D.O.No.F. 16-3/2009-DL

Dear Sir / Madam,

Kindly refer to my D.O. letter No. 16-3/2009-DL dated 9<sup>th</sup> January, 2009 stating that the Cabinet Committee on Economic Affairs has approved a centrally sponsored scheme called "National Mission on Education through ICT [NME-ICT] under the Ministry of Human Resource Development, wherein I had invited you, your colleagues and the entire academic community to kindly participate actively and benefit out of this project by submitting proposals concerning activities of academic institutions for assistance. You would be glad to know that a budget provision of Rs. 900 crore has been mentioned for this Mission in the current financial year in the Budget Speech of the Union Finance Minister. For more details please visit our website [www.sakshat.ac.in](http://www.sakshat.ac.in).

2. In order to take the Mission forward with your active participation, may I request you to create an icon on the webpage of your institute titling "NME-ICT Project" and create a link to the "Sakshat" NME-ICT page [[www.sakshat.ac.in](http://www.sakshat.ac.in)]. You may also send me the URL of the webpage of your institute.
3. I would like to inform you that the Project Approval Board [PAB] of NME-ICT has been constituted by the MHRD. The PAB has further constituted a Standing Committee comprising about 30 members with domain experts drawn from different disciplines to scrutinize project proposals received by the NME-ICT and the committee is required to submit recommendation to PAB. More than 30 pilot projects have already been sanctioned and financed so far under this Mission.
4. With a view to popularizing this Mission among the faculty members and students, members of the Standing Committee have been requested to visit universities / institutions of Higher Learning and discuss with the Vice-Chancellors / Heads of the institutions and Senior Faculty members about the NME-ICT Mission and need for submission of proposals by such institutions to the Mission. The Standing Committee member[s] may, therefore, visit your University / Institute also.
5. May I, therefore, request you kindly to facilitate the visit of the team by having a detailed discussion involving senior members of the faculty and extending your cooperation during their visit. I shall be grateful if you could kindly book the guest house accommodation for the member[s]. The exact date of the visit of such member[s] shall be intimated to you.

With regards,

Yours sincerely,

[N.K. Sinha]

All the Vice-Chancellors Universities / Heads of the Institutions

To

1. Directors of All IITs, IIMs, NITs, IISC, etc.
2. The Registrar of All Universities/Deemed to be Universities/Institutions of Higher Learning

Subject: Agency details seeking Central Plan funds under various schemes  
Of Government of India.

Sir,

I am directed to say that a web-portal based sanction IDs programme is in operation for making releases under the Central Plan Schemes. While generating the sanction IDs various details of NGOs/Autonomous bodies/Statutory bodies and other beneficiaries etc. hereinafter called "Agencies" are required to be filled in to complete the Master Data for Agencies. The Master Data creation through this process will be one-time exercise and on the basis of this master data reference of all Agencies taking grants from various Ministries for various schemes will be traceable. The Master Data will also be useful for tracking the total releases made under Central Plan Schemes. As the Centrally Sponsored Scheme of National Mission on Education through Information and Communication Technology (ICT), is open to all Universities/Deemed to be Universities / IITs/IIMs/IISc/Institutions of Higher Education etc. it is requested that requisite information/details, in the enclosed proforma, in respect of projects/proposals, seeking financing assistance under the said Mission from your institution, may be furnished at the time of applying for assistance, alongwith the projects/proposals.

Yours faithfully,

*D. K. Paliwal*  
(Dr. D.K. Paliwal)

Deputy Educational Adviser(DL)

Encl: As above.

21<sup>st</sup> August, 2009

Kindly recall my earlier letters of even number dated the 9<sup>th</sup> January, 2009 and the 13<sup>th</sup> July, 2009 respectively (copies uploaded on our website [www.sakshat.ac.in](http://www.sakshat.ac.in)) regarding the National Mission on Education through ICT (NMEICT), inviting participation of your Institution and experts in the mammoth exercise of e-content generation, teacher empowerment and adopting e-learning as an effective means of teaching-learning activities. While some project proposals from the Universities and Institutions have started trickling in, the need is to accelerate this process and convert this into a movement for utilising the ICT tools to enhance the quality of instruction and reach of the educational delivery system to the unreached. I once again urge you kindly to proactively participate in the Mission and put creativity of your organisation to the best service of the Nation by utilising the resources (Rs. 900 crore) made available in the current year's budget.

2. As you are aware, providing connectivity to the Colleges, Institutions and Universities is a key component of the NMEICT, so that the high quality e-content could be reached to the teachers and students of these educational organisations. The connectivity under NMEICT would seamlessly integrate with the National Knowledge Network (NKN). You would be glad to know that the work of providing connectivity to these organisations has already been initiated by Bharat Sanchar Nigam Limited (BSNL), which has become a partner in this Mission by investing its resources.

