Commemorating the 150th Birth Anniversary Year of Mahatma Gandhi

In a gentle way, you can shake the world

The weak can never forgive. Forgiveness is the attribute of the strong.

Strength does not come from physical power. It comes from an invincible will.

Truth is never a victory over any man, but it is a victory over all.

Freedom is not a gift to be received. It is a freedom to make mistakes.

Happiness is when what you think, what you say, and what you do are in harmony.

A man is but the product of his thoughts; what he thinks, he becomes.

You must not lose faith in humanity. Humanity is an ocean; if a few drops of the ocean are dirty, the ocean does not become dirty.

I will not let anyone walk through my mind with their dirty feet.
