Report of the National Seminar on

'Revised Parameters of Assessment & Accreditation of Health Science Institutions'
organized by IQAC of MGM Medical College, Aurangabad,

a constituent unit of MGM Institute of Health Sciences, Navi Mumbai

Background of the seminar:

MGM Institute of Health Sciences, Navi Mumbai (MGMIHS), is a deemed to be university under section 3 of UGC act 1956 having two campuses: Navi Mumbai & Aurangabad with UG/PG/PhD programs in Medical, Nursing, Physiotherapy, Biomedical & Allied Health Sciences, Rehabilitation.

MGMIHS was accorded Grade 'A' by NAAC on February 21, 2014 for a period of 5 years. Preparations for Reaccreditation are underway as per the new revised framework in accordance with draft Health manual. As per the directions received from NAAC, MGMIHS has also participated in the pilot study for draft health manual.

In response to permission accorded by NAAC for our application to create awareness amongst health institutions of higher learning across the country, MGMIHS decided to organize the national seminar in academic collaboration mode with NAAC without any financial aid at Aurangabad campus.

Seminar details:

Date: January 19, 2018 (Saturday)

Theme: Revised Parameters of Assessment & Accreditation of Health Science Institutions

Venue: Dyotan Hall, MGM Medical College, Aurangabad

Expected Participants: Vice Chancellors, Registrars and IQAC coordinators/Directors of all Health science deemed to be universities, State health universities

Pre Seminar activities:

In consultation with Dr. Jagannath Patil, NAAC Advisor and Regional Coordinator, criteria wise Resource faculties were finalized for the seminar.

A detailed seminar brochure was prepared and after NAAC approval it was uploaded on the NAAC and MGMIHS website for larger publicity amongst the stakeholders.

At the same time, soft copy of the brochure was also sent to all expected participants on their email ids. Hard copies were also sent by courier. Online registration process through MGMIHS website was adopted for easy registrations. First priority was given to Vice Chancellors, Registrars and IQAC coordinators/Directors of health science universities.

It is important to note here that no fee was charged from participants to register for the seminar.

Seminar day:

As per the seminar time-line, it started with registrations of the participants. Spot registrations were accepted from eligible participants. A total of **129 participants** representing **10 different health universities** across India attended the seminar from different universities within and outside Maharashtra.

State Health Universities:

Maharashtra University of Health Sciences (MUHS), Nashik

Rajiv Gandhi University of Health Sciences (RGUHS), Banagluru

Deemed health Universities within Maharashtra

D Y Patil University, Navi Mumbai

Dr. D Y Patil Vidyapeeth, Pune

D. Y. Patil Education Society, Kolhapur

Bharati Vidyapeeth, Pune

Pravara Institute of Medical Sciences, Loni

Krishna Institute of Medical Sciences, Karad

MGM Institute of Health Sciences, Navi Mumbai & Aurangabad

Deemed health Universities outside Maharashtra

Sumandeep Vidyapeeth, Anand, Gujarat

All the sessions were held as per the time schedule. A brief of the sessions is as follows:

15.45 to 16.15	Criterion-III: Research, Innovation & Extension (Recorded Video)	Dr. S.P. Thagarajan Professor of Eminence & Dean (Research), Sri Ramchandra Institute of Higher Education and Research (Deemed to be University), Chennai and Former Vice Chancellor, University of Madras.	Dr. Shanshank Dalvi Vice Chancellor, MGM Institute of Health Sciences, Navi Mumbai
16.15 onwards	FEEDBACK, VOTE OF THANKS & NATIONAL ANTHEM FOLLOWED BY HIGH - TEA		

Post seminar activities:

At the end of the seminar, a written feedback was taken from all participants on the prescribed format and a Certificate of attendance cum participation was handed over to all.

Seminar Rapporteurs to analyze the feedback and preparation of the report were as follows:

Dr.Swati Shiradkar (IQAC Coordinator-Aurangabad Campus)

Dr. Rajesh kadam (IQAC member and Deputy Registrar)

Dr. Dinesh Rao (Academic Administrator)

Discussions and deliberations during seminar:

During the seminar, participants asked their queries and doubts which were readily answered by all speakers to their satisfaction.

Dr.Jagannath Patil, advised Hon'ble Vice Chancellor to compile all the suggestions and queries to be submitted to NAAC along with report of seminar. He assured that the NAAC Core Committee will certainly look into the suggestions.

All the suggestions have been compiled and are enclosed.

Feedback analysis:

- Relevance of the seminar was found to be in the range of '7 to 10' on a 10 point scale (0 being the poor and 10 being the excellent with a median value of 9 (Nine)).
- Overall arrangements for the seminar was found to be in the range of '7 to 10' on a 10 point scale (0 being the poor and 10 being the excellent with a median value of 9 (Nine)).
- All the criteria presentations were assessed as follows:

Parameter	Range	Median Value
Content	6 to 10	9
Quality of slides	6 to 10	8
Overall Presentation	6 to 10	9

Collaborative efforts with NAAC::

The seminar was informative and useful for creating awareness amongst participants. MGMIHS wish to place its deep gratitude to Dr. Jagannath Patil, NAAC Advisor, for timely and necessary assistance and guidance to organize the seminar at all steps.

