- The resulting floods have affected 13 out of the total 14 districts of Kerala. This year's floods have been described as once in a 100-year event by media.
- Since the start of the monsoon, in Kerala alone, 324 lives were lost, 220,000 people were left homeless, 2.8 billion US dollars in economic losses with more than 10,000 kilometers of roads damaged, 223,139 people sheltered in 1,500 relief camps.
- The state has received 41 per cent in excess of the normal rainfall for every year, which is in stark contrast to 8 per cent below average for the rest of the country.
- The rail and road connectivity had been severely hit.
- Amongst all Alappuzha, Kottayam, Pathanamthitta, Ernakulam, Wynand & Idukki districts continue being the worst affected.
- All 14 districts of the state were placed on red alert and Indian government had declared a Level 3 calamity.

## Kerala Flood Extent

**Kerala 2018 Floods – A state of disarray & shock**

**Initiative:**

- MGM Trust
- MGM Institute of Health Sciences (MGMIHS)

**• Execution:**

- Dean, MGM Medical College, Navi Mumbai
- Department of Community Medicine

**• In the wake of unprecedented floods in Kerala, Mahatma Gandhi Mission Medical College planned to provide relief for the disaster stricken state with the help of a team of doctors, nurses and paramedical staff led by the Department of Community Medicine in association with other Departments, Medicine, Pediatrics & Geriatrics & MGM Hospital, Kamothe & School of Nursing.**

**• Strategy:**

**The mission was relief-focused, providing the affected population, especially those who are displaced, with essential medical care.**

- The team covered Alappuza (Alleppey) district with special focus on Chengannur and nearby area.
- The Relief Mission focused on the following activities:
  - Screening affected population and treatment of common ailments
  - Conducting health promotion and disease prevention activities
  - Supporting health administration & conducting situational Assessment.

## Health Education at Camp and Community

*Visit to camp by Kerala State Government Nodal Officer*

Dr. Shreehari, Kerala State Government nodal health functionary visited our camp at Puliyoor with team of local health staff on 26<sup>th</sup> August. He had shown immense interest in our activities and took feedback from us about our findings and gave necessary instructions to local staff for corrective measures and support. He appreciated work of our team.

Document	Daily Activity Report – Day 8
Date of Report	1 <sup>st</sup> September 2018
Date of Activity	31 <sup>st</sup> August 2018
Activity	Debriefing to Government Officials
Place	Alappuzha
Events	Travel from base camp at Kayamkulam to Alappuzha
	Meeting with District Health Officials
	Meeting with District Health Officials took place at District Health Office. Copy of preliminary summary report about the work done was provided to them. The surplus stock of Medicine remaining with us was handed over to the District Health office for free use of flood affected population. We thanked the district team for all the cooperation received from local health functionaries. Dr. Radhakrishnan could not attend the meeting due to his work priorities in the field.
	Meeting with District Collector
	Shri Suhas S. District Collector, Alappuzha listened to our feedback intently. We provided him copy of summary report and the booklet depicting role and activities of Department of Community Medicine of MGM Medical College. Honourable Collector appreciated our work.
	Return Travel to Navi Mumbai by Train in the evening

*(31<sup>st</sup> August, 2018) Meeting with Alappuzha District Collector Shri Suhas S.*

(For each Morbidity – 1st Row: Number, 2nd Row: Percentage, Total may exceed 100% as Multiple Response)

- ❖ It was noted that number of cases of Gastro Intestinal Complaints of diarrhea and vomiting were rising in Puliyoor camp. It was brought to the notice of local health functionaries that as the population screened were staying in Relief Camp since 16<sup>th</sup> August there was an urgent need to look into the water and sanitation and personal hygiene and the food handler's cleanliness practices. Health education on hand hygiene was given in special session to camp population. List of patients suffering from loose motion and vomiting was handed over to health functionaries.
- ❖ House to house visit to create awareness about water borne infections and use of Oral Rehydration Solution. Health Education was provided to all people screened.
- ❖ Patients requiring hospitalization were transferred to higher medical care centre with help of National Health Mission ambulance – 108
- ❖ Many Hypertensive & Diabetic patients had their medication and prescriptions. To reinstate them on treatment would require longer follow-up, Such cases were brought to the notice of local health functionaries.

## Morbidity Pattern in Flood Affected Areas

## Support in organizing camps

1. Pentacostal Young People's Association – 25<sup>th</sup> & 26<sup>th</sup> August
2. Sevabharati – 27<sup>th</sup> to 30<sup>th</sup> August
3. Government Health Functionaries – Always

**Dr. Shaba Thomas**  
Mission Coordinator

**Dr. Prasad Waingankar**  
Team Leader – MGM Kerala Flood Relief Mission

## The Experience

**6 Field DAYS**

**11 HEALTH CHECK UP CAMPS**

**1246 PATIENTS SCREENED**

### Activities

- Health Checkup Camps
- IEC activities
- House to house visits
  - ORS Sachet distribution
  - Prophylactic Medication distribution

..... **My Thoughts**

*Kerala witnessed massive flood and landslide after 1924. The disaster claimed many lives, agricultural land and houses due to the landslide. It was classified as a level 3 disaster, that is the state may not have the capacity to respond adequately and needs assistance from outside. MGM Medical College decided to reach out to the people of Kerala under the directives of MGM trust. We formed a medical team of fourteen members which had 6 doctors, 7 nursing staff and a welfare clerk. Dr Prasad Waingankar, Professor and Head of the Department Community Medicine, was our team leader and I, Dr Shaba Chinnu Thomas, Junior Resident, Community Medicine, was the mission coordinator.*

