Report of 'Gender Equity Program 2018-19'

NAME OF THE EVENT: "Gender Equity Program 2018-19"

PURPOSE OF THE EVENT: To know about the Gender Equity and the awareness related to it.

LOCATION OF THE EVENT: Academic Section, Department of Prosthetics and Orthotics, MGMIHS, Kamothe, Navi Mumbai

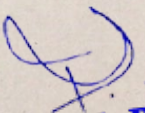

DATE AND TIME OF THE EVENT: Date: May 21st, 2019
Time: 11:30 am to 1:00pm.

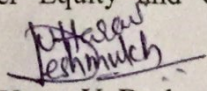

NO. OF ATTENDEES: 4 Faculties and 25 Students.

PROCEEDINGS OF THE EVENT:

The program started with the brief introduction about the "Gender Equity Program" which is given by Dr. Uttara Deshmukh, HOD of Prosthetics and Orthotics Department. She has introduced some points which we never thought of being important in these aspects. She told how to fairly treat men and women according to their respective needs. This include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations, and opportunities.

After that, the programme got continued with the presentation given by the students of II and III Year BPO on the topic "Gender Equity" and "Gender Sensitization" respectively. The program was beneficial for the whole team. Happy to know about "Gender Equity and Gender Sensitization".

- WE HAVE CONDUCTED MORE THAN 1,200 SESSIONS AT ALMOST 40 HIGHLY REPUTED ACADEMIC INSTITUTIONS
- WE HAVE CONDUCTED VARIOUS PUBLIC AND PRIVATE EVENTS

RATIONALE

We at AnSs believe that in this era of modernization and globalization, as the percentage of working women is increasing, so is the need for their safety, security and wellbeing. Merely learning self defence is not the absolute solution.

Hence, we propose that women be given an all-round training to be able to tackle odd situations confidently, effectively and decisively.

We cherish our association with **MGM Medical College, Aurangabad** and hope to take the journey forward.

A Brief Outline Of The Session

Details Of The Session

Gist -

AnSs conducted safety and wellness program at MGM Medical College, Aurangabad, for its faculty members and Post-Graduation students on 19th July, 2018.

The program emphasised on the need for a constant and all-round preparation by all individuals with regards to their safety and wellness.

The training was done by way of presentation, interaction, demonstration & practical training.

Total No. Of Participants - 119

Pg. 02 – AnSs' Report

Highlights Of The Session -

- 1) Insight into crimes against women
- 2) The real scenario and questions were put forth with a view to find effective means and methods of resolution
- 3) Gender sensitization and social harmony.
- 4) Self defence training
- 5) Related fitness concerns and training
- 6) Related wellness concerns (Stresses) and management.
- 7) Awareness on the need and importance of learning to handle emergency situations.
- 8) Awareness on the importance of understanding and learning legal rights and their implications.

Looking Ahead

AnSs shared their view that in this era of modernization and globalization as women are making great progress in all directions, the need and concern for their safety and well-being is also on a rise.

AnSs highly appreciated the positive steps taken by MGM Medical College, Aurangabad with regards to the subject and assured that this valuable association will go a long way in fulfilling our mutual quest of making the lives of individuals better and the atmosphere more informed and positive.

The program covered various concerns faced by women with a view to motivate them to become truly independent and be more prepared to handle day-to-day challenges and odd situations more effectively and decisively.

AnSs added that the safety concerns faced by any individual can reflect directly on their attitudes and behaviour, in turn taking a toll on their individual performance and growth. Hence the training emphasised the need for preparation to attain greater personal fitness, self-confidence & self-reliance to be more efficient and accurate. Taking this view forward we propose an elaborate training be taken forward for students.

We together envisage and dream of a society that is serenely harmonious in its character and is built on amicable togetherness and perfect unity and a serious effort was made to find out ways of fulfilling this aim.

Best Regards

AnSs

NATIONWIDE COMPETITION: SESSION ON GENDER SENSITIZATION AND AWARENESS ABOUT LEGAL RIGHTS OF WOMEN

The National Commission for Women (NCW), Govt. of India launched second nationwide competition for generating awareness about legal rights of women for ensuring that all sections of society are fully conversant with the law and contribute effectively for their successful implementation, with a view to ensure adherence to the constitutional and legal requirements. On this context, MGM SCHOOL OF BIOMEDICAL SCIENCES along with other institutions of MGMIHS conducted **“Nationwide competition to create awareness about legal rights of women”**: MCQ based test, encompassing questions from topics related to the Gender sensitization, women specific & women related laws. For this purpose, a teaching session by Advocate Nikhil Bajpai, MGM Law college, Nerul was arranged on

Gender sensitization for B.Sc. Allied health sciences students (1st, 2nd and 3rd year) on 10th December 2018.

