Annual Day (ATHENA 2018)

Date: 05/03/2018

Venue: MGM ground

Time: 5.00pm onwards

It was finally the day all the students were eagerly waiting for, the climax of Athena 2018, the cultural night. Although it indicated the termination of the relaxed, creative and recreational ambience in the college, the students were extremely thrilled and this spirit was undeniably flowing, reflecting in the energy of the crowd.

The evening began by invocating the blessings of the supreme being and lighting the lamp. The ever enthusiastic final years showed their gratitude and respect to the almighty through an amazing classical dance performance, Ganesh Vandana.

There were group dance performances from every year right from the first year to our MPT's along with the P and O Department, some highlighting social issues and some purely act of entertainment.

This time the theme for the Annual Fashion show was different and focused on Body Positivity and encouraged everyone to be a part of this event. It was first time where external judges were invited to judge the Fashion Show and select the Mr. Athena and Ms. Athena for the year 2018. The external judges were Ms Yashvi Shukla (Choreographer), Ms Shivani Joshi (Actor).

We were pleased to see our Alumni joining us for the Annual Night along with the presence of the ex-faculty members. There was a small token of appreciation given to the Alumini and the ex-faculty members and our Committee heads by our Honorable Director and Principal

The teachers left no stone unturned to show their amazing talent in the form of dance and left everyone speechless with their fashion show performance.

2nd- MPT's,

3rd-Ist year

Athlete of the year Male and female (Mr Sahim Surve IVBPT and Ms Indrani-IIIBPT) and the much awaited trophy, The Championship Trophy (Final year) were felicitated by our Director and Principal.

Literary Committee Report of Annual Fest – Xtasy'18

"Literature is uniquely portable magic, a dream that you can hold in your hands"

Greetings from the Literary committee.

I, Subodh Reddy the Literary Committee Head present to you the report of the literary events held during Xtasy'18.

<u>Implementation</u> - The news of the fest spread throughout the college like a blazing fire that spreads through a forest. The news brought smile on everyone's face. The events which followed helped evoke the literary and scholastic passion hidden inside not only our friends and colleagues, but also our professors. Each and every individual of the team putting in his/her best efforts to make their team win. The spectators hooting in excitement, rooting for their favourite team to win.

Sports activities demonstrate the use of power, technique, unity and intellect. I appreciate each and everyone who has put in efforts to make the sports events successful and enjoyable. I applaud the sportsmen, the teams that participated for their energy and dynamic-spirit. I advise the coming batch to take a step ahead and focus on the game. The first week started from $22^{nd} - 26^{th}$ Dec 2014, when our cultural committee was preparing for the events we started with our knock-out rounds. Following were the sports activities conducted during the week.

- 1)Box cricket Girls
- 2)Futsal Boys
- 3)Football Boys
- 4)Athletics 100m running
- 5)Athletics 400m Relay

The second week from 26th - 30th Dec 2014, was a hectic one with all the students juggling between the cultural, literary and sports activities. We applaud them for the enthusiasm they showed despite these time and energy-consuming activities. Sports events conducted during this week were:

- 1)Cricket-boys
- 2) Table tennis- Boys and Girls
- 2)Badminton-Single, Double and Mixed.
- 3)Carom
- 4)Chess
- 5) Volleyball -boys
- 6)Throw ball -Girls
- 7)Shot-put
- 8) Tug of war- Boys and Girls.

The entire even was thoroughly enjoyed by the players. Personally, my favourite part was the tug of war. It is a sport that symbolises the correct use of technique and strength and unity. Each and every individual of the team putting in his/her best

efforts to make their team win. The spectators hooting in excitement, rooting for their favourite team to win.

Sports activities demonstrate the use of power, technique, unity and intellect. I appreciate each and everyone who has put in efforts to make the sports events successful and enjoyable. I applaud the sportsmen, the teams that participated for their energy and dynamic-spirit. I advise the coming batch to take a step ahead and focus on the game. How you strategise to play helps you win half the game. Work hard and enjoy the sport you play.