*It was in fact a great experience for me coordinating the activities here at MGM as well as in Kerala. Inexperienced as I was and had no clue about the task which was assigned to me as I was going to work first time as Public Health Expert to respond the natural calamity, though having theoretical knowledge about it.*

*However, a strong leadership, the support of my team members, Dean sir, MGM institute and my family helped me in making the necessary arrangements for the relief activities. The camps were organized in Alappuzha District for a period of 6 days in coordination with Pentecostal Young People Association and Seva Bharathi. We had the support from both the organizations for the entire length of our stay in Kerala. The arrangements for the stay of the medical team, transportation and the actual arrangements at the camp site was taken care of by the organizations. We also had the support from the district administration.*

*Team had worked in those areas where the people were most affected by the flood and medical help had not reached. It was in fact sorrowful to see the misery of the people and the after effects of the disaster. In addition to the health check-up, health educational activities, house to house visits were also carried out. Hope that state of Kerala soon come out of this grim situation.*

**Dr. Shaba Thomas, Mission Coordinator**  
**Resident Medical Officer, Community Medicine**

## *Kerala – The Journey*

*This experience was all about witnessing stories of heroism, courage, empathy, common sense, quick thinking and above all humanity!!!! A team of 14 dynamic specialist doctors, nurses and paramedical staff began their journey to Kerala with the active support of our trustees and institution with the sole purpose of working for the flood-stricken victims.*

*We were engaged in a host of activities like conducting medical relief camps, distributing ORS sachets, house to house visit and provision of Doxycycline prophylaxis as well as multiple health education sessions both at individual and mass level.*

*The happiness with which people welcomed us gave the extra zeal to work for them. 6 Days → 11 Health Relief Camps → 1246 patients – This was our humble contribution to this massive disaster. Local volunteers were always keen to help, and resources came pouring in from all sources. There were multiple incidents during this journey that highlighted the resilience of the people!*

*As I call it “Spirit of Kerala” - true to the Indian tradition of “Atithi Devo Bhava”, we were warmly welcomed at a relief shelter camp, in a difficult situation, with a lip-smacking meal on the joyous occasion of Onam. This warm gesture touched us, and it did highlight that life is all about living those small moments even when we are left with a bare minimum!*

*We as caregivers had tons of learning experience which were not mere medical experiences but life lessons. This memory will forever be etched as a wonderful learning exercise to a budding public health expert with the added real hand experience with the service mission!!!*

**Dr. Sneha P Kotian, Team Member**  
**Resident Medical Officer, Community Medicine**

**LETTER OF APPRECIATION**

The District Administration Alappuzha expresses our appreciation for the contributions made by the team of doctors, nurses and paramedical staff from Mahatma Gandhi Mission Medical College Navi Mumbai, constituent college of MGM Institute of Health Sciences (Deemed University). We sincerely appreciate your service and contribution in conducting health camps during the disaster affected phase of Kerala for the flood victims from 25<sup>th</sup> August to 30<sup>th</sup> August 2018.

I am sure that your initiative to reach out in difficult areas and serving the flood affected population to provide free medical care and essential medications will help them to recover and lead a healthy life while combating this natural calamity.

**The team comprised of the following members:**

## एमजीएमचे डॉक्टर सरसावले

म. टा. वृत्तसेवा, पनवेल

कामोठे येथील महात्मा गांधी मिशन अर्थात एमजीएम हॉस्पिटलचे दहा डॉक्टरांचे वैद्यकीय पथक गुरुवारी केरळला रवाना झाले. केरळमध्ये आलेल्या महापुराच्या नैसर्गिक आपत्तीचा सामना करण्यासाठी एमजीएमने सामाजिक भावनेतून या पथकाला केरळला पाठवले आहे.

केरळ राज्यात अतिवृष्टीमुळे अनेक ठिकाणी महापुराची परिस्थिती निर्माण झाली. सरकारी माहितीनुसार शेकडो लोकांचा मृत्यू झाला आहे. पूरस्थितीनंतर अनेक ठिकाणी रोगराई पसरण्यास सुरुवात झाली आहे. लाखो नागरिकांना सुरक्षित ठिकाणी हलवून सरकारी छावण्यांमध्ये त्यांच्यासाठी अन्नधान्याची, उपचाराची सोय करण्यात आली आहे. अशा संकटकाळात मदतीचा हातभार लागावा, या सामाजिक जाणिवेतून महात्मा गांधी मिशन ट्रस्टचे संचालक, विश्वस्त डॉ. नितीन कदम यांच्या मार्गदर्शनाखाली दहा जणांचे वैद्यकीय पथक औषधे आणि इतर सामग्रीसह तेथील पूरग्रस्तांवर उपचार करण्यासाठी गुरुवारी केरळ येथे रवाना झाले आहे. पूरग्रस्त नागरिकांना वैद्यकीय मदत पुरवण्याचे काम ते करणार आहेत.

## Proposal: MGM Kerala Flood Relief Mission

### Background

Kerala is fighting to stay afloat in what is seen as the century's worst flood in the state. All 14 districts of the state have been placed under red alert after the rise in flood waters in Periyar river due to the incessant rains in August'18 and opening of the shutters of all major dams. The rail and road connectivity has been severely hit. There have been more than 20 instances of roads being washed away due to severe flooding; railway lines and more than a dozen stations are submerged; Kochi airport's runway remains inundated. Amongst all populations in Alapuzha, Pathanamthitta, Kottayam, Ernakulam, Wynadu & Idukki districts continue being the worst affected.