On 15th December 2018, the MCQ test was conducted for the students (UG and PG) of MGM SCHOOL OF BIOMEDICAL SCIENCES, MGMIHS in University Examination hall from 10am to 12pm. 384 students gave the test and the results were compiled after correction of OMR sheets. The names of top two winners along with 3 third prize winners were finalised and sent duly to the university. This session of MCQ based competition was an informative experience to all students of MGMSBS.

REPORT ON WORKSHOP

(18/1/2018)

GENDER SENSITIZATION

&

IMPLEMENTATION OF THE COMMITTEE AGAINST SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

(PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The MGM Medical College, Navi Mumbai, strongly encourages gender parity and is constantly working towards providing a conducive environment for efficient and effective communications between the employees and students. Men and women need to be sensitized towards gender issues, the boundaries that exist between colleagues and how such boundaries are crossed. The students and faculty of the University also need to be constantly informed about the Sexual Harassment of Women at Workplace Act, 2013 and the manner in which the Internal Complaints Committee is constituted and how it works towards providing protection against sexual harassment of women at workplace and for the redressal of complaints of sexual harassment. In order to address such concerns a one day workshop was organized by Gender Champion committee, MGM Medical College on 18 January, 2018. The objective of the workshop was to sensitize the participants on gender issues, to help them be aware of gender biases, to help them resolve interpersonal conflicts arising from gender issues and to enable them to act assertively and respond to challenges in workplace. The Workshop was held with the intention that Departments will maintain a code of conduct related to gender sensitization and create awareness about gender issues and Sexual Harassment at Workplace Act, 2013.

THE FORMAT OF THE WORKSHOP

The themes were divided in the following manner.

- Understanding Gender as a social construct
- The Many Forms of Gender Inequalities and Male centric Societies
- The Sexual Harassment of Women in Workplace Act, 2013.
- Towards Gender Parity

Speakers for the Workshop:

1. Dr.karuna Ramraje - Principal, MGM College of Law: Spoke on Sexual harassment and POCSO Act
2. Dr. Rishikesh Wadke – Assistant Professor, Department of Community Medicine: Spoke of Gender sensitivity, Gender Bias and Understanding Gender in detail.

