#### **Annual Day (ATHENA 2018)**

**Date: 05/03/2018**

**Venue: MGM ground**

**Time: 5.00pm onwards**

It was finally the day all the students were eagerly waiting for, the climax of Athena 2018, the cultural night. Although it indicated the termination of the relaxed, creative and recreational ambience in the college, the students were extremely thrilled and this spirit was undeniably flowing, reflecting in the energy of the crowd.

The evening began by invoking the blessings of the supreme being and lighting the lamp. The ever enthusiastic final years showed their gratitude and respect to the almighty through an amazing classical dance performance, Ganesh Vandana.

There were group dance performances from every year right from the first year to our MPT's along with the P and O Department, some highlighting social issues and some purely act of entertainment.

This time the theme for the Annual Fashion show was different and focused on Body Positivity and encouraged everyone to be a part of this event. It was first time where external judges were invited to judge the Fashion Show and select the Mr. Athena and Ms. Athena for the year 2018. The external judges were Ms Yashvi Shukla (Choreographer), Ms Shivani Joshi (Actor).

We were pleased to see our Alumni joining us for the Annual Night along with the presence of the ex-faculty members. There was a small token of appreciation given to the Alumni and the ex-faculty members and our Committee heads by our Honorable Director and Principal

The teachers left no stone unturned to show their amazing talent in the form of dance and left everyone speechless with their fashion show performance.

The first week started from 16<sup>th</sup> April – 20<sup>th</sup> April 2018, when our cultural committee was preparing for the events we started with our knock-out rounds. Following were the sports activities conducted during the week.

- 1)Box cricket – Girls
- 2)Futsal – Boys
- 3)Football – Boys
- 4)Athletics – 100m running
- 5)Athletics – 400m Relay

The second week from 21<sup>st</sup> April to 27<sup>th</sup> April was a hectic one with all the students juggling between the cultural, literary and sports activities. We applaud them for the enthusiasm they showed despite these time and energy-consuming activities. Sports events conducted during this week were:

- 1)Cricket-boys
- 2)Table tennis- Boys and Girls
- 2)Badminton-Single, Double and Mixed.
- 3)Carom

4) Chess

5) Volleyball -boys

6) Throw ball -Girls

7) Shot-put

8) Tug of war- Boys and Girls.

The entire event was thoroughly enjoyed by the players. Personally, my favourite part was the tug of war. It is a sport that symbolises the correct use of technique and strength and unity. Each and every individual of the team putting in his/her best efforts to make their team win. The spectators hooting in excitement, rooting for their favourite team to win.

Sports activities demonstrate the use of power, technique, unity and intellect. I appreciate each and everyone who has put in efforts to make the sports events successful and enjoyable. I applaud the sportsmen, the teams that participated for their energy and dynamic-spirit. I advise the coming batch to take a step ahead and focus on the game. How you strategise to play helps you win half the game. Work hard and enjoy the sport you play.

Greetings from the Literary committee.

We feared we had sunk our reputation on our first attempt with Shipwreck!, But thus is the hand of destiny, passing despair and hope together, disguised as one. The wonderful souls in the audience stepped up and helped turn the event into an impromptu open-mic, a true embodiment of modern day literary expression.

### **Day 2: 22<sup>nd</sup> April ,2018 ATHLEISURE DAY**

The judges expressed their opinions on the topics and encouraged healthy discussion.