MGMIHS also is immensely thankful to Director, NAAC for academic support and giving MGMIHS an opportunity to host the seminar.

The message of the seminar will go a long way in creating awareness about assessment and accreditation amongst health science institutions for paradigm shift in the assessment methodology.

MGMIHS also looks forward to host seminars related to academic excellence and quality in Higher Education Institutions in future as well in collaboration with NAAC.

Summary of suggestions during National Seminar on Revised Parameters of Assessment & Accreditation of Health Science Institutions' jointly organized with academic support from NAAC and MGMIHS, Navi Mumbai at MGM Medical College, Aurangabad on January 19, 2019:

1. IQAC in most universities are active since 2017. Hence detailed data before that may not be available. Can consolidated data be accepted for matrices where newer concepts are introduced?
2. Innovation eco system needs further elaboration. Exact use of incubation centre by medical professionals needs further clarification.
3. Clarification is required on multidisciplinary courses in health science institutes.
4. Curriculum enrichment whether it includes value added courses?
5. Can teacher's attrition be taken as one of the quantitative matrices?
6. Student progression: In medical field, can MD and MS considered equivalent to Ph.D.? As they are also doing dissertation but we have included only M.Ch and DM, why not to include MD & MS?
7. Please include Google scholar for citations.
8. If the information about Student Satisfaction Survey (SSS) is confidential how will the institute know how many students have filled it? In case the initial response from students is low. Is there a provision wherein institutions be made aware of the same for necessary action?
9. Students engaged in co-curricular activities may miss the college or may have less marks and get included in slow learners, is it ok?
10. Certificate programmes of six months duration to be included as new courses.
11. Marks for curriculum design to be reduced further
12. Fine tuning is required in criteria IV & VI (with reference to page no. 26 of manual)
13. More clarification on consultancy by medical experts, clinical trial was given as an example, can we suggest few more:
 - Health check-up at industry where institution gets funds from industry.

- Medical college teachers raising revenue and sharing it with institution through private wing of medical college which is an expertise of clinicians and felt need of patients who do not want to attend general OPD.
- Special clinics at private wing of medical college.
- Because IT Department uses web designing as consultancy, which is their expertise.

14. Kindly explain in detail :

- 2.2.1 – Follows protocol to measure student achievements.
- 2.4.4 – Can MS CIT included in training of teachers for e- courses.
- 2.4.5 – For non academic awards, can we include awards for newspapers or well known NGO's.
- 2.5.4 – Self assessment by students.

15. Development of e-content:

- Lot of technical support / training will be required to transform PPT to e-content mentioned in manual so can PPT be included at present.

16. Please clarify on feedback frequency on curriculum by students.

17. Seminar is well organized with very high academic leaders. There is need of such seminars more and more so everyone becomes aware.

18. Guidelines for reaccreditation cycle and filling on AQAR online should be explained in detail.

19. It would have been better if 3 days workshop with each metric of each criteria having elaborate explanation and discussion with participants

20. "Quality Circle" may be established between institutional IQACs for having good benchmarking.

21. Excellent presentations may be consolidated and put as a Video on website.

22. NABH and NABL accreditations should have more weightage. At present it is very less and not motivating for teaching hospitals.

23. Keynote content of Dr. Bharat Chapparwal could form the driving philosophy for accreditation policy.

24. Even if ISSN numbers are not present, research paper presentations during conferences should be considered at least for 5 years from the initiation of new methodology.

25. Informative sessions with good examples on parameters required to be observed.

EVENT REPORT - MASICON – 2019

We the Organizing committee of MASICON-2019, are glad to send you the report of MASICON-2019, the 41st Annual conference of Maharashtra State Chapter of Association of Surgeons of India, was held at MGM Medical College & Hospital, Aurangabad on 31st Jan to 3rd Feb. 2019.

Co-Presidents

Dr. Sayyed Qisar

Dr. Ashok Jhunjhunwala

Co-Chairman

Dr. M. D. Gaikwad

Dr. N. D. Kulkarni

Joint Org. Secretary

Dr. Sachin Jhavar

Dr. Sanjay Khandagale

Dr. Ashok Sherkar

On 31st Jan 2019 - First day CME was conducted in which 35 faculties took part. 2 panel discussion on polytrauma and benign breast disease were held. 1 symposium on diabetic foot was discussed. There was 1 master class on ventral hernia. About 800 delegates attended the CME. Inauguration of CME was held at the hands of Shri. A. N. Kadam, Secretary, Mahatma Gandhi Mission, Dr. Umesh Bhalero, President, Maharashtra State Chapter, delivered presidential oration on Bhagvadgita for surgeons.

On 2nd day i.e. 1st February 2019 : Live workshop was shown in which about 25 different open, Laparoscopic and En-

doscopic surgeries were demonstrated. Workshop inauguration was done by the hands of Dr. Gyuseog Choi, Professor and Head of Colorectal Surgery at Kyungpook National University Hospital., in Daegu, Korea. It was attended by about 1600 delegates. Conference inauguration was done by Dr. P. M. Jadhav, Vice Chairman, Mahatma Gandhi Mission, Dr. Arvind Kumar, President, ASI, delivered speech on VATS for Surgeon.

