Brief of the Activity

: On 7th September 2018, Mrs. Sindhu Thomas, the faculty

of Child Health Nursing department with 3rd year B.Sc Nursing students of MGM New Bombay College of Nursing, Kamothe, and Dr. Sunila from PSM Dept, MGM Medical College, Kamothe with interns and residents reached the venue at 10.30 am. Medical officer of that region Dr. Vadik along with other officials were present at the venue. Mukyasevika along with other political officers and nearly 20 anganwadi workers jointly participated in the program. During the campaign student representatives have carried out a survey on complementary feeding from women who gathered there after seeking the informed consent. The students also explained the significance of initiating complementary feeding at the age of 6 months along with various recipes of high nutrient food items available at lower cost. Distribution of cereals and pulses were followed after the discussion. The beneficiaries were antenatal mothers and mothers of under five children. The program was ended with vote of thanks by Mrs. Sindhu Thomas. The group was very happy and dispersed by 2.00 p.m.

ACTIVITY REPORT

On September 28, 2018, MOHAN Foundation Navi Mumbai Forum conducted an awareness training workshop on organ donation at MGM New Bombay College of Nursing (MGMNBCON), Kamothe, Navi Mumbai, Maharashtra. Dr.(Mrs.) Prabha K. Dasila, Director (MGMNBCON), welcome the resource persons for the talk Mrs. Jaya Jairam, Mrs. Jigisha transplant co-ordinators Navi Mumbai Branch made the necessary introductions to get the session organized.

Pretest knowledge of the participant was collected with structured questionnaire based on organ donation.

The session began with an inspirational video on organ donation. Mrs. Jaya Jairam then introduced the concept of organ donation & transplantation. She stressed on the fact that it has become the need of the hour as many people are suffering from end stage organ diseases and are dying due to want of an organ as the demand of organs is more than the supply.

The concept of brain death was elaborated upon with the help of a video that cleared the difference between coma and brain-stem death. The myths related to organ donation that exist in the society were touched upon and their corresponding reality checks were provided.

The myths related to organ donation that exist in the society were touched upon and their corresponding reality checks were provided.

She asked the participants the reason of European countries having a much better ODR as compared to India. Majority of them cited, 'lack of awareness' as the primary cause. While on this topic, the consent system i.e. Opt in and Opt out system of organ donation that are followed worldwide were also explained.

At the end Mr Patil and Mrs HarshadaSarpanch of the village gave a speech on thanking us for conducting the health camp which we had provided for the people of Dhodani and wished us all the very best for our future.

PUPPET SHOW

A puppet is an object, often resembling a human, animal or mythical figure that is animated or manipulated by a person called a puppeteer. We performed a hand puppet, which is controlled using one hand that occupies the interior of the puppet and moves the puppet around. A live-hand puppet is similar to a hand puppet but is larger and requires two puppeteers for each puppet.

We the 2nd year PBBSc Nursing students and 4th year BSc Nursing students had performed a pupper show on Personal Hygiene and they delivered different ways of personal hygiene practices through different character and children's enjoyed the show and also learned about personal hygiene practices.

AALDI KUMKUM CEREMONY

Haldikumkum is a ceremony where social gathering in India in which married women exchanges haldi and kumkum, as a symbol of their status and wishing for their husbands' long lives. The ceremony is particularly popular in the Western Indian States of Maharashtra, Gujarat, Rajasthan and Goa.

We celebratedHaldiKumkum function in Dhodani village.

The married women participated in the ceremony and our principal madam Dr.Prabha K Dasila offered the HaldiKumkum to head of the village (Sarpanch) and madam Mrs.JyotiChoudari offered a haldikumkum to Anganwadi workers and followed by Mrs ShubhangiNanekar and Ms Aishwarya offered haildikumkum, steel bowl with flowers, fruits and sweets to the village married women.

They expressed with joy, happiness and satisfaction.

NUTRITIONAL AWARENESS

The students of 2nd year P.B.Bsc nursing and 4th year B.sc nursing MGMNBCON conducted a nutritional awareness on 6/2/2019 in dhodhani village under the guidance and supervision of Mrs. VandanaKumbhar, Associate professor MGMNBCON.

The objective of the nutritional awareness was to create awareness on nutritional deficiencies, planning and appropriate menu and prevention of nutritional deficiencies.

The counters were arranged into two different food stuffs. First counter is food stall, menu consisted of ragiidli, ragiladdu, dal,ricebhakari, drumstick leaves curry, drumstick fry, yam recipe, flattened rice, sprouts salad. Alzheimers day celebration

At

param shanti dham Taloja

INTRODUCTION

Param Shanti Dham which is located in Taloja, Navi Mumbai. It provides various helps to old age people. There are around 52 members in which 25 are male and 27 are females who live there. It also provides them all their basic needs. It is also known as "Seva Kendra Vrudhawadi" This old age home started in 15 March 1988.

Objectives:

- 1. To create awareness of general health among the old people
- 2. To identify the general health issues.
- 3. To provide basic health care facilities to the old age people and the faculties.
- 4. To create awareness regarding prevention of Alzheimers diseases.

