The Anti Ragging Committee meeting started at 11AM in Ground Floor Conference Hall of MGM Medical College, Kamothe, Navi Mumbai..

Chairman welcomed all the Committee members and the meeting started.

Dr. Shilpi Sahu, Nodal Officer, has read the complaint received from the Anti Ragging Helpline vide No., ARCC/MH-6737 Dated: 23/08/2021 by giving a copy to each member. The name of the complainant is not mentioned in the compliant..

Chairman (Dean) has informed the members of the Anti Ragging Committee that, after receiving the E-Mail from the Anti Ragging help line, the following action has been taken as a prima facie.

- The Senior student named Dr. Rohit Khapre against whom the complaint has been reported was temporarily suspended with immediate effect . from. 23/08/2021 and kept away from all Juniors .
- All the Juniors were called and counseled , so that they feels safe and assured them that the authorities are with them & the complaint will be scrutinized and the identity will not be revealed , since we do not know the complainant.

Dean.
M.G.M. Medical College & Hospital
Kamothe, Navi Mumbai - 410209

The Committee discussed the Complaint and started the investigation.

As per the Committee decision, Dr. Rohit Khapre was called first (whose name is in complaint) , for investigation. One copy of the complaint was given to him. He introduced himself as 3rd year Resident in General Medicine . The Committee interrogated him about the Complaint received. from the AR Help Line. He has denied that he has done anything to his Juniors that he did not stop any one for food, sleep and not threaten any of them or passed any comment on them. He said he always helped them in learning and perform duties the duty roster of the department

All the Junior Resident-II have been called for interrogation one by one.

They have been given confidence that they can express if they have any complaint since the complainant is not known. They have been asked whether they have any complaint against any of the seniors. Whether any body has harassed them mentally or physically. Any other problem with food. Any seniors ill-treat them.

All JR II (Junior Batch) have given statement to the Committee that they have not given the complaint and they do not have any such problem with any of the Seniors including Dr. Rohit Kharpe. Some times on call duties they missed food which is usual in residency programme as they said.

During interrogation with One junior student he had problem with call duties and due to which sometimes he missed the food. The Committee asked him whether you have shared these problems with any of your batch mates, SR, Faculty, PG Guide or HOD. He said he has not shared with any of them.

After the interrogations, the Committee members have given their views about the Complaint as follows :

All members of the Committee clearly pointed out that this is not to be considered as ragging. Since no body has informed about any problem, this may be due to work pressure and the adjustment problem in some Juniors in call duties. In addition due to delay in admission for MD/MS 2021 one batch is not joined yet..

The Parent representative Mrs. Anam has given her statement that as the fresh batch of 2021 is delaying due to Covid situation NEETPG exam is postponed to Sept.2021, one entire batch is yet to come,.

Dean.

M.G.M. Medical College & Hospital
Kamothe, Navi Mumbai - 410209

Dr. Nath also supported to that One Full batch who all are supposed to come in April-May 21 is missing till date. This has caused a work pressure in 2020 batch, which is to be noted

Dr. Bodhe has informed even though victim has not given identity, we have to take care of the complaint very carefully with consideration. Juniors should get sufficient time to have food and sleep. The Mess Committee should be informed to take more care about the distribution of food in time.

Dr. Vishwas Sathe has expressed the role of Mentor/ Mentee/ PG Guide in each department and the student should approach them in case of any difficulty,

FINAL RECOMMENDATION OF INSTITUTIONAL ANTI RAGGING COMMITTEE

The Committee is of the opinion that there is no ragging case. This issue is of work adjustment problem in some Junior in call duties. In addition due to delay in admission for MD/MS 2021 one batch is not joined yet..

- 1) The ARC recommendations to all PG Teachers / Unit HOD Department of General Medicine to look after the Juniors and not to avoid/missing of food /meals during working hours and stick to their duty roster.
- 2) Look after the students took rounds in time, exceptions to emergencies for the patient care.

D.O.No.F.1-1/2013(PG)

5th February, 2019

Respected Madam/Sir,

Kindly refer to earlier UGC communication D.O.No.F.2-1/2013(PG/Pt. File) dated 9th August, 2017 (copy enclosed), wherein, universities/HEIs were requested to have a 'notice board/flex board fixed near the office of the Vice-Chancellor/Director/Dean/Principal of the University/Institute/College to ensure publicity/awareness of the establishment of Grievance Redressal Mechanism and Students Grievance Portal. This would not only help in reducing the number of grievances being received by the MHRD on the CPGRAMS portal but would also cut down the delay in redressing the grievances of the students. However, there have been representations by the Appellants/Petitioners who are not satisfied with the response/time taken in disposing of the grievances. In this connection, both DARPG and Ministry of HRD have emphasized that all Educational Institutions be requested to take action on prominent display of information regarding grievance redressal mechanism.

It is, therefore, requested to kindly take the following necessary actions:

- a) Speed up the disposal of grievances and reduce the number of pending grievances.
- b) Fix up Notice Boards at prominent places giving following details for the convenience of students and their parents/guardians:
 1. Name of the Vice-Chancellor/Director/Registrar/Principal
 2. Name of the Nodal Person with phone number & e-mail address
 3. Details of online grievance portals
- c) The colleges affiliated to your university, if any, may also be asked to take above mentioned necessary action immediately.

Further, it is requested to upload a compliance report at University Activity Monitoring Portal (<https://www.ugc.ac.in/uamp>) within a week by providing photographs of such Notice Boards installed/fixed by the Institution. This may please be treated as Urgent.

With kind regards,

Yours sincerely,

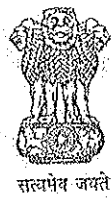

(Rajnish Jain)

8th August, 2017

Dear Sir/Madam,

This has reference to UGC's letters No.1-2/2012(website) dated 14th July, 2014 and 3rd September, 2014 regarding Online Students' Grievance Redressal Portal.

The Ministry of Human Resource Development, Government of India, vide its letter No. 9-24/2017-U.II dated 3rd June, 2017 has desired UGC to issue a necessary advisory to all higher educational institutions (HEIs) for having a **notice board/flex board fixed near the office of the Vice-Chancellor/Director/Dean/Principal of the University/Institute/College to ensure publicity/awareness of the establishment of Grievance Redressal Mechanism and Students Grievances Portal.** This would reduce the load on the PG portal of DARPG and also ensure effective redressal of the grievances.

Accordingly, keeping in view the importance of the issue, I seek your personal indulgence in the matter and request you to **kindly exhibit a notice board giving details of the PG Portal of UGC (<http://www.ugc.ac.in/grievance/>) in your esteemed University and also ensure the same in your affiliated colleges.**

The Nodal Officer, the person in-charge of the Grievance Redressal Cell of your University will monitor and respond to students' grievances lodged on the portal. The Nodal Officers in addition to handling grievances of respective University will also be responsible for handling grievances of colleges affiliated to their university and report the action taken on the portal.

This may please be treated as **urgent**.

With warm regards,

Yours sincerely,