3rd and 4th Day i.e. 2nd and 3rd Feb. 2019 about 70 faculties participated. 55 topics were discussed.

On 2nd February 2019 – prestigious Dr. G. M. Phadke Oration delivered by Dr. Pramod Shinde. **On 3rd February Dr. K. C. Gharpure Oration** delivered by Dr. Avinash Yelikar.

In this conference as our social obligation we had arranged "Meet the Expert" session on "Acidity and Constipation" in which common citizens interacted with experts and cleared their problems about conditions. About 200 delegates and their family members took parts in 5 km Marathon for social cause of Organ donation. In which awareness about organ donation created in general public.

Total Free papers – 148, Posters-134 and videos 30 were presented in the conference on 3rd and 4th day.

PG clinic were held on 2nd and 3rd Day i.e. on 1st and 2nd February 2019 in which Carcinoma Breast, Multi-nodular goitre, obstructive jaundice, breast lump, epigastric lump and PVD. Cases were discussed Dr. Chintamani, Dr. Deborshi Sharma, Dr. Siddharth Dubashi, Dr. Pradeep Sharma and Dr. Girish Bakshi. About 300 PG students attended the PG clinic.

Hands on session were held on Robotics, Upper, Lower GI Endoscopy, Lap. Suturing, knotting and SOTM.

Inspirational talk about the working condition and life of Indian Soldiers was given by Mrs. Anuradha Prabhudesai.

On 2nd and 3rd Day cultural programme was presented by Aurangabad Surgical Society Members.

The conference was totally paperless. In this conference two new sessions were started i.e. "How I do It and How I Manage It."

The conference concluded with Valedictory function which presidential charge was handed over to Dr. Roysuneel Patankar by Dr. Umesh Bhalerao.

Subject – MOSCON 2018, Venue Updates

It's our great pleasure to conduct a state conference of ophthalmologists – MOSCON 2018 in Association with MGM Medical College in your beautiful premises from 26 to 28 Oct 2018. We thank you for your gesture for allowing us to conduct MOSCON2018. Almost 1200 Ophthalmologists from all over Maharashtra state are visiting MOSCON 2018. Our venue beautification & mandap work will start from 10-Oct-2018. We will make sure that the routine college and other activities will not be disturbed due to the pre conference work however Rukmini Hall, Einstien Hall, Aryaybhatta Hall, 3 Halls of Management college, Open theater beside management college. Premises will be utilized from 25-Oct-2018 till 28-Oct-2018 and the four blocks and premises of Jawaharal Nehru engg college will be utilised by the caterer from 24-Oct-2018 evening till 29-Oct-2018 morning. The Entire Catering Premises will be kept neat and clean and will be handed over to the management as it was taken by us. The entire post event activity will be completed by 31st Oct 2018.

Kindly acknowledge this letter by confirming and allowing us to proceed further about said work.

Thanking you.

Secretion management for mechanically ventilated patients

A session was conducted on "Secretion management" 12.10.18. at MGM -Medical College kamothe Navi Mumbai, Maharashtra attended by 1 participant.

A secretion management session was conducted by non teaching staff of MGM Medical College for mechanically ventilated patients. Mechanical ventilation, or assisted ventilation, is the medical term for artificial ventilation where mechanical means are used to assist or replace spontaneous breathing. Face or nasal masks are used for non-invasive ventilation in appropriately selected conscious patients.

Name of the workshop– **Infection prevention and IV cannulation workshop**

Hosting institution – MGM Medical College Navi Mumbai.

Dates – 31/10/2018

The session was started round 10am. The discussion was started with infection prevention is the discipline concerned with preventing nosocomial or healthcare-associated infection, a practical sub-discipline of epidemiology. It is an essential, though often under recognized and under supported, part of the infrastructure of health care, also included how can it be infection free.

One participant was told to wash hands often. Get vaccinated. Use antibiotics sensibly. Be smart about food preparation. Disinfect the 'hot zones' in your residence. Don't share personal items.

Latter on the session included IV cannulation. Intravenous (IV) cannulation is a technique in which a cannula is placed inside a vein to provide venous access. Venous access allows sampling of blood, as well as administration of fluids, medications, parenteral nutrition, chemotherapy, and blood products. And IV cannulation types

Insulin Administration

A session was conducted on "Insulin Administration on 10/01/2019 by MGM -Medical College kamothe, Navi Mumbai, attended by teaching and non teaching participants.

This session was conducted for non teaching staff of MGM Hospital. A popular alternative to the insulin syringe is an insulin pen.

The session was highlighted about using this insulin pen as a replaceable reservoir of insulin called a cartridge, a replaceable needle to puncture the skin and to deliver insulin to the subcutaneous tissue, a dial to choose the insulin dose, and a mechanical pumping or insulin release mechanism.

It is important for a teaching hospital staff to keep up with the changes in technology and procedures in health care delivery.

Infection prevention and IV cannulation workshop

Name of the workshop– Infection prevention and IV cannulation workshop

Hosting institution – MGM Medical College Navi Mumbai.