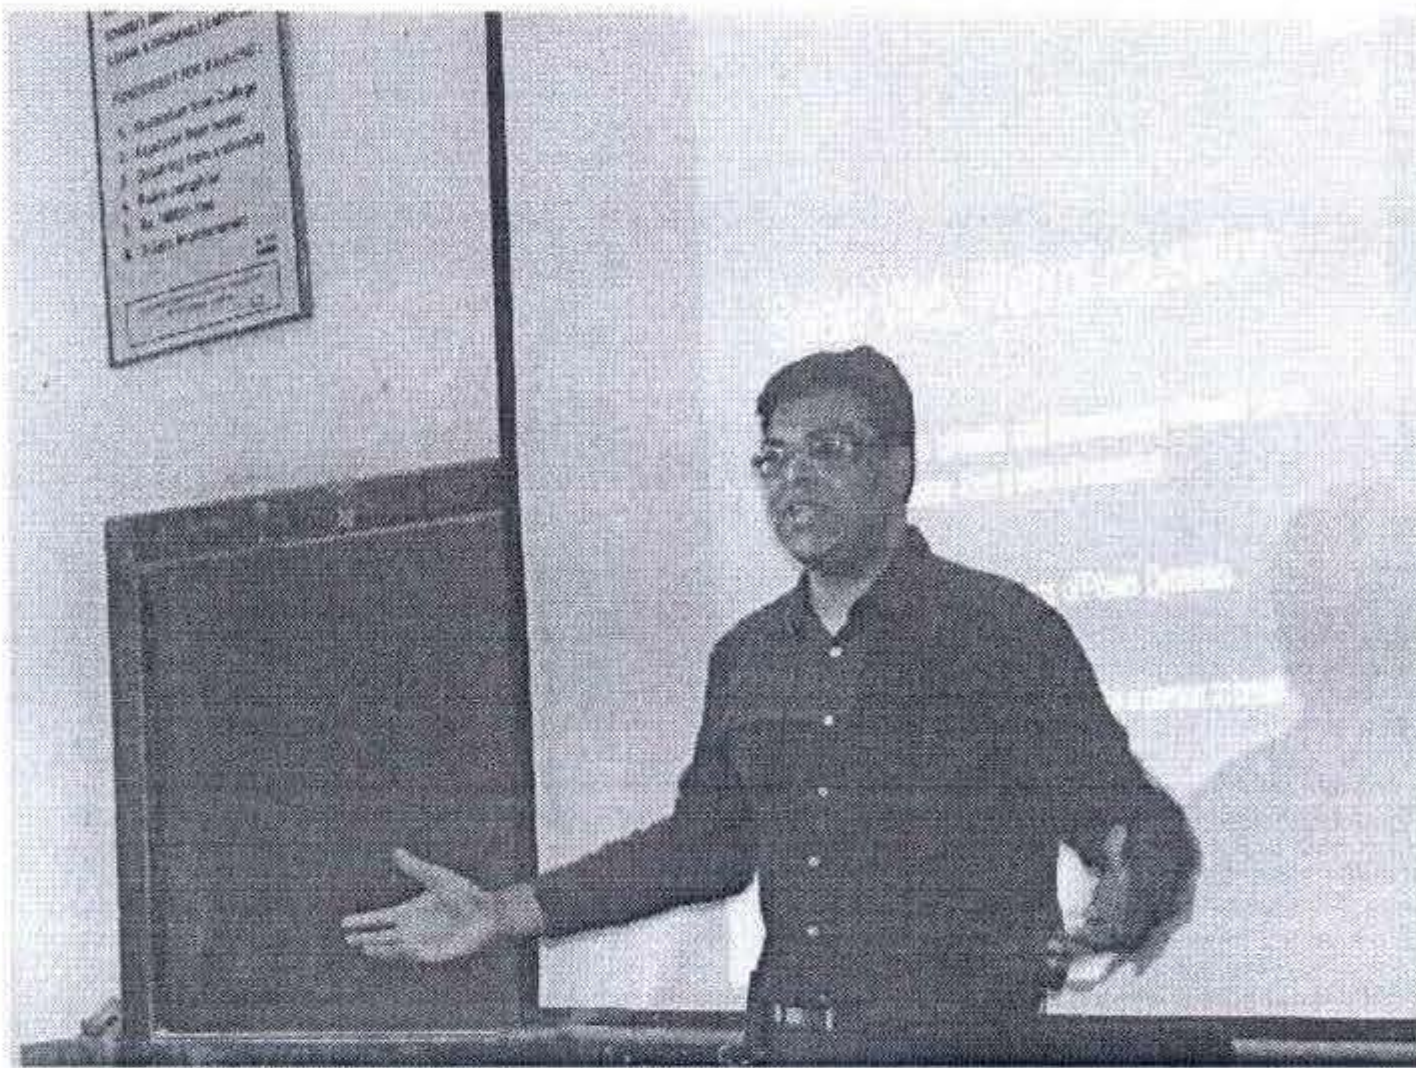

The participants participated actively in the open house discussion and were appreciative about getting an opportunity to know and discuss gender sensitivity and implementation of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal), Act 2013.

Around 188 participants from various departments of the college attended this workshop. The workshop concluded with vote of thanks.

REPORT ON ‘GENDER SENSITIZATION’ WORKSHOP

Date: 18th January 2018

Location: MGM School of Biomedical Sciences, Kamothe

Gender sensitization is a major issue in Indian Society. Indian Society is basically a male dominated society where women are always considered secondary in every field of life. In the ancient Indian scriptures women were given a glorified status. She was an embodiment of Shakti. However, Manusmriti made such statement about women which relegated to a position of backwardness and timidity. Her status and respectful position in the society suffered during that time. Indian society must practice equality for both male and female population as Indian constitution has given equal status to both. Considering this fact of oneness and equality, MGM School of Biomedical Sciences organized a special workshop on Gender sensitization with support of **Dr. Mansee Thakur, Director, MGM School of Biomedical Sciences** and under the guidance of **Dr.Parineeta Samant, Chairperson of Prevention of Sexual Harassment(POSH) and Violence Against Women** and her team members.

