### **Books on Gandhian Thought**

Gandhi described much of his thought as mere common-sense. Gandhi's thought can be summed up in a few words: "The four words, truth, non-violence, Sarvodaya and Satyagraha and their significance constitute Gandhi and his teaching." These are indeed the four pillars of Gandhian thought. Keeping this in view, MGM Institute of Health Sciences (MGMIHS), (Deemed to be University) as well as its affiliated institutions/ colleges have acquired a number of books on Gandhian Thought in order to inculcate in the mind and soul of students with truth,

non-violence, sarvodaya and satyagraha. It is true that unfair practices or laws prevalent in society can be changed without hurting anyone through non-violent protest. A number of institutes/ colleges have been established under the umbrella of Mahatma Gandhi Mission Trust from time to time on Gandhian Philosophy and Thought with the aim to provide quality education by advancing knowledge in all fields of health science through meaningful and ethical research. The books such as, (i) Gandhi for 21<sup>st</sup> Century: The Science of Satyagraha, (ii) My Non-violence, (iii) My Religion, (iv) Selected works of Mahatma Gandhi: The Voice of Truth etc. available in the library holdings which depict on Gandhian thought explicitly.

### **Books in the Marathi Language**

Marathi is an Indo-Aryan language spoken predominantly by around 83.1 million Marathi people of Maharashtra, India. It is the official language and co-official language in the Maharashtra and Goa states of Western India, respectively, and is one of the 22 scheduled languages of India. With 83.1 million speakers in 2019, Marathi ranks 10th in the list of most spoken languages in the world. Marathi has the third-largest number of native speakers in India, after Hindi and Bengali. The language has some of the oldest literature of all modern Indian languages, dating back to around 600 AD. The major dialects of Marathi are Standard Marathi and the Varhadi dialect. Koli and Malvani Konkani have been heavily influenced by Marathi varieties. Since, a number of incumbents come across the country seek admission in various institutions/colleges of MGM for attending the undergraduate/postgraduate courses in various branches of medicine and allied sciences, super-specialty, etc., it is pertinent that these incumbents should be made familiar in Marathi language in order to facilitate them to learn art and culture of Maharashtra as well as get mix-up with the Marathi students. It will not only help them

in strengthening the brotherhood and developing the interpersonal relationship but would also provide them an opportunity to come over the language barrier. The library has in its collection about 57 books in the Marathi language such as; (i) *Gandhi Vichar Darshan Rajkaran*, (ii) *Volga Te Ganga*; (iii) *Shri Gadagemaharaj Gaurava Grantha*, and (iv) *Yashachi Gurukilhi*, etc.
