As per the norms of UGC, MGM Institute of Health Sciences, Navi Mumbai is registered under Society under Societies Registration Act, 1860 as well as under Bombay Public Charitable trust Act with its Registration Number – Maharashtra-177/06 (Society Registration Act.) and Registration Number – F-5466 (Raigad) under BPT Act.

*“The motto of Besant Hill School (of Happy Valley) started in 1946 by J. Krishnamurti, Dr. Annie Besant and Aldous Huxley along with a few other thinkers and philosophers was AunAprendowhich in Latin means ‘I am still learning.’ The school viewed education as a process where students learned how to think and not what to think.*

*MGMIHS is in the company of prominent institutions in the country that are involved in similar ‘experiments’ to identify innovative practices for quality enhancement and motivate their students and staff to achieve not just higher numerical grade points but to realize higher dimensions of universal values and community service. It would not therefore be inappropriate to define the motto of such institutions as: AunAprendo.”*

Rankings are based on objective and perceptual survey data. Only colleges offering a full-time undergraduate programme and which submitted their objective data of various three graduated batches were ranked. All scores have been rounded off to one decimal point, this may result in rounding-off errors while adding the parameters' wise scores. The colleges not ranked during perceptual survey have got no marks in perceptual score.
