i) Dr. R. P. Dixit, University Librarian	Invitee	(Mob: 9821968971)
j) Mr. Sachin Jadhav, Librarian	Member-Secretary	(Mob: 7977529464)
k) Dr. Bharat Kune	Student Representative (PG)	

**Note:** Dr. Rajesh Goel, Registrar; Dr. Jaishree Ghanekar, the Head of the Department of General Medicine; Dr. Rajani Mullerpatan, Director of MGM School of Physiotherapy; Dr. Mansee Thakur, Director of MGM School of Biomedical Sciences; Dr. Vijay Kamale, Professor in the Department of Pediatrics, and Mr. Shantanu Khandge regretfully couldn't participate in the meeting due to pre-existing official obligations.

At the onset, the Chairman welcomed all members of the Library Committee, including the Student Representatives of UG and PG, before the commencement of the meeting. He appealed to all for extending their invaluable support and guidance to develop the library infrastructure. The meeting agendas were undertaken one by one with the permission of the Chairman.

### 1. Present status of MGM Central Medical Library

LIB presented the following information in tabular form to acquaint the members with the existing collection of the Library as well as their utilization:

- Existing Library Holding;
- Journal and e-resources subscribed during the year 2023;
- Data on visits of Library users; and
- Expenditure statement on account of the procurement of library materials.

The presentation regarding the Library's collection, services, and electronic resources received positive appreciation.

## 2. Supply Status on International/National Journals Subscribed during 2022 and 2023.

### I) Status update on National and International Journals' availability at the MGM Central Library for the year 2022:

All issues for 52 of 53 subscribed International periodical titles for 2022 were received, with one issue pending. Regarding the 53 Indian journals for 2022, all issues were received in full. A decision was made to exclude from the 2024 subscription list any journals subscribed to in 2023 that didn't deliver a single issue.

### II) Status update on National/ International Journals' availability at the MGM Central Library for 2023.

All issues from the 52 international periodical titles subscribed for 2023 have been received, barring 90 issues. It's worth noting that the vendor has committed to supplying the outstanding issues by June 2024 as per the Agreement. In the event of failure, a refund will be provided for the proportional cost of the missing issues. Regarding the 60 Indian journals subscribed for 2023, 32 issues were received, leaving 28 issues outstanding. Steps will be taken to acquire the missing issues of the Indian journals to ensure the completion of their respective volumes.

## 3. Utilization Report on Periodicals Consulted by the Users

A report detailing the usage status of national and international journals was presented, indicating a significant improvement in their utilization. However, it was recommended that efforts be sustained to increase journal usage further, considering the substantial subscription expenses. To enhance visibility by disseminating or exhibiting stickers featuring usernames and passwords for e-databases and e-resources in significant hospital zones such as Lecture Halls, Outpatient Departments (OPDs), diverse Departments, and Operating Theatres (OTs) to increase usage. Initiatives were taken to inform healthcare and allied personnel about the existence of the MGM Central Library's dedicated website, which houses a vast collection of e-health literature and information to maximize its usage. Attempts were made to boost the utilization of electronic media and extensively encourage the utilization of the Library's Website. It's worth noting that to enhance the utilization of electronic media, the MGM IT Department supported the distribution of regular e-messages and SMS to the entire biomedical community.

#### 4. & 5. Subscription to International/National Journals on Health Sciences for 2024

The LIB highlighted the issue of costly yet underutilized journals and recommended their removal from the 2023 subscription list. All library committee members supported this proposal put forward by the LIB. Additionally, the LIB proposed subscribing to the BMJ Smart Collection online and the BMJ Case Reports Series, totaling Rs. 952433.30, to meet the NMC criteria. This move was suggested as it would assist in decreasing the expenses associated with print journals.

LIB further communicated that due to our initiative to subscribe to the BMJ Smart collection, they agreed to provide us with three print journals valued at approximately Rs. 3 lac at no cost. As per the new NMC guidelines, including provisions for newly established departments, it was proposed to subscribe to 03-05 International and 2 National Journals for each subject in 2024. In response, the Chairman suggested subscribing to 3 International and 4-5 National journals. However, emphasis was placed on the suggestion that departments devoid of enrolled PG students in the last three years should opt for subscribing to 1 international and 2-3 national journals.