The detailed report about this programme is as follows:

Venue & Date

The Gender Sensitization workshop was held in auditorium of MGMIHS on 18th January 2018 from 2:00 pm to 4:00 pm.

Participants

The work shop was attended by total 283 participants. This included HODs and Faculties of various departments as well as students from various courses of B.Sc., M.Sc. and MBBS.

Coordinated by: Dr Aparna Kakkad, Director, MGM Clover Dale School

Supported By: MGM Sakshama

Report: A three day workshop on self defence for women was conducted for the female students and staff of the MGM Medical College in the Clover Dale School Shrivasti hall. It was organized on the occasion of Women's Day. Around 150 women learnt the skills of self defence in the workshop. They were encouraged to have the confidence, skills and ability to defend themselves in emergency situations through close combat, weapon training, and practical drills. As DMATC believes that self defence through combat is the need of the hour in the current social condition which the women have to face in daily life, this workshop intended to promote the importance of self defence among women. The workshop was a grand success and participants left with raging confidence to defend themselves.

Sir/Madam,

It is hereby to inform you that we have chosen three gender champions as per the UGC guidelines. For this, the notice regarding the gender championship was being displayed on the notice board; on basis of which we received 8 applications. The selection was done under the supervision of the scrutiny committee-comprising the principal, two students' representatives, and one female staff. On basis of the credentials being verified three gender champions were selected-

- Ms.Pratiksha Faye
- Ms.Prachiti Sakhlecha
- Mr.Gopal Mantri

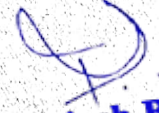

The principal hence forth has awarded the "gender champion" badge and selection letter to the awardees.

Along-with this, the nodal officer was being selected as the guidelines enlisted and Dr.Varsha Mishra was appointed as the same.

Thanking you,

Sensitization Program on 'Prevention of Sexual Harassment against Women' Held at MGM Medical College, Navi Mumbai

As part MGM Medical College endeavor of ensuring a safe, secure and gender neutral campus, the Institute organized a Sensitization Program on 'Prevention of Sexual Harassment against Women' on April 19, 2017. The session was conducted by department of Community Medicine.

Speakers for the event were- Dr. Karuna Ramraje, Principal, MGM College of Law and Dr. Rishikesh Wadke, Assistant professor, Department of Community Medicine. Both of the experts also work for Gender sensitivity related issues and POSCO. Dr. Rishikesh Wadke is a member of Maharashtra University of Health Sciences, for integrating Gender in Medical Curriculum, who believes that sexual harassment against women does not only cause mental and/or physical damage to the person harassed; but also seriously curtails opportunities at work by creating a discriminatory work environment. The session covered aspects related to hearing and addressing complaints regarding sexual harassment and spreading awareness about gender-related issues and functioning of the Internal Complaints Committee.