Dates – 31/10/2018

The session was started round 10am. The discussion was started with infection prevention is the discipline concerned with preventing nosocomial or healthcare-associated infection, a practical sub-discipline of epidemiology. It is an essential, though often underrecognized and undersupported, part of the infrastructure of health care, also discusses about How can we prevent infection.

Wash your hands often. Get vaccinated. Use antibiotics sensibly. Stay at home if you have signs and symptoms of an infection. Be smart about food preparation. Disinfect the 'hot zones' in your residence. Don't share personal items.

Latter on discussion started on IV cannulation .Intravenous (IV) cannulation is a technique in which a cannula is placed inside a vein to provide venous access. Venous access allows sampling of blood, as well as administration of fluids, medications, parenteral nutrition, chemotherapy, and blood products. And IV cannulation types

Workshop on Physiotherapy in Intensive Care Unit-December 2018

Preamble:

Three day hands-on workshop on early mobilisation of critically ill patients & multidisciplinary team approach in intensive care unit.

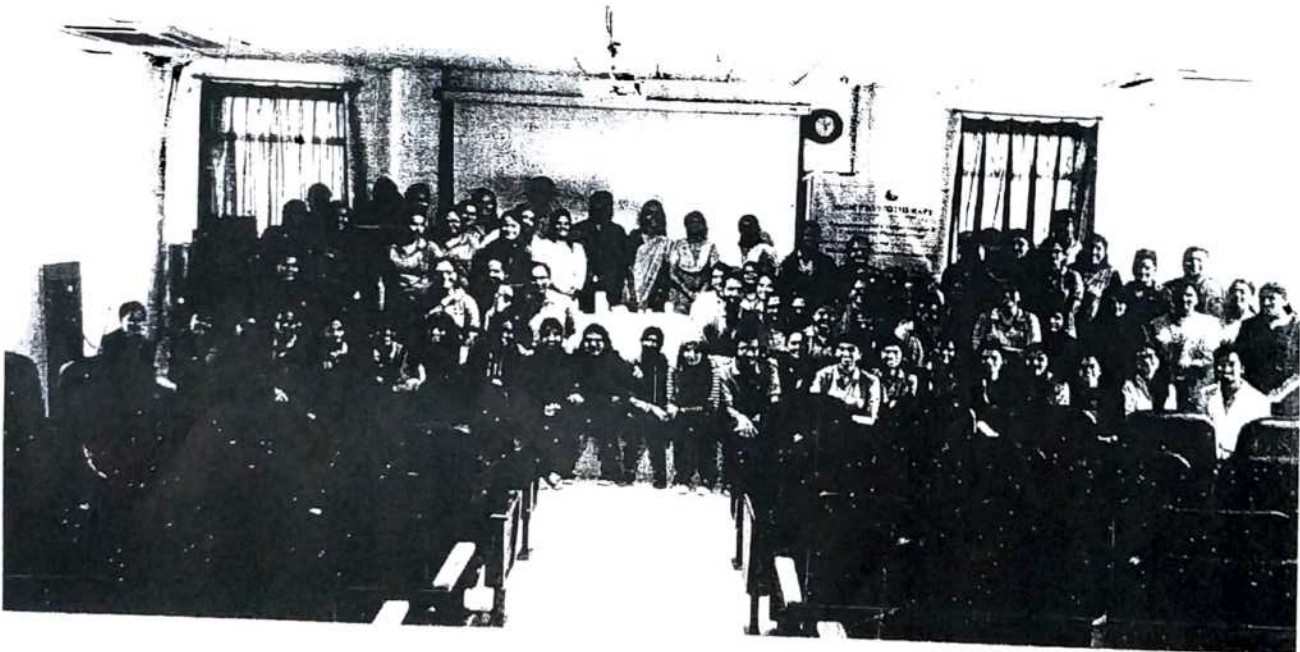

Date: 20th December 2018- 22nd December 2018

Venue : "Seminar Hall, MGM Hospital, Kamothe, Navi Mumbai

Time: 9am-6pm

Organised by: MGM School of Physiotherapy, Kamothe, Navi Mumbai.

Attendees: 76 participants (07 delegates participated from Mumbai & Aurangabad and 69 undergraduate Physiotherapy students of MGM Physiotherapy Institutes

Cardiorespiratory Team along with delegates

• Objectives

1. To develop critical thinking & evidence based physical therapy treatment.
2. To gain insight to thoracic radiography, ABG analysis, PFT interpretation, ECG interpretation.
3. To improve hands on Physiotherapeutic skills.
4. Introduction to ICU specific functional scales
5. To update healthcare professionals on evaluation and intervention strategies in intensive care unit and promote acute Physiotherapy management in critically ill patients.