MGM New Bombay College Of Nursing, 2ndyrBscnursing students and medical team reached paramshantidham on 22nd September at 9:30am. Medical team includedTwo doctors ,Dr.Suvarnaopthaologist and Dr.Varsha Reddy geriatrician, nursing students with lecturers.Students organized different counters for health check up like registration counter, geriatric assessment. generalcheck up include vital signs blood glucose , ENT and ophthalmic reference counter.

Registration counter: Registration counter was the first entry point of any individual who came there and it reflected the services provided in the health camp. All the 52 members had came for the health check up and registered their names, age, and their health issues.

<u>Geriatric Assistment:</u> Dr. Varsha a geriatrition had done geriatric assistment by taking in consideration their condition we have measured their dementia scale reading.

ENT and Opthalmic chekup Counter: TheENT and Opthalmic assessment was been done by Dr. Suvarna for cataract and other vision related problems.those who were having problem referred to MGM hospital for cataract surgery and also for getting glasess.

General checkup: Vital signs had been monitored by the doctors and the nursing students as the general check up routine. Along with it diabeties screening was been done by checking their RBS.

Students and medical team conducted health check up of geriatric group in there room those who were bed ridden

Alzheimer day Programs organized by MGM IUDN students:

1. Street Play:

After health check up a short street play was organised by the nursing students on Alzehimer's topic. The street play created a sense of awareness among the audience. The street play highlighted the various signs and symtoms, causes and prevention of Alzheimers through songs and act.

2. Games:

 Memory game: This game was about recognizing the names of legendary film stars of their era such as Madhuri Dixit, Amitab Bachan, etc.

• Finger rangoli for old females

• Painting:

Singing competition on given word: The old people loved singing songs they sang different songs of their choice they enjoyed the atmosphere created by us.

CONCLUSION

The Alzheimer's day celebration and medical check-up camp has proved to be beneficial for those helpless old people residing there. It has given a good opportunity for the nursing students to conduct health check camp and perform informative street play on Alzheimer for them. The program was conducted smoothly and conveyed the message of promoting health.

REPORT ON VITTIYA SAKSHRTA ABHIYAN

VITTIYA SAKSHRTA BHIYAN campaign was conducted by MGM Institutes University Department of Nursing on 9/2/17 & 13/2/17 in the Urban Community at CBD Belapur, Navi Mumbai, for promoting digital economy to make India free of corruption, black money, completely transperent. The important component of this campaign is to ensure that every campus becomes completely cashless by adopting digital payment system in all its receipts, payment and transaction. Following are the activities conducted;

- 1. Lecture Total 100 students attended the lecture pioneered by lecturer on digital payments and on step by step instructions for various mode of payment. Topics covered in lecture were;
 - Debit card
 - · Credit card
 - (POS) point of sale
 - Unstructured supplimentry service data (USSD) Based Mobile Banking
 - Micro ATM transaction
 - E-WALLETS
- 2. The students visited to nearby market places to educate shopkeepers of small scale business about digital payments. The topics covered were; advantages of digital economy and different mode of online payments by using various applications like E-Buddy, Paytm, freecharge and about use of Debit card, credit card and point of sell (POS).
- 3. Skit along with different AV Aids was presented by students and live demonstration of online transaction was given.

The campaign was effective as information provided to shopkeepers was very helpful.

MGM NEW BOMBAY COLLEGE OF NURSING

COMMUNITY ACTIVITIES (2014-2015)

MGM New Bombay college of Nursing conducted various community based activities in the academic year 2014-2015 under the guidance of Dr.(Mrs.) Prabha K.Dasila, Principal MGM New Bombay college of Nursing, Kamothe Navi Mumbai.

Community Programme

1. INTERNATIONAL BREASTFEEDING WEEK CELEBRATION

International breastfeeding week was celebrated during 1st August 2014 to 7th August 2014. Following activities were conducted by department of Child Health and Community Health Nursing Department from MGM New Bombay College of Nursing, Kamothe.

Rally: The rally was jointly organized by the Urban Health & Training Centre, Palm Beach Rotary Club, Punjab Cultural & Welfare Association and MGM New Bombay College of Nursing, Kamothe on 4th August 2014 at 11am. Sixty students from college of nursing actively participated in the rally along with three teaching faculty. It started from Urban Training Centre in Punjab Bhavan and covered the slum areas of Sector-8, Belapur.

Talk on Nutrition: A health talk and video presentation on Nutrition of Pregnant & Lactating Mothers was given by Mrs. Pritika Jain, Dietician, MGM Hospital & Research Centre, CBD Belapur on 5th August 2014.

Talk on Human Milk Bank: 45 students and 2 faculties from the college attended a lecture on human milk banking organized by MGM Hospital & Research Centre, CBD Belapur on 7th August 2014 at 1pm. The speaker of the event was Dr. Ravi Kumar, CEO and Managing Trustee of "Freedom for you Foundation".

Role Play: MGM New Bombay college of Nursing students organized a role play on 8th August under the guidance of faculties in Ramabai Nagar, Belapur showing the importance of exclusive breast feeding for newborns.