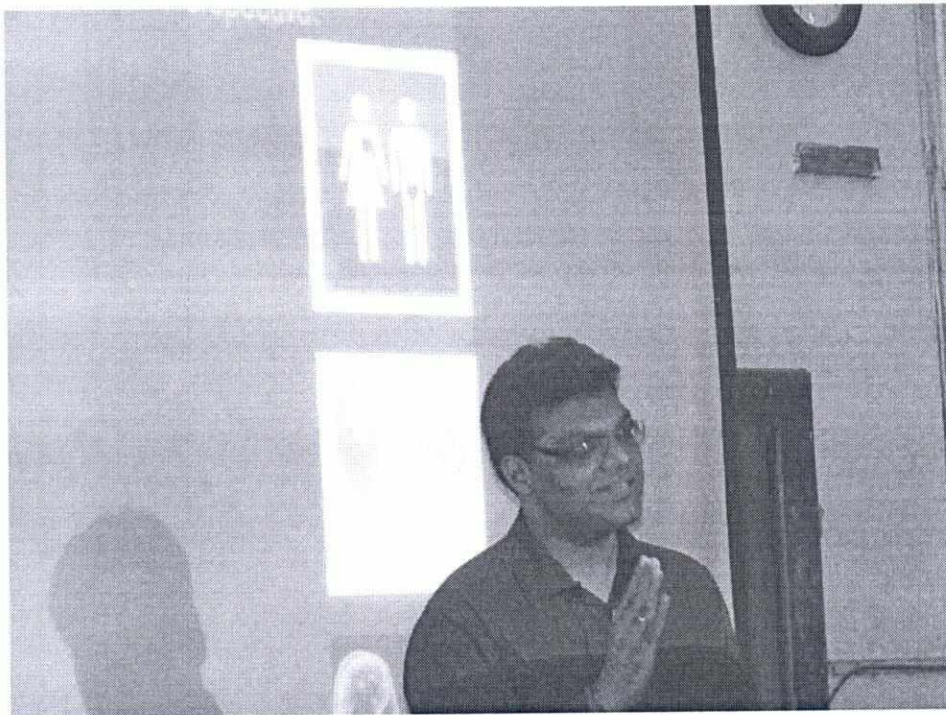

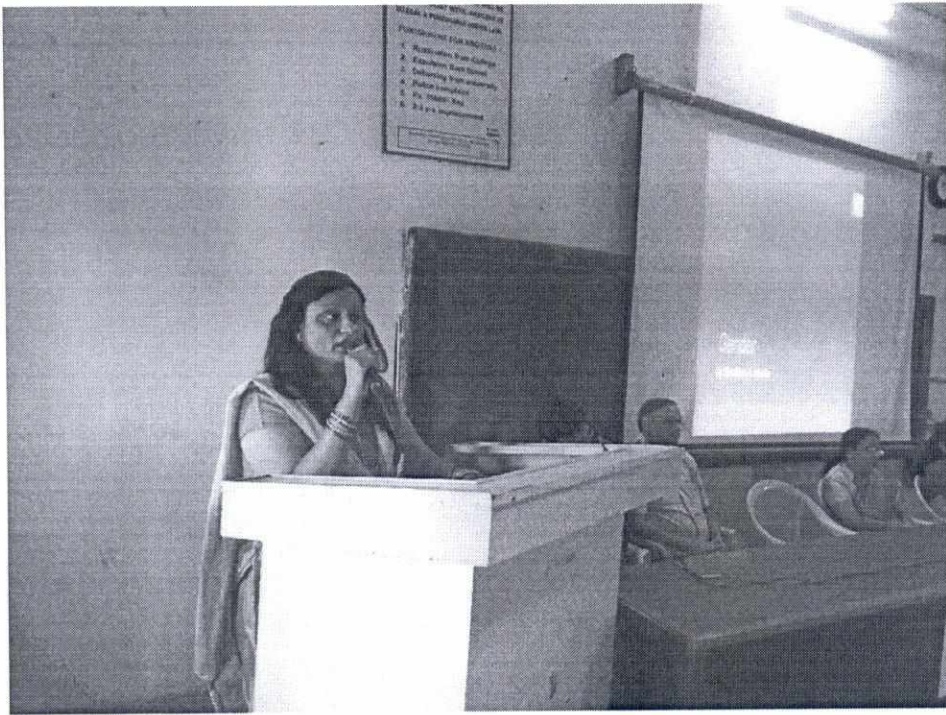

The session began with welcome address by Dr. Seema Anjaneya, Professor and Head, Department of Community Medicine. Dr. Karuna R. started her talk by an activity which explained the difference between 'good touch' and 'bad touch' and explained how a person's body language plays an important role in understanding what he or she feels. Discussing about various forms of sexual harassment (verbal, physical, visual), she said that silence doesn't always mean that any act is welcome; and encouraging some behavior doesn't mean that any kind of behavior is welcome. She also discussed how many women do not complain or report due to fear of retaliation, social stigma, lack of evidence, fear of loss of reputation, low self-confidence, fear of job loss or lack of awareness. Dr. Rishikesh Wadke gave an explanation about the importance of Internal Committee in every organization, he talked about Sexual Harassment of Women at Workplace Act, 2013 and discussed the timelines and Pit Stops for Internal Committee and how the Internal Committee works. He then discussed about the three major laws in context to sexual harassment namely, Indian Penal Code, Criminal Procedures Code and Information Technology Act. He also gave suitable examples and explained the difference between workplace harassment and sexual harassment and the process of filing complaints at Police Stations. The session concluded with details of how any organization can take preventive measures against sexual harassment.