### Situational Analysis

Kerala state has 44 rivers. All 80 dams across the state had released excess flood waters (with Idukki arc dam, one of the biggest in Asia opening its gates after 26 years) due to heavy rainfall over the past 20 days. The resulting floods have affected 13 out of the total 14 districts of Kerala. This year's floods have been described as once in a 100-year event by media. Since the start of the monsoon, in Kerala alone, 324 lives were lost, 220,000 people were left homeless, 2.8 billion US dollars in economic losses with more than 10,000 kilometers of roads damaged, 223,139 people sheltered in 1,500 relief camps. The state has already received 41 per cent in excess of the normal rainfall for every year, which is in stark contrast to 8 per cent below average for the rest of the country. Most of the areas currently affected by the floods are not accessible for a detailed assessment of the situation, which would be much worse as per the media reports.

### Proposed MGMIHS Initiative

Incessant rainfall and heavy flooding have destroyed large parts of Kerala, leaving many persons stranded. People from all walks of life are engaged in efforts to provide relief to those affected by the floods. The Cabinet Secretary during NCMC meeting has also urged people to provide all possible assistance to Kerala for the relief & rescue operations. In the wake of unprecedented floods in Kerala, the Department of Community Medicine of Mahatma Gandhi Mission Medical College, Navi Mumbai proposes to provide aid for the disaster stricken state with the help of a team of doctors and paramedical staff in association with other departments.

### Emergency Plan of Action

#### **Proposed Strategy:**

The mission shall be relief-focused, providing the affected population especially those who are displaced with essential medical care. The team plans to cover Alappuza (Alleppey) district with special focus on Chengannur and nearby area which has approximate population of 2,00,000.

The Relief Mission will focus on the following activities:

- ✓ Distribution of relief items to the affected households.
- ✓ Screening affected population and treatment of common ailments
- ✓ Conduct health promotion and disease prevention activities
- ✓ Support health administration and conduct situational assessment

#### **Action Area:**

**Travel Plan:**

We plan to cover the distance by train. A vehicle need to be hired for local travel.

**Duration:**

The duration of the relief activity period would range from 5 to 7 days excluding travel period.

**List of Team Members:**

SN	Name	Name of Dept	Designation	Phone Number
1.	Dr Prasad Waingankar	Community Medicine	Prof & Head	9324714313
2.	Dr Shaba C Thomas	Community Medicine	Junior Resident-2	9846077871

Indian healthcare industry has witnessed tremendous growth in the last decade or so. Indian doctors have always been valued. However in the recent past, many world class hospitals were set up by many top corporates with best infrastructure to offer world class medical care in India. This has given major boost to medical tourism as many people from other countries found that they could get top class health care in India. Against this backdrop, many options have come up for patients. However, there

Indian healthcare industry has witnessed tremendous growth in the last decade or so. Indian doctors have always been valued. However in the recent past, many world class hospitals were set up by many top corporates with best infrastructure to offer world class medical care in India. This has given major boost to medical tourism as many people from other countries found that they could get top class health care in India. Against this back drop, many options have come up for patients. However, there

find it difficult to decide which hospital to choose for which ailment. It is in this context, OMS, a division of Times Group, took the initiative to start a system of ranking top hospitals in India in various specialities and thereby help people make informed choices. The rankings also serve as great motivation for various brands to further enhance their facilities and care, which leads to even better healthcare services in India.

### LETTER OF APPRECIATION

The District Administration Alappuzha expresses our appreciation for the contributions made by the team of doctors, nurses and paramedical staff from Mahatma Gandhi Mission Medical College Navi Mumbai, constituent college of MGM Institute of Health Sciences (Deemed University). We sincerely appreciate your service and contribution in conducting health camps during the disaster affected phase of Kerala for the flood victims from 25<sup>th</sup> August to 30<sup>th</sup> August 2018.

I am sure that your initiative to reach out in difficult areas and serving the flood affected population to provide free medical care and essential medications will help them to recover and lead a healthy life while combating this natural calamity.

#### The team comprised of the following members:

1. Dr. Prasad Waingankar, MD Community Medicine (Mission leader)
2. Dr. Shaba Chinnu Thomas, Resident Medical Officer, Community Medicine (Mission co-ordinator)
3. Dr. Varsha Reddy, Assistant Professor, MD Geriatric Medicine
4. Dr. Sneha Pratap Kotian, Resident Medical Officer, Community Medicine
5. Dr. Shivakami A, Resident Medical Officer, Paediatrics
6. Dr. Nevin Sabu Thomas, Resident Medical Officer, General Medicine
7. Rojees Rajan (Nursing Supervisor)
8. Ujawala Chorghhe, Nursing Staff

## अवयवदानाला उपराष्ट्रपतींची कौतुकाची थाप

औरंगाबादमधील पहिला अवयवदाता राम मगर यासह इतर दात्यांच्या कुटुंबीयांचा उपराष्ट्रपती भवनात सत्कार

म. टा. प्रतिनिधी, औरंगाबाद

मराठावाडा व खांदेसाठी पहिले अवयवदान शहरामध्ये १५ जानेवारी २०१६ रोजी झाले. या वेळी समग्रात पहिल्यांदा अवयवदान करणाऱ्या दाता राम मगर यासह इतर दात्यांच्या कुटुंबीयांचा गौरव उपराष्ट्रपती एम. व्यंकय्या नायडू यांच्या हस्ते दिल्लीतील उपराष्ट्रपतीभवनत नुकताच झाला. या प्रसंगी उपराष्ट्रपतींनी दात्यांच्या पाठीवर कौतुकाची थाप दिली आणि अवयवदानाच्या जनजागृतीसाठी पुढाकार घेणाऱ्या औरंगाबाद 'झेडटीसीसी'चे प्रत्यारोपण समन्वयक मनोज गाडेकर यांनाही गौरवले.