3. While 1 Gbps connectivity to NKN for 10 years and 400 node LAN for each of the Universities in the Country has been envisaged under NMEICT at 25% cost to the Universities, to begin with the Colleges and Institutes, BSNL officials will be providing 10 connections of 512 Kbps VPN over Broadband for unlimited use, with internet connectivity, to each of the Colleges / Institutions recognised under section 12-B of the University Grants Commission (UGC) Act. These Colleges will have to bear 25% of the cost of this connectivity by paying their contribution directly to BSNL. The total financial burden on each College / Institution on account of this level of connectivity would not exceed Rs. 15000/- in the current financial year. Rest 75% cost would be borne by NMEICT by making direct centralised payment to BSNL. As an Institution / College starts using more and more of bandwidth, the number of connections to those active users would gradually be enhanced to upto 20 connections per institution. With a view to encouraging BSNL to bring, at its cost, optical fibre to as many Colleges / Institutions as possible, it would be desirable if the Colleges / Institutions consider providing some

D.O.No.F.16-28/2009-DL

12<sup>th</sup> February, 2010

Dear Sir / Madam,

Kindly refer to my letter No. 16-3/2009-DL, dated 21<sup>st</sup> August, 2009 [copy enclosed] regarding Optical Fibre Cable (OFC) based 1 Gbps connectivity to National Knowledge Network (NKN) Point of Presence (PoP) to all the bonafide Universities in the country under the National Mission on Education through ICT (NME-ICT) on a 75 : 25 cost sharing basis between the Central Govt. and the Universities concerned, which includes university level institutions. You would be glad to know that BSNL – MTNL combine has started the work in this regard. This is in addition to the already ongoing work of progressively providing 10 Mbps Broadband over Virtual Private Network (BBoVPN) to all the bonafide Colleges of the country through upto 20 individual connections over copper wire with ADSL modems on 75 : 25 cost sharing basis between the Central Govt and the respective Colleges. You are also aware that 25 % contribution of the University and the College has to be paid by them to the BSNL directly. As indicated earlier, **the approximate one time upfront payment for each University works out to Rs. 50 lac plus service tax for the connectivity for a 10 year period and Rs. 10 lac plus service tax for setting up a Local Area Network (LAN) of 400 nodes, if required by the University.** In case of Colleges, approximate quarterly payment works out to Rs. 6500/- only. BSNL, on its part has agreed to provide 10% rebate on cost of connectivity.

2. As the connectivity is the key to delivery of e-contents and collaboration between institutions / academicians / experts / researchers, in order to fast track the roll out of connectivity to Universities and Colleges, I would request you kindly to expeditiously take the following steps:

(a) obtain required approvals for meeting the upfront payments to BSNL for the 1 Gbps link to NKN and for the LAN and to made adequate budget provision for the same,

(b) nominate a nodal officer whom BSNL / MTNL could contact for these works, and who, in turn, could co-ordinate these activities in the University on your behalf,

(c) identify a 10' x 10' room where the 1 Gbps connectivity could be provided and routers / switches for NKN connectivity and LAN could be placed.

(d) grant permission for laying of cables etc .

(e) permit Principals of constituent and affiliated colleges of your University to avail of the BBoVPN connectivity at the costs indicated above, and also to consider providing space for erecting mobile tower of BSNL free of cost so as to get optical fibre in the college campus.

3. I shall be grateful for your co-operation in digitally connecting India's educational institutions to make them e-learning enabled in the shortest possible time. In case you need clarifications or assistance, kindly feel free to e-mail to me at the address given above.

With regards,

Yours sincerely,

LATEST Using National Knowledge Network (NKN), Jipmer extends telemedicine services to Italy

### Our Vision

NKN is a state-of-the-art Pan-India network and is a revolutionary step towards creating a knowledge society without boundaries. It will provide unprecedented benefits to the knowledge community and mankind at large.

Using NKN, all vibrant institutions with vision and passion will be able to transcend space and time limitations in accessing information and knowledge

[Read More](#)

### Our Goal

In March 2010, the Cabinet Committee on Infrastructure (CCI) approved the establishment of the National Knowledge Network (NKN) at an outlay of Rs 5990 Crore, to be implemented by NIC over a period of 10 years.

Establishing NKN is a significant step towards ushering in a knowledge

[Read More](#)

### Our Mission

NKN is designed to provide high availability, Quality of Service, security and reliability. The purpose of NKN goes to the very core of the country's quest for building quality institutions with requisite research facilities and to create a pool of highly trained professionals.

The participating institutions at the edge would seamlessly connect to NKN.

| Date      |  |

## Annexure

## 1. Annexure 1: IP Address Request Form

Application No: \_\_\_\_\_

Date: 16/11/2011

## A: User Details

1. Name of User: MGM Institute of Health Science
2. Address: Kamothe, Navi Mumbai.
3. Division/ Department: \_\_\_\_\_
4. Contact No: 022-27422471/1994 / 022-27422471/1912
5. Email: trusteamgm@gmail.com, Sudhirchandra1947@gmail.com
6. Details of the IP address allocated.

| Network           | Start address | End address | Subnet mask | Default gateway | BGP ASN |
|-------------------|---------------|-------------|-------------|-----------------|---------|
| 14.139.125.208/28 |               |             |             |                 |         |
|                   |               |             |             |                 |         |
|                   |               |             |             |                 |         |
|                   |               |             |             |                 |         |

7. Required connectivity: Internet/NKN: NKN along with Internet
8. Encryption used Connectivity.

Less than 40 bits No / Yes / NA

More than 40 bits No / Yes / NA

9. VOIP enabled No / Yes

## Declaration

I hereby declare that the information provided is correct. The requirement is approved by the competent authority. I will comply with the terms and conditions of NKN and follow the IP usage policy. I will surrender the IP address when not required and inform the same to the assigning authority. I will inform the assigning authority when the administrator of the node is changed. I hereby declare that I have read the whole IP Address Usage Policy document (i.e., from page 1 to 9) and I agree to the aforesaid terms.

Name of the Authority (User Institution): Dr. Sudhirchandra N. Kadam

16/11/11 Date and Signature of the Approving Authority (User Institution)
