Dear Madam,

This has reference to the Medical Camp organized jointly by the Rotary Club of Smart City Navi Mumbai on Saturday (13.1.2018) 10.30 am to 1.30 pm.

UHTC took pains to mobilize the team of Doctor and Para Medical workers to organize activities at the Medical Camp.

The Medical Camp was a great success as almost 500 commuters benefitted from the Health Check Up camp. Camp detected number of new cases of Hypertension and Diabetes which will go a long way in managing their health problems which otherwise would have gone undetected.

The spontaneous acceptance and efficient organization of the Medical Camp by the team from UHTC is greatly appreciated and Rotary Club to forward to many more such collaboration in future.

With Best Wishes,

Health services like School Health Examination are generally inaccessible to the school going children particularly in tribal areas.

Rotary Club of Smart city, Navi Mumbai decided to reach these children and requested UHTC Department of Community Medicine, MGM Medical College to collaborate with the Rotary Club for organizing such an examination. UHTC, mobilized a team of Doctors, Para Medical staff including Nurses, Laboratory technician and specialists for purposeful School Health Examination.

Rotary Club of Smart city, Navi Mumbai has no hesitation to record its deep appreciation for the cooperation by the UHTC in organizing school health examination of deprived children.

Rotary Club looks forward to similar association in times to come.