Day-1: 20th December 2018

- Workshop commenced at 9am with an introductory note by Dr Bela Agarwal(PT)
- **Dr Kanishka Kumar** (Asst Professor, Dept of Medicine, MGM Medical College) delivered the first lecture on the topic, "Respiratory Failure", which provided a thorough understanding of the pathophysiology of respiratory failure along with medical management of the critically ill patient on mechanical ventilation.
- **Dr (Lt.Gen.)S.K Kaul** (Prof-CVTS, MGM Medical College). delivered the second lecture on the topic, "Role of Physiotherapy in post operative care of cardiac surgery patients". It was truly an informative and experience based lecture providing necessary and timely insight into the management of the patients in the immediate coronary care unit. Special note was mentioned regarding the role of Physiotherapist in the cardiac care unit immediately post surgery and highlighting the importance of team work for the fruitful recovery of the patient following surgery. The session lasted from 10.15am-11.15am which was followed by a tea break of 15minutes.
- **Dr.Shreeja Nair** (Asst. Professor, Dept of Respiratory Medicine ,MGM Medical College) delivered lecture on airway management, endotracheal intubation, tracheotomy & O2 therapy. She demonstrated PFT technique and discussed interpretation of different case reports. Students were then divided into groups and were asked to interpret PFT reports This session was followed by demonstration of use of inhalers, nebulizers & spacer devices. The session lasted from 11.30am-1.30pm which was followed by lunch break of 20minutes.

Day-2: 21st December 2018

- **Dr.Sushruta Kumar** ,Senior Resident ,Neonatology, MGM Medical College, delivered the opening lecture on the second day on the topic, 'Scope of Physiotherapy for early intervention in Neonatal ICU' from 9-10 am.
- **Dr Shradha Sawant (PT)** (Asst Professor, MGM Physiotherapy) spoke on the topic, "Physiotherapy in NICU", highlighting on the sub topics such as anatomical and physiological differences in adult and neonatal lung along with Physiotherapy management protocols to be practiced in NICU from 10 am – 11.15 am followed by tea break.

- **Dr.Shruti Nair (PT)** (Asst Professor, MGM Physiotherapy) delivered a talk on, 'Physiotherapy assessment in ICU', provided a comprehensive insight into the techniques and skills of Physiotherapy assessment in Intensive care unit from 11.30am-12.30am. Lecture was also interspersed with pictorial discussion of the various assessment skills used in different clinical scenerios in the ICU.
- **Dr.Pothiraj P (PT)**(Asso. Professor, MGM Physiotherapy) presented ICF Model and gave a brief introduction of ICF domains. **Dr. Shruti (PT)** teamed up with **Dr. Pothiraj (PT)** and conducted a group activity to discuss ICF framework of a patient diagnosed with Pneumonia in ICU set-up. Delegates were divided into four groups and a detailed simulated case report was handed over to them. After 15 minutes, each group was called on the stage to discuss ICF under following headings- Structure & function, Activity & Participation, Facilitators & Barriers. It was a very interactive sessions where delegates shared their doubts and concerns about the varied presentation styles of ICF for the same clinical case scenario.

MGM SCHOOL OF PHYSIOTHERAPY

Sector-I, Kamothe, Navi Mumbai - 410209

- Post lunch break, **Dr.Bela Agarwal(PT)** (Principal MGM School of Physiotherapy) delivered a talk on 'Physical Function Scales applicable in ICU'. She introduced different scales & its application that can be used in an ICU set-up. She discussed research findings of recently passed out interns who had done a study using functional scale in an ICU set up.
- Next session was taken by **Dr.Shruti Nair (PT)** (Asst Professor, MGM Physiotherapy) on 'PT Management using ICF model in ICU set-up.' Delegates were taught importance of goal settings and what preliminary care needs to be taken while treating patients in ICU. Delegates were encouraged to formulate goals for different case scenarios. Few recent advances in Physiotherapy rehabilitation was introduced in the concluding part of the lecture.
- Delegates were shown the different equipments used in ICU ranging from Endo tracheal tubes, tracheostomy tubes, airways, suction catheters etc

MGM INSTITUTE OF HEALTH SCIENCES

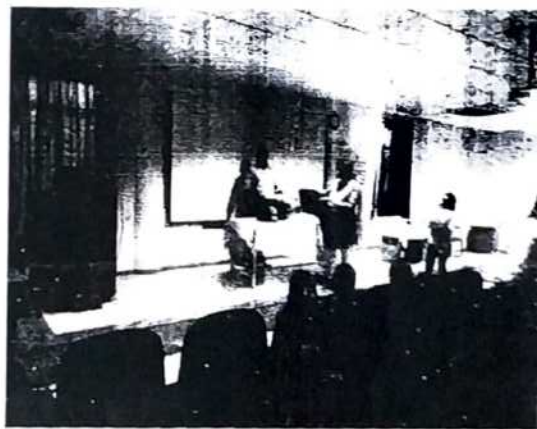

(Deemed University u/s 3 of UGC Act, 1956)

Grade 'A' Accredited by NAAC

MGM SCHOOL OF PHYSIOTHERAPY

Sector-I, Kamothe, Navi Mumbai - 410209

- Concluding session of the second day was an interactive hands-on demonstration technique by **Dr. Bela Agarwal (PT)**. Techniques of Breathing re-training, PNF Stretches, postural drainage positioning, Breathing exercises, thoracic mobilizations was demonstrated to the delegates. She shared the common mistakes done while treating respiratory patients in distress. Delegates actively participated clearing all their queries. Second day Session ended by 5.30 pm.