'माय मेंडिकल मंत्रा' या वेब पोर्टलच्या वतीने आयोजित कार्यक्रमाला हा सत्कार सोहळा झाला. या निमित्ताने महाराष्ट्र राज्यातील नऊ दात्यांच्या कुटुंबीयांचा सत्कार करून

अवयवदात्यांच्या कुटुंबीयांशी उपराष्ट्रपती व्यंकय्या नायडू यांनी संवाद साधला.

त्यांना उपराष्ट्रपतींच्या हस्ते मानपत्र व स्मृतीचिन्ह देण्यात आले. या कार्यक्रमाला बॉबे हॉस्पिटलचे मूर्गण्डिकारतज्ञ डॉ. श्रीराम विष्णू, 'माय मेंडिकल मंत्रा'चे संतोष

आंधळे आदींची उपस्थिती होती. औरंगाबादमध्ये पहिल्यांदा अवयवदान करून इतिहास रचणाऱ्या राम मगर या बुलडाणा येथील तरणाटी आई मंदबाई मगर तसेच शहरातील इतर दात्यांचे कुटुंबीय प्रदीप गवडे, निशांत कासलीवाल,

ज्योती पाटील, विक्रम पाटील यांना या कार्यक्रमातही गौरविण्यात आले. त्याचवेळी राज्यातील इतर दात्यांचे कुटुंबीय मासिन्या प्राप्तिरसू, विजु कोरेगु, धनेजय खाकरकर, सुरेश डिसुजा यांनाही सत्कार झाला. यानिमित्ताने उपराष्ट्रपतींनी

दात्यांच्या कुटुंबीयांशी मनसोक्त संवाद साधला. या कार्यक्रमासाठी औरंगाबाद 'झेडटीसीसी'चे अध्यक्ष सुधीर कुलकर्णी यांनी विशेष प्रयत्न केले.

अवयवदान हाच मानवधर्म कार्यक्रमात 'अवयवदान हीच

पावणेदोन वर्षात ६० अवयवांचे दान

'मराठवाडा'त नोंदिलेले अवयवदान करून अनेकांना नवसंजीवनी देण्याचा आदर्श घालून देणारा २४ वर्षीय राम मगर यांची आई मंदबाई मगर या कार्यक्रमात म्हणाल्या, 'आम्हाला अवयवदानाविषयी काहीही माहिती नव्हती आणि आमच्या कुटुंबातील सदस्य खूप काही शिकलेली नाहीत. माज डॉक्टर व इतरांनी समुपदेशन केल्यानंतर अवयवदानाचा निर्णय घेतला,' असेही सांगितले.

'झेडटीसीसी'चे प्रत्यारोपण समन्वयक मनोज गाडेकर यांनाही यावेळी गौरविण्यात आले.

समुपदेशनामुळे घेतला निर्णय...

औरंगाबाद येथे पहिल्यांदा अवयवदान करून अनेकांना नवसंजीवनी देण्याचा आदर्श घालून देणारा २४ वर्षीय राम मगर यांची आई मंदबाई मगर या कार्यक्रमात म्हणाल्या, 'आम्हाला अवयवदानाविषयी काहीही माहिती नव्हती आणि आमच्या कुटुंबातील सदस्य खूप काही शिकलेली नाहीत. माज डॉक्टर व इतरांनी समुपदेशन केल्यानंतर अवयवदानाचा निर्णय घेतला,' असेही सांगितले.

## लाखभर नागरिक अवयवदानास सज्ज

म. टा. प्रतिनिधी, औरंगाबाद

मागच्या दोड-पावणेदोन वर्षांपासून औरंगाबाद शहरात सुरू झालेल्या अवयवदान मोहिमेत आतापर्यंत १३ जैन डेड रुग्णांनी हृदय, यकृत, मूत्रपिंड, बुबुळ आदी ४५ अवयवांचे दान केले आहे; शिवाय तब्बल दोड लाखापेक्षा जास्त नागरिक अवयवदानासाठी इच्छुक असून, त्यांनी 'झेडटीसीसी' फॉर्म, वेगवेगळ्या शासकीय-खासगी रुग्णालयांमार्फत अवयवदानाचे फॉर्म भरले आहेत. काहींनी 'नोटो'च्या वेबसाईटवर अवयवदानाची नोंद करून अवयवदानाची इच्छा व्यक्त केली आहे. फॉर्म भरले म्हणजे अवयवदान झालेच, असे नसले तरी नागरिक अवयवदानासाठी इच्छुक आहेत आणि त्यांची अवयवदानाची सुसंगत नातेवाईकांना सर्वशुद्ध होऊन वेळ आल्यावर त्यांची अखेरची इच्छा पूर्ण होण्याची शक्यता नक्कीच वाढते, असेही मानले जात आहे.

मागच्या वर्षी कार्यक्रमानिमित्त आलेले प्रसिद्ध अभिनेते नाना पाटेकर व मकरंद अनासपुरे यांनीही अवयवदानाचे फॉर्म भरले.

वेगवेगळ्या कंपन्यांमध्ये जनजागृती

सद्यस्थितीत काही औद्योगिक कंपन्यांमध्ये अवयवदानाविषयी जनजागृती केली जात असून, अवयवदानाची शास्त्रशुद्ध माहिती देणे, शंकांचे निरासन करणे, अवयवदानाचे काई वाटप करणे, फॉर्म भरून घेणे किंवा 'नोटो'च्या वेबसाईटवर नोंद करण्यास प्रोत्साहन देणे, असे विविध उपक्रम हाती घेण्यात आले आहे, असे ट्रान्स्प्लान्ट को-ऑर्डिनेटर मनोज गाडेकर यांनी 'मटा'ला सांगितले.

