Sub : Organizing one day Data Dissemination Workshop on Primary Census
Abstract and other 2011 Census Data..... regarding

Sir,

This Directorate is regularly organizing workshops every year to create awareness of latest data release from Census Department. Accordingly this year we are planning to organize one day workshop probably in the second week of March 2015 in association with Mahatama Gandhi Memorial Medical College. The participants will be Researchers, Academicians and Students engaged in the field of demography and population sciences.

I hope this will benefit your faculty members and students to know about various levels of Census data on different issues like aspects of Population. All expenses on various items will be borne by this Department and we request you to provide a hall and other infrastructure facilities in your college for one day.

I request you to kindly convey your consent to our proposal. Thereafter for more information I will be able to depute Officer Shri. S.N.Payas, Assistant Director who will give a complete information about the workshop, theme, schedule etc...

I therefore request you to kindly look into this and inform us about your willingness to organize the Workshop in association in this workshop.

Yours faithfully,

(Dr. S.S.Hiremath)
Joint Director of Census Operations,
Maharashtra, Mumbai.
