- **Motivational Sessions:** DC Crackers with a vision and spirit to make the attitude of the people positive towards life and remove the negative energy from their minds conducts Motivational Sessions which help the people to spring up fully in their lives with enthusiasm and determination to succeed. Our sessions inculcate a stimulating feeling of inspiration among the people who want to achieve success in their lives but due to one reason or the other are unable to find the right ways which can lead them towards their destination.
- **Event Management:** Events Management is the process beyond planning, executing and evaluating corporate, association, nonprofit, government and social events. Events management requires strong organizational, budgeting and creative skills. Those who work in events management must be comfortable with interacting with all levels of individuals inside and outside of their organization.
- **Career Counselling:** The establishment of a clear, central purpose or goal in life in the starting point of all success. So it is important for every student to have clarity in his/her thoughts to surge ahead for the accomplishment of his/her vision.