एखाद्या व्यक्तीने अवयवदानाचा फॉर्म भरला म्हणजे संबंधित व्यक्तीने अवयवदानाची इच्छा प्रकट केली आहे आणि अशी इच्छा फॉर्मच्या किंवा 'डोनर कार्ड'च्या निमित्ताने संबंधितांच्या नातेवाईकांना स्पष्ट झाल्याशिवाय राहात नाही. त्यामुळे तशी वेळ आल्यास नातेवाईकांना अवयवदानाचे स्मरण राहू शकते किंवा अवयवदानाबाबत सुचविल्यास नातेवाईकांची तशी मानसिकता तयार होऊ शकते. त्यामुळे फॉर्म भरणे-भरून घेण्यातून जनजागृती नक्कीच होत आहे.

- डॉ. सुधीर कुलकर्णी, अध्यक्ष, जेडटीसीसी

मागच्या वर्षी म्हणजेच १५ जानेवारी २०१६ रोजी मराठवाडा-विदर्भ-खांदेसाठी पहिले अवयवदान औरंगाबादेत झाले आणि त्या दिवसापासून अवयवदानाविषयी मोठ्या प्रमाणावर सकारात्मक वातावरण तयार होण्यास सुरुवात झाली. त्याच सुमारास स्थापन झालेल्या 'झोनल ट्रान्स्प्लान्ट को-ऑर्डिनेशन कमिटी'मार्फतही (झेडटीसीसी) अवयवदानाचा प्रचार-प्रसार सुरू झाला. मराठवाडा-विदर्भ-खांदेसाठी पहिला अवयवदाता राम मगर याच्या अवयवदानानंतर हॉटेल रामा इंटरनॅशनल येथे झालेल्या अवयवदात्यांच्या कुटुंबीयांच्या

सत्कारावेळी अवयवदानाविषयी खास कार्यक्रम घेण्यात आला होता. त्यावेळी अवयवदानाविषयी इत्यंभूत माहिती देण्यात आली होती. त्यानंतरही वेळेवेळी विविध शाळा-महाविद्यालयांमधून तसेच

वेगवेगळ्या कार्यक्रमांच्या निमित्ताने अवयवदानाविषयी जनजागृती करण्यात येत आहे. शासकीय स्तरावरील मागच्या एकात्रित परिणाम म्हणून आतापर्यंत वर्षांपासून महाअवयवदान उपक्रम राबविण्यात येत आहे, अलीकडे प्रत्येक अवयवांचे दान झाले आहे.

मुंबई, पुणे, बुलडाणा, औरंगाबाद भागातील कुटुंबीयांचे अवयवदान करणाऱ्यांचा सत्कार

प्रतिनिधी : नवी दिल्ली

अवयवदान हीच मानवसेवा आणि हाच मानवधर्म आहे. अशा शब्दात उपराष्ट्रपती व्यंकय्या नायडू यांनी अवयवदानाचे महत्त्व लक्षात घेता यावे लागते असेही आहे असे माज व्यंकय्या नायडू यांनी म्हणले. यावेळी उपराष्ट्रपतींनी दिल्लीत आयोजित झालेल्या कार्यक्रमांतर्गत दिल्लीत अवयवदान करणाऱ्या व्यक्तींना सत्कार नगद ५०००० रुपये देण्यात आला. त्यावेळी ते बोलत होते.

उपराष्ट्रपतींनी हजेरे कुटुंबीयांचे अवयवदान करणाऱ्या ९ व्यक्तींचा उपराष्ट्रपती भवनत सत्कार करण्यात आला. हे कुटुंबीय महाराष्ट्रातील मुंबई, पुणे, बुलडाणा आणि औरंगाबाद भागातील होते. अवयवदान करणाऱ्या व्यक्तींना नायडू यांनी 'तुमी पर चान्गल निवन चेल्वा' अशा शब्दांत कौतुकाची थाप दिली. तसेच माय मेंडिकल मंत्र्या अवयवदान मोहिमेत पाठिंबा देणाने, आय सपोर्ट ऑन डॉनेशन व पोस्टवर त्यांनी स्वागतार्थी

## अवयवदान हीच मानवसेवा, हाच मानवधर्म : व्यंकय्या नायडू

कुटुंबीयांचे अवयवदान करणाऱ्यांचा सत्कार करताना उपराष्ट्रपती व्यंकय्या नायडू.

सल्लागार किडनीविकारतज्ञ डॉ. श्रीराम विष्णू आणि औरंगाबादच्या बुलडाणाच्या ज्योती पाटील, पुण्याचे विक्रम देशमुख, मासिन्या प्राप्तिरसू आणि मुंबईचे विजु कोरेगु, धनेजय खाकर आणि सुरेश डिसुजा यांचा उपराष्ट्रपतींच्या हस्ते सत्कार झाला. तसेच त्यांना स्मृतिचिन्ह आणि मानपत्र देण्यात आले. यांचे रुग्णालयाचे आणि अपेक्ष विडनी फाउंडेशनचे

समुपदेशन केल्यानंतर आम्ही यांना शोभार दिले. अवयवदानाद्वारेच मोहिमेत आता सुरू राहिले, अशी यावी उपराष्ट्रपतींनी माय मेंडिकल मंत्रातर्फे देण्यात आली. अवयवदानाचे महत्त्व सांगताना स्मृतिचिन्ह आणि वेबसाईटवर नायडू देण्यात आले. वेबसाईटवर संपादक संतोष आंधळे, पुण्याचे मासिन्या प्राप्तिरसू यांनी मनोगत व्यक्त केले.

