As per the guidelines received from **Indian Academy of Pediatrics (IAP)** dated **30/12/2017**, you are appointed as **Fellow** for one year in **NICU Department**. You have joined as Fellow on **1st July 2019**.

1. Your responsibilities will be as follows:

- a) You will be **working as per the instruction** of the Department Co-ordinator and other seniors in the department.
- b) **Clinical Notes - Taking daily rounds** early in the morning before 9 am is mandatory. After examining each patient you should **write clinical notes** in detail on patient's case file online on the computer available at respective station. You are supposed to know medico legal implications of case notes. You should be well versed with filling death certificates. You should attend the necessary introductory lectures without fail. Attached is the Handbook specifying job responsibilities which are binding on you. In case of failure to the fulfillment of the same, you have to obey the decision taken by management.
- c) Hospital is on the way of **becoming 'paperless hospital'**, as far as daily working is concerned, you will have to comply with the system.
- d) **Communication with patients** - It is obligatory for you in case of a male doctor you must be accompanied by a female attendant from the hospital at the time of examination of female patients. If this clause is not complied with strict action will be taken against you. You are expected to be polite and kind while talking with patients and their relatives
- e) You could stay in the hospital premises **on call for any emergency** that may arise. You will attend such patients as soon as possible. It is also required to attend ambulance call if needed.
- f) **Marking your attendance on biometric machine** at the time of entry to and exit from the hospital is mandatory. You can avail the facility of "Forget to Swipe" once in a month.

2. Joining Formalities: You are requested to submit in Human Resource Department following documents prior to joining -

- a) You are required to **under go Medical Examination** in Deenanath Mangeshkar Hospital. Your appointment is subject to medical fitness as decided by the Hospital Authorities. If you are suffering from any pre known disease then for the same you need to pay the cost while taking treatment in the hospital.

iv) Your performance will be assessed periodically & if found satisfactory, the fellowship will be continued. Also you may have to serve an extended comprehensive rotation in cases you are not able to meet the expected exit competencies by the end of 12 months. The extended duration if any, will be deducted from the 3rd year Sub-speciality training period. Candidates who are able to meet the defined criteria early can be promoted to the next level of training and the months in question will be added to 3rd year sub-speciality training.

v) During 2nd year you will be posted at one of the secondary centres in the LVPEI network to gain individual exposure for a period on one year on rotational posting.

vi) Your 3rd year would include focussed sub-speciality training at the tertiary centre. This would be allotted based on merit and availability. Your choice will be asked after you complete first year of training & prior to your secondary centre posting. The allotment of sup-specialty fellowship posting is based on your overall performance during first two years of fellowship. However a selection process on merit as well as the vacancy at the tertiary centre will determine the final 3rd year sub-speciality training at a tertiary centre of LVPEI. This posting predominantly facilitate you to participate in clinical work related to your sup-speciality to further hone your skills.

vii) During the entire 3 year fellowship program, research is an important component. You will have to work on research projects, analyse data & write papers for presentation and publications under the guidance of your teaching faculty.

6. Your performance will be assessed every 6 months through an exit exam during your tenure with us. This evaluation will include: a) Clinical acumen – Diagnostic & Surgical b) Patient care aptitude c) Knowledge & performance in classes d) General attitude towards learning e) publication Research etc.

7. The continuation of the fellowship is subject to satisfactory performance in all the above criteria.

8. Upon successful completion of fellowship training for 3 years, in view of the entire course costing INR 50 lakhs being offered to you free of cost – it will be binding on you to continue as a faculty of the institute and the selection will be based on your performance, availability of vacancy and your suitability for the position. It is the sole discretion of the institute to offer you an employment, but once decided you will be informed (well in advance & prior to completion of your fellowship).

i) The offer will mandate 2 years of service in LVPEI network including our international extension centre in Liberia.
