With due respect, I would like to submit that Mr. Rakesh Kumar Choudhary, Commandant, is posted in 131 Bn., Central Reserve Police Force, which is deployed for Internal Security duties in Bihar and Jammu & Kashmir for Shri Amarnath Ji Yatra security. As you may be aware that CRPF has a tough mandate of ensuring internal security in the length & breadth of the country, the officer has most of the time served in high conflict Zones of J&K, North-East India and Left Wing Extremism affected areas. Frequent postings at remote non family locations take a toll depriving a stable and conducive education arrangement for children. His wife Dr. Poonam Choudhary is also serving in Central Reserve Police Force as Chief Medical Officer.

His daughter Ms. ANANYA CHOUDHARY, is seeking admission in MBBS in the current academic session in your esteemed institution. (Details encicsed)

I shall be gratefu! if she is granted admission as a special favour being the ward of serving Central Armed Police Force personnel.

Sub: Discontinue PG Course - Doctor of Medicine "Immunohematology and Blood Transfusion"

Respected Sir,

This request letter has reference to the discussion with you on Saturday, 4th November 2017, I had enrolled myself for Doctor of Medicine for the "Immunohematology and Biood Transfusion" on 2nd May 2016. I had taken charge as a junior resident since May 2016 in the department of Immunohematology and Blood Transfusion under guidance of Dr Seema Gupta and now in the second year of the program. While the classes and the course curriculum have been engaging enough, I find that I am unable to keep up with the coursework. As suggested. I have taken a two months break, however still I wish to discontinue the course.

In lights of the above, I request you grant me permission to discontinue the course so that I could explore other options, more suited.

Looking forward to your positive response.

Thanking you in anticipation.