अवयवदानात महत्वाची भूमिका बजाविणाऱ्या डॉक्टरांचा मटा राउंड टेबलमध्ये सत्कार करण्यात आला.

ऑरंगाबादहून मुंबईतील स्कीबल हॉस्पिटलमध्ये झालेले पहिले 'कॅडेजर ट्रान्स्प्लंट' यवर्षी झाल्याबद्दल 'मय'च्या कार्यालयात संपूर्ण टीमचा रविवारी गौरव करण्यात आला. या प्रसंगी ज्या रुग्णालयातून राम मगर या तरुणाने विविध अवयव काढण्याची शस्त्रक्रिया झाली, त्या पुनरुपट्टित विम्या हॉस्पिटलचे मुख्य वैद्यकीय संचालक डॉ. उमेश टाकळकर व ज्या रुग्णालयातून राज्या विविध अस्पताले दान कार्यक्रमाचा निर्णय झाला व सर्व यंत्रणा हलली. त्या प्रसंगी हॉस्पिटलचे वैद्यकीय संचालक डॉ. आर्जुन निकोडकर यांच्या हस्ते 'स्कीबल'चे प्रथम प्रत्यारोपण विम्याचे मुख्य शस्त्रचिकित्सक डॉ. रवी मोहंकर, लिबरर रेडिफिकेट डॉ. वैशाली सोलव, कार्डिओलॉज डॉ. पारिजात पुणे यांचा गौरव करण्यात आला. या वेळी एमबीबीएस वैद्यकीय महाविद्यालय व रुग्णालयाचे उपअभिप्रेता व लॅंग्वेजोफिक सर्जन डॉ. प्रवीण सूर्यवंशी, तर शहरातील पहिल्या 'कॅडेजर ट्रान्स्प्लंट'च्या समन्वयाची मालवती भूमिका पार पाडलेल्या व 'झेडटीसीसी'चे निवेशित अध्यक्ष डॉ. सुधीर कुलकर्णी यांची प्रमुख उपस्थिती होती.

**'Surgeons should go for robotic surgeries'**

LOKMAT NEWS NETWORK  
AURANGABAD, JULY 15

hosted jointly by the Association of Minimal Access Surgeons of India (AMASI), Aurangabad Surgical Society and MGM Medical College on Saturday.

Vice-chairman of MGM, Dr PM Jadhav, Pratap Borade, Dr Dilip Gode, Dr Pratap Varude, dean of MGM Medical College and Hospital Dr Ajit Shroff, dean Dr Kajendra Bohra, secretary of the organising committee, Dr Pravin Suryavanshi, president of AMASI Dr Tanomas Choudhary, Dr Suresh Hari, Dr Raj Patankar, president of Aurangabad Surgical Society Dr Ujjwala Dahiphale and secretary Dr Kedar Sane were present.

Dr Kadam said that laparoscopic surgery was costlier, so doctors should make efforts to take modern treatment facilities to each unit of the world. He said that he had heard and was impressed with the experiences of doctors in Robotic Surgery Conference held in Mumbai recently.

Dr Tanomas Choudhary said that laparoscopic surgery was important as patients who do physical work in the country, can go on job instantly.

Dr Dilip Gode said that modern technology should be used in operation theatres like we make changes in our homes. A live telecast of eight surgeries from operation theatres was done on the first day of the conference. Dr Suryavanshi, Dr Patankar and others performed the surgeries.

## 2 cadaver donations save six lives, heart flown to Chennai

G. Mohiuddin Jeddy  
@timesgroup.com

**NAVI MUMBAI:** Brain dead patients' relatives gave a new lease of life to six patients within a span of one week at MGM New Bombay hospital, Vashi, from March 23 to 27.

In the first case, Pandurang Kundalik, 42, a resident of Shiravane in Nerul, was admitted at the hospital after he was injured in a road accident on March 20.

He had met with an accident while riding his bike between Nerul and Belapur.

He was admitted with a critical head injury. Despite doctors' efforts to save him, he became brain dead.

The patient's wife, mother and brothers then decided to donate his organs to other patients suffering from kidney and liver diseases.

According to PK Sashanker, administrator of the hospital, "One kidney was given to a patient at our hospital and the other to a patient at Nanavati hospital. His liver was given to a patient at KEM hospital in Mumbai."

In the second case, 48-year-old Suresh Shinde, a resident of Kopar Khairane, was admitted at MGM hospital after being transferred from Satyam Hospital, Kopar Khairane on March 23. He had slipped and fallen inside his bathroom at home.

Sashanker said, "The patient had been having convulsions and was unconscious. He was diag-

One kidney was given to a patient at our hospital and the other to a patient at Nanavati hospital. His liver was given to a patient at KEM hospital in Mumbai.

PK SASHANKER, administrator,  
MGM New Bombay hospital

nosed as left Middle cerebral artery (MCA) stroke and was on a ventilator. He was declared brain dead by the hospital's brain stem death committee."

The patient's wife and brother later expressed their desire to donate his kidney, liver and heart so that they can save others' lives.

"We informed ZTCC (Zonal Transplant Coordination Centre) who initiated the process of allocating the organs to suffering patients registered with them," said Sashanker.

One kidney was donated to a patient at Jupiter hospital, Thane, liver was given to a patient at Global hospital in Mumbai, and the heart to a patient admitted to Fortis Malar Hospital in Chennai.