Common queries raised: How do we decide the choice of breathing exercises for different pulmonary conditions? It was emphasized to give expiratory training for obstructive conditions and inspiratory for restrictive conditions. However the final protocol depends on the clinical presentation of the patient.

Day-3: 22nd December 2018

- The day started with Visit to the medical & surgical intensive care units arranged for all the delegates in groups. Dr Vjayendra Rajguru (PT), Dr Shruti Nair (PT) & Dr. Shradha Sawant (PT) – Lecturer's, MGM Physiotherapy accompanied the group of 5-6 delegates to allotted ICU's. In the ICU's a detailed demonstration of the patient assessment on mechanical ventilator and patient management was discussed. All the groups showed keen interest in the ICU visit with positive interaction with all the delegates answering most of their queries, from 8am-10am which was followed by tea break

- Second session of the day was continued with High quality CPR- Hands on session with mannequin from 10.30 am-1.30 pm by **Dr Vijendra Rajguru (PT)**, who spoke on importance & components of high quality CPR. Lecture was followed by hands on session on mannequins for all delegates strictly supervised by **Dr. Vijendra (PT)** and **Dr. Shradha (PT)**.

Date: 23/01/2018

Report on MGM School of Physiotherapy and World Spine Care Conference 2019 on "Spine Care: Prevention, Early Detection and Management of Spine Disability: A Patient- centric Integrated Approach."

Preamble:-

Conference was organised by MGM School of Physiotherapy, Navi Mumbai in collaboration with World Spine Care on 18-19 January 2019 at MGM University Auditorium, MGMIHS. Eminent personalities across the globe like Dr. Manohar Panjabi (worked in area of Spine biomechanics for over 35 years), Dr. Scott Haldeman (published over 200 scientific papers in the field of spine care) and Dr. Margereta Nordin (President of World Spine Care, Europe) graced the occasion with their presence and scientific contribution.

Objectives:-

- Understand the structure and function of the spine.
- Learn about spine disabilities and patient perception in various patient groups
- Create awareness about spine disorders globally
- Be exposed to an overview of effective clinical pathways and models of care for spine disorders
- Understand clinical triage of care in evaluation and diagnostics of spine care
- Learn about effectiveness of conservative management and treatment of spine disorders
- Understand various options of surgical management of spine disorders
- Understand the role of an integrated patient-centered approach for prevention of spine disability

Participants: Student Delegates: 81

Faculty Delegates: 48

Activities:-

1. Delegates assembled in the auditorium for the inaugural ceremony at 9:00a.m. Conference was inaugurated followed by lamp lighting ceremony by Dr. Sudhir Kadam, Medical Director of MGMIHS and Dr. Margereta Nordin (President of World Spine Care, Europe), Dr.(Lt.Gen) Kuldip Raj Salgotra (Director-Professor of Orthopedics and Medical superintendent at MGM Medical College) and Dr. Scott Haldeman (published over 200 scientific papers in the field of spine care).
2. First symposium on Spine structure and function started at 9.10 a.m, which was moderated by Dr. Margareta Nordin. The speakers for this symposium were:
 - Dr. Manohar Panjabi: Spine biomechanics for clinicians
 - Dr. Subhash Dhiware: Bone health of spine: India and global
 - Dr. Rajani Mullerpatan: Biomechanics of spine in traditional Indian movements

Symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

3. Second symposium on Evaluation of spine started at 11.15 a.m- Triage of care started, which was moderated by Dr.Scott Haldeman. The speakers for this symposium were:
 - Dr. Adam Wilke: Primary Care triage spine disorder 'red flags'
 - Dr. Pradnya Girdhar: Physical spine evaluation
 - Dr.Alberto Zerbi: Radiological spine evaluation

The second symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

4. The second symposium ended by around 1.00p.m which was followed by lunch break

5. Third symposium on Spine disability begun at 1.45 p.m. on various patient groups and different perceptions, which was moderated by Dr. Adam Wilke. The speakers for this symposium were:

- Dr. Kuldip Raj Salgotra: Spine disability caused by trauma, degeneration, infection and auto-immune disorders
- Dr. Carol Cancilliere: WHO disability concept spine disorders
- Dr. Ashok Johari: Spine disability in CP

The third symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

6. The third symposium ended by around 3.15 p.m. which was followed by 20 minutes tea break

7. Fourth symposium on Burden of Spine disorders was started around 3.35 p.m. on the topic Global and Indian scenario, which was moderated by Dr. Rajani Mullerpatan. The speakers for this symposium were:

- Dr. Pierre Cote: Global burden of spine disorders
- Dr. Yuvraj Singh and Shweta Nahar: Burden of spine disability in India: Southwest Maharashtra
- Dr. Dollilur Rahman: Burden of spine disability in Bangladesh
- Dr. Khadga Gurung: Burden of spine disability in Nepal

The last symposium of the day was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

SECOND DAY

8. All the participants assembled in the auditorium at 8:45 a.m. followed by breakfast.

9. First symposium on Conservative management of spine started around 9.00 a.m. the, which was moderated by Dr. S. Rajasekaran. The speakers for this symposium were:

- Dr. Margareta Nordin: What is the best early care when is it needed based on evidence?
- Dr. Rajani Mullerpatan: The Kamothe clinic for underserved population
- Dr. Bang: The Gadchiroli Clinic

This symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

10. The first symposium ended by around 10.40 a.m which was followed by 20 minutes break.

11. Second symposium on Surgical management of spine started at 11.05 a.m the, which was moderated by Dr. Margareta Nordin. The speakers for this symposium were:

- Dr. S. Rajasekaran: When is surgery needed for the management of spine disorders?
- Dr. Satishchandra Gore: Minimally surgical techniques
- Dr. Raghu Prasad Varma: Challenges in rural Indian setting

The second symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

12. The second symposium ended by around 12.45 p.m which was followed by lunch break

13. Third symposium on Models of spine care started at 1.25 p.m, which was moderated by Dr. Carol Cancilliere. The speakers for this symposium were:

- Dr. Scott Haldeman: Global spine care initiative (GSCI) approach
- Kaivalyadham team, Lonavala: Can Yoga emerge as early model of spine care?
Demo in the last 5 minutes of session
- Dr. Pierre Cote: Turning evidence into policy of spine care

The third symposium was followed by panel discussion in which doubts and questions by the delegates were answered by the speakers.

14. The third symposium ended by around 3.05 p.m

Introduction to Pranic healing and twin heart meditation seminar

Preamble : GMCKS Pranic healing organization conducted an orientation to Pranic healing and twin heart meditation for the staff members on 8th February 2019

Objective :

1. Introduction to Pranic healing
2. Feeling energy or prana
3. Discussion of its application
4. Explanation and practice of the twin heart meditation
5. Live demo of healing for an acute case.

Date : 8th February 2019

Organized by : GMCKS Pranic healing organization.

Practice :

GMCKS Pranic healing organization organized a brief orientation to Pranic healing and twin heart meditation on 8th February 2019 for the teaching and non-teaching staff members of MGM School of Physiotherapy. The seminar began with a quick glimpse into the magical world of Pranic healing progressing towards Dr. Sheetal, a basic Pranic healing instructor guided the participants into feeling the prana/ energy ball after which its applications and testimonials were reviewed. The participants were then elucidated on the twin heart meditation followed by its execution and a set of pre and post exercises. The session was concluded by a healing demo for acute mid back pain for one of the participants and she experienced its superlative effect. The participants were given the reference of volunteers. Viral and Manisha (intern batch) for further inquiries and information.

Evidence of success : The participants reported in the feedback that the meditation session relieved anxiety and it rejuvenated them.

Guest lecture: Women's health and Physiotherapy in India

Date and Time : 27th March 2019, 1.30 p.m. - 4.00 p.m.

Attendees : Faculty Members, MPT students and Final BPT

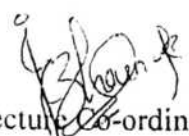

Venue : Seminar Hall, MGM Hospital, Kamothe

Summary :

- A talk was delivered by Dr. Bharti Bellare on "Women's Health and Physiotherapy in India" on 27th March 2019
- The informative lecture covered the basic anatomy of pelvic floor muscles, assessment and rehabilitation of pelvic floor dysfunction.
- Limited participation of women in social activities due to medical problems faced by women was highlighted during the session.
- Hands-on practical demonstration on diastasis recti was conducted
- This was followed by interactive session between students and speaker.

No of Students Participated : 50

Brief of the Activity: MGM New Bombay College of Nursing had organised a fire and safety awareness programme for the first year B.Sc Nursing as well as the M.Sc nursing students.

Mr Vaibhav Bele , Fire and Safety Officer and Mr Ashok Dighe, Fire Supervisor conducted the theory and practical sessions. The students were very enthusiastic during the session as it is very essential in the day to day life .Moreover, the session was very informative as they explained the importance of handling fire, electronic devices and electricity. In addition, explanation was given on the basis of real life incidents which made the students more attentive. Practical session was conducted on how to use fire extinguisher in an emergency.

Report of Activity

Date: - 15/03/2019

Duration: - 2 hrs

Name of the activity: - Session on Basics of OSCE/OSPE

Organizing department:- Medical Surgical Nursing

Number of teachers participated: 19

Venue: 5th floor seminar hall

Brief of the Activity:-

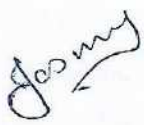

Dr. Bageshree Seth, Professor of Pediatric department & member of MEU, MGM Medical college Hospital, Kamothe conducted A session on "Basics of OSCE/ OSPE" for the faculty of MGM New Bombay College of Nursing on 15th March 2019. Dr. Bageshree had explained about the objectives of OSCE and OSPE, the difference between conventional exam and OSCE/OSPE and how to organize and conduct the OSCE/OSPE examination. All the faculties have attended the session and clarified all the doubts.

This session helped the faculty to enhance the knowledge on conducting OSCE and OSPE examinations in the college.

Brief of the Activity: MGM New Bombay College of Nursing had organised a fire and safety awareness programme for the first year B.Sc Nursing as well as the M.Sc nursing students.