The heart was transported by a team of doctors from Chennai by air directly, by creating a green corridor from MGM hospital in Vashi to Mumbai airport on Tuesday, with the help of the police.

एमजीएममध्ये आठवड्यात दोन रुग्णांचे अवयव दान

## सहा जणांना मिळाले नवे जीवन

नवी मुंबई, दि. २९ (प्रतिनिधी) - आपल्या आप्ताच्या मृत्यूनंतरही दुसऱ्याचे प्राण वाचावेत यासाठी रुग्णांच्या नातेवाईकांनी घेतलेल्या पुढाकारामुळे एक, दोन नव्हे तर तब्बल सहा रुग्णांचे प्राण बचावले आहेत. त्यातील एक हृदय चेन्नईच्या फोर्टिस रुग्णालयात पाठविण्यासाठी वाशीच्या एमजीएम रुग्णालयापासून ते थेट विमानतळापर्यंत ग्रीन कॉरिडोर करण्यात

आला होता. तर किडनी व लिव्हर नानावटी, केईएम, ग्लोबल आणि ठाण्यातील ज्युपिटर रुग्णालयात पाठवून तेथील सहा रुग्णांना जीवनदान मिळाले आहे.

मोटरसायकलवरून पडल्यामुळे गंभीर जखमी झालेले सीवूड येथील पांडुरंग कुंडलीक यांना २० मार्च रोजी तर घरातील बाथरूममध्ये घसरून पडल्याने डोक्याला गंभीर दुखापत झालेले कोपरखैरणे येथील सुरेश शिंदे यांना २३ मार्च रोजी वाशी येथील एमजीएम

### रात्रंदिवस शस्त्रक्रिया

या दोन्ही रुग्णांच्या नातेवाईकांनी मोठ्या जड अंतर्करणाने अवयव दान करण्याचा निर्णय घेतला. त्यानंतर या दोन्ही रुग्णांचे अवयव यशस्वीरीत्या बाहेर काढणे आमच्यापुढे मोठे आव्हान होते. मात्र आमच्या शस्त्रक्रिया विभागाने रात्रंदिवस परिश्रम घेऊन ही मोहीम पार पाडली. हे सर्व अवयव यशस्वीरीत्या काढल्यानंतर त्यांचे सहा रुग्णांवर यशस्वी प्रत्यारोपण झाले आहे. ही गोष्ट आमच्या तज्ज्ञ डॉक्टरांचा उत्साह वाढविणारी आहे, अशी प्रतिक्रिया एमजीएमचे विशेष कार्यकारी अधिकारी पी. के. शशांकर यांनी व्यक्त केली.

रुग्णालयात दाखल करण्यात आले होते. उपचारादरम्यान या दोन्ही रुग्णांचा ब्रेन डेड झाला. त्यांच्या नातेवाईकांनी त्यांचे अवयव दान करण्याची इच्छा व्यक्त केली. त्यानुसार या दोन्ही रुग्णांच्या अवयवांचे दान करण्यात आले. त्यामुळे सहा रुग्णांचे प्राण वाचले.

## Two brain-dead patients give life to seven others

Sameera.Kapoor  
@timesgroup.com

**Navi Mumbai:** Two brain-dead patients, admitted to MGM Hospital at Vashi between March 20 and 27, have given a new lease of life to seven persons. Four kidneys, two livers and a heart were harvested and donated to patients undergoing treatment in different hospitals. The recipients included a cardiac patient awaiting heart transplant in Chennai.

The recipients benefitted from the timely allocation of organs by the Zonal Transplant Coordination Centre (ZTCC).

"This is the first time so many organs were harvested and donated in a span of six days after taking consent from the relatives and NOCs from the police," said hospital administrator PS Sashankar.

Both the kidneys and liver of the first donor, Pandurang Kundalik (42), a road accident victim were transplanted after the hospital declared him

### HEART FOR CHENNAI PATIENT

Kidneys and liver of Pandurang Kundalik (42), a road accident victim, were donated

The kidneys, liver and heart of Suresh Shinde (48) were also donated

A patient in Chennai got Shinde's heart

brain dead.

Suresh Shinde (48), admitted with a serious head injury caused following a fall in the bathroom, was also declared brain dead. Through ZTCC, both his kidneys and liver were donated, while his heart was transported all the way to Chennai. "A green corridor was created from MGM to Mumbai airport owing to which the organ could be handed over to the team of doctors from Chennai within 27 minutes," Sashankar said.

# गौरव श्रेष्ठदानाचा।

झेडटीसीसीतर्फे अवयवदात्यांच्या कुटुंबांचा सन्मान

म. टा. प्रतिनिधी, मुंबई

‘माझा मुलगा अनुप अपघातात जखमी झाला, शक्य ते सर्व उपचार केले. परंतु, डॉक्टरांनी तो ब्रेन-डेड झाल्याचे सांगितले. हा आम्हाला मोठा धक्का होता. तो नेहमी म्हणायचा, आपल्या कुटुंबात अवयवदान झालेच पाहिजे. त्यावेळी मला त्याचे शब्द आठवले... मी अनुपच्या अवयवांचे दान करण्याचा निर्णय घेतला... आज अनुप नाही, पण त्याच्या अवयवांच्या रूपाने अनेकांमध्ये अजूनही तो या जगात आहे...’

## या हॉस्पिटलांचे योगदान

- सेव्हन हिल्स, अंधेरी- १
- नानावटी हॉस्पिटल, विलेपार्ले- १

(आकडेवारी २७ मार्च २०१२ पासून २७ मार्च २०१३ पर्यंत)

या भावना आहेत अनुप वर्दम याच्या आईच्या! अवयव २७ वर्षांच्या तरण्यातल्या मुलाचे अवयवदान करणाऱ्या आईच्या एका डोळ्यात मुलगा गमावल्याबद्दल अश्रू असतात तर दुसऱ्या डोळ्यात कोणाला तरी जीवनदान दिल्याचे समाधान.

‘पत्नी जीवघेण्या अपघातात जखमी झाल्यानंतर तिची अवस्था कधीही सुधारणार नाही हे डॉक्टरांनी सांगितले, तेव्हा मी अवयवदानाचा निर्णय घेतला... त्यावेळी लोकांनी वेळ्यात काढले, तरीही मी निर्धार कायम ठेवला...’ वाशीचे अधिकारराव घाटील आठवणी सांगताना गहिबरले होते.

अशा अनेक कहाण्या. मार्च २०१२ ते २०१३ दरम्यान ब्रेन-डेड झालेल्या आपल्या प्रियजनांच्या अवयवांचे दान करणाऱ्या कुटुंबांच्या गौरवाचा ह्रद्य सोहळा ‘विभागीय प्रत्यारोपण समन्वय समिती’तर्फे (झेडटीसीसी) परळच्या केईएम हॉस्पिटलमध्ये झाला. किमान त्यांच्या अवयवांच्या रूपात ते या जगात आहेत त्याचा आम्हाला आनंद आहे, अशी भावना यावेळी सर्व दात्यांच्या कुटुंबियांनी व्यक्त केली.

एखादी व्यक्ती जिवंत असेपर्यंत तिच्या हृदयाचे पालन होऊ शकते. परंतु त्याच्या मृत्यूसमयी त्याचा निर्धार तडीस नेण्याचे घेव्य दाखवणारे नातेवाईक कीतुकास पात्र आहेत, अशा शब्दांत झेडटीसीसीचे अध्यक्ष डॉ. गुरुराव डावर यांनी दात्यांच्या कुटुंबांचा गौरव केला. यावेळी ‘अवयव प्रत्यारोपण प्रसारमाध्यमांची भूमिका’ या विषयावर यावेळी वर्चासत्रही झाले.

It is difficult to decide which hospital to choose for which ailment. It is in this context, OMS, a division of Times Group, took the initiative to start a system of ranking top hospitals in India in various specialities and thereby help people make informed choices. The rankings also serve as great motivation for various hospitals to further enhance their facilities and care, which leads to even better healthcare services in India.

An Advertorial, Health Promotional Feature

## ALL INDIA CRITICAL CARE HOSPITAL RANKING SURVEY 2018

Indian healthcare industry has witnessed tremendous growth in the last decade or so. Indian doctors have always been valued. However in the recent past, many world class hospitals were set up by many top corporates with best infrastructure to offer world class medical care in India. This has given major boost to medical tourism as many people from other countries found that they could get top class health care in India. Against this backdrop, many options have come up for patients. However, they find it difficult to decide which hospital to choose for which ailment. It is in this context, OMS, a division of Times Group, took the initiative to start a system of ranking top hospitals in India in various specialties and thereby help people make informed choices. The rankings also serve as great motivation for various brands to further enhance their facilities and care, which leads to even better healthcare services in India.

14	DY Patil Hospital, Mumbai	M
15	Salfee Hospital, Mumbai	M

Indian healthcare industry has witnessed tremendous growth in the last decade or so. Indian doctors have always been valued. However in the recent past, many world class hospitals were set up by many top corporates with best infrastructure to offer world class medical care in India. This has given major boost to medical tourism as many people from other countries found that they could get top class health care in India. Against this back drop, many options have come up for patients. However, they find

it difficult to decide which hospital to choose for which ailment. It is in this context, OMS, a division of Times Group, took the initiative to start a system of ranking top hospitals in India in various specialties and thereby help people make informed choices. The rankings also serve as great motivation for various brands to further enhance their facilities and care, which leads to even better healthcare services in India.

## **Scintillating students of MGM Medical College in the framework of Gandhian Values**

ReTHINK India is a Nationalist Think Tank, which nurtures a wide range of Communities of Practice engaging them around a vast spectrum of unique, innovative, interdisciplinary & incremental propositions powered by the deeper commitment and belief of the Founders to make them happen for larger excellence in national space.

Specialty Media Platform, which Nurtures various Communities of Practice through Analytical & Action Oriented Commentaries operating on the Interfaces of Academia - Industry – Government-Education , Economy Urban - Realty – Environment , Sports - Entertainment Tourism.

On commemorating 150<sup>th</sup> Birth Anniversary Year of father of the Nation Mahatma Gandhiji, Rethink India has organized online survey for Higher Education Institutes across all over India about Gandhian Values & its implication in the life of youth. About 100 students of MBBS III<sup>rd</sup> year have participated in this online survey and out of 100 students, 26 students were awarded appreciation certificate as “scintillating students in the framework of Gandhian Values.

The award function was held at Delhi on 11th of December 2018 between 2 pm - 5 pm at C.D. Deshmukh Auditorium, India International Centre, 40 Max Mueller Marg, New Delhi.

For this event, MGM Medical College has sent 2 MBBS students ( Miss Aishwariya Chavarkar & Mr. Mihir Bairat ) along with faculty coordinator Dr Madhavi Mankar, Associate Professor , Department of Community Medicine to attend the event . The faculty and students have been appreciated “as scintillating students in the framework of Gandhian Values” across all over India in Higher Education Institutes by Rethink India.

### **Guests of eminence present for this event were**

1. Dr Raghukari Dalmia
2. Dr Ashok Jain
3. Shri Satyaprakash Bharat
4. Prof Prem Vrat