Mr Vaibhav Bele , Fire and Safety Officer and Mr Ashok Dighe, Fire Supervisor conducted the theory and practical sessions. The students were very enthusiastic during the session as it is very essential in the day to day life .Moreover, the session was very informative as they explained the importance of handling fire, electronic devices and electricity. In addition, explanation was given on the basis of real life incidents which made the students more attentive. Practical session was conducted on how to use fire extinguisher in an emergency.

EVIDENCE BASED LEARNING WORKSHOP

Date: 15th and 16th December 2018

Venue: MGM SCHOOL OF BIOMEDICAL SCIENCES, Kamothe

MGM SCHOOL OF BIOMEDICAL SCIENCES along with Dept. of Optometry organised a workshop on “**Evidence Based learning**” for B.Sc. Third year AHS students by Ms.VidyutRajhans,Former Principal,Maharashtra Education Societies College of Optometry,Pune.Around 100 students attended the workshop which focused on topics including:Introduction to EBL, Article searching and reviewing, Importance of Brainstorming technique in teaching, Implementation of EBL in clinical decision making etc.

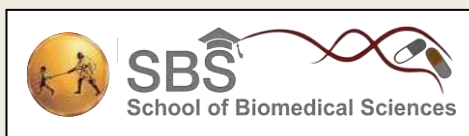

The students interacted with Ms. Vidyut Rajhans madam and the two day session ended with lot of innovative approach towards research and evidence based learning. The chief speaker was also felicitated by Dr. Mansi Thakur, Director, MGM SBS.

Event Name: National level competition for life sciences students

Date & Time: 20-21st December 2018

Location: MGM School of Biomedical Sciences, MGMIHS, Kamothe

Sr. No.	Event Title & Venue Details	Program Coordinators (Team members name)	Total No. of Participants
1	Basic techniques in Molecular Biology	Dr. Mansee Thakur Dr. Himanshu Gupta, Mr. Yogesh Patil	60+

Kindly attach 4 photographs

Dept of Medical Biotechnology, MGMSBS, Navi Mumbai
in association with
MakeIntern & ECell (Training partner of ECell event IIT-Kharagpur)

is happy to announce a **NATIONAL LEVEL COMPETITION** for Life Science Students.

MakeIntern is putting up 30 training (Zonal center across India and MGMSBS has agreed to partner with them. Below are the details of the competition.

Competition Rounds : There are two rounds in this program.

First round venue : MGMSBS, Navi Mumbai

Final Round Venue : Final round would be held at ECell IIT Kharagpur event

Benefits : Winners get medals, certificates of merit and prize money in finale. Training certificates to all participants during first round session in our college. Students from other colleges can join the session in our college.

Details of First Round:
A Hands on experiment based workshop will be held for the students.
Registered candidates will be given Workshop training on "Basic Techniques in Molecular Biology". Workshop will be of 2 days training (16 hours) and registration Charges are INR 2000/- per student and minimum 60 students in a batch need to there.
All students will be provided by the training certificate
Note: Workshop will be conducted by Industry Experts who have experience of more than 8 years to deliver the workshop in PAN India level.

(Intra College Competition):
The students getting trained will be going through a selection procedure on the end of second day of training: **5 best students out of 60** will be selected for final round.

Selection Procedure (Subject to Change):
1. Mock Test & Quiz?
2. Group Discussion
3. Experimental idea

Final Round
Selected Students will be representing our campus in a competition to be held at ECell event IIT-Kharagpur Campus and students will be awarded with medals, trophies, merit certificates

The details of the workshop are as per the below enclosed flyer.

National level competition for Life Science students
Association with ECell Fest (IIT Kharagpur Event)

Workshop Detail
Topic : Basic Techniques in molecular biology
Date : 20th - 21st December 2018
Registration Fee - Rs 2000/-

Highlights
1. Industry Experts as Trainers.
2. All Participants will receive Prize and Certificate in each round.
3. Competition to be conducted at the end of the workshop on the second day to select top 5 students.
4. Five selected students would be participating in finale round at IIT Campus.
5. Internship assistance for all participants.

Round of Selection
1st Round:
Dept of Medical Biotechnology, MGM School of Biomedical Sciences (Navi Mumbai)
2nd Round:
IIT Kharagpur

Venue : MGM School of Biomedical Sciences, (Navi Mumbai)
HOD & Associate Professor : Dr (Mrs) Mansee Thakur (9769909212)
Dept of Medical Biotechnology
Co-ordinators : Dr (Mrs) Himanshu Gupta (7021927739), himanshug@gmail.com
Mr. Yogesh Patil (9987227505), yogeshpatil1712@gmail.com

Short event report

Dept of Medical Biotechnology in association with MakeIntern and ECell (training partner of ECellevent IIT-Kharagpur) organised a National Level Competition for Life Sciences students on 20&21st December 2018. MGMSBS is an Zonal Centre for New Bombay for MakeIntern. The second level of the competition will be held at IIT Kharagpur for the national level winners.

The event started with a handson workshop on molecular techniques for the participants. 60 participants participated in the event with was basically for PG students but we received participation from UG students as well.

The event was a success and there were 6 winners at our campus.