The LIB suggested allocating Rs. 95.00 Lac for International Journal subscriptions and Rs. 9.00 Lac for Indian Journal subscriptions under the Head "Subscription to International and National Journals" for 2024. All members unanimously supported this proposal presented by the LIB.

#### 6. Finalization of Subscription Agent for 2024

The quotations were invited from four reputed Indian vendors for subscription to International Journals for 2024. five vendors out of 5 responded, and their quotations were received in sealed envelopes within a stipulated date. The vendors agreed, in principle, to execute the subscriptions to International Journals as per our specified terms and conditions. The received quotations were opened on 05th December 2023 in the presence of the Dean by the 2 Library Committee members. All of them had signed on the body of the envelopes while opening the quotations. A comparative statement of received quotations was prepared and presented for their perusal and record.

Quotations from five esteemed Indian vendors were invited for the subscription to International Journals for 2024. All five vendors responded by submitting their quotations in sealed envelopes within the given timeframe. These vendors agreed, in principle, to fulfill the International Journal subscriptions based on our specified terms and conditions. On 05th December 2023, two Library Committee members opened the received quotations in the Dean's presence. Each member signed on the envelopes while opening them. The compiled comparative statement containing the received quotations was presented below for the review of the Library committee members:

A tabular presentation depicting quotations received from 5 vendors for the subscription of International Journals for 2024

Sl. No.	Name of the Vendors	Discount Offered in %	Terms and Conditions	Mode of Delivery
1.	Balaji Books & Subscription Services, Hyderabad.	6.75%	(a) Not Provided <i>Terms and Conditions</i> (b) 6.75% is a discount offered and applicable on the whole order value, and the same is mentioned in the quotation.	-

			(e) Delivery issues: 03-04 months.	
4.	Periodical Subscription Services, Haryana	6.45%	(a) 6.45% is a discount offered. (b) GOC Conversion rates are applicable. (c) 100% advanced payment with purchase order.	
5.	Total IT Solutions Private Limited, New Delhi-110 012	8.86%	(a) Willing to make advance payments to the publishers on our behalf upon receipt of confirmed and commercially cleared supply order. (b) To release 100% payment within 30 days on submission of invoices along with the remittance proof, including publisher price proofs, photocopies of orders sent, and photocopies of drafts/cheques sent to publishers. (c) Agreed to replace all non-supplied / missing issues and/or refund their proportionate / pro-rata amounts within 6 months after the expiry of a subscription period. (d) Agree to provide publishers acknowledgment. (e) All terms and conditions mentioned in the Agreement for execution are agreeable as followed in the previous year. (f) GOC Conversion rate. (g) Discounts offered as unique and exclusive discounts be treated as confidential. (h) To maintain/update the MGM Central Library website for free in 2024.	Registered post/ Courier

It may be observed from the above tabulation that M/s Total IT Solutions Private Limited, New Delhi, had offered an 8.86% agency discount, which was the highest among all. Moreover, the supply status of International Journals subscribed during 2022 & 2023 through them had been found exceptionally satisfactory by all libraries attached to various colleges/institutions of MGM.

The vendor assured that, as usual, he would continue to supply medical scientists of MGMIHS with copies of articles published in various international/national journals across the globe on receipt of their requests as they did in the past. An internet-based facility will continue to check the supply status of journals using an internet-based subscription management system. Considering the need-based document delivery services and the highly satisfactory supply status of international journals in 2022 and 2023, it was suggested to appoint M/s Total IT Solutions, Private Limited, New Delhi, as a Subscription Agent for 2024. They would handle the subscription transactions for all libraries affiliated with different Institutions/Colleges of MGM based on the subsequent terms and conditions:

**8.86% discount** applicable on (a) print, (b) print + online journals.

(1) 100% payment of the total value of orders in advance would be released on submission of a copy of the invoice along with the publishers' price proofs, GOC conversion rates, copies of orders sent to publishers for Institutions/Colleges of MGM, and copies of Cheques/Drafts as remittances made to international publishers for journals on behalf of respective Institutions/Colleges of MGM.

(2) The vendor will submit a post-dated cheque for 50% of the total bill amount at the time of receiving 100% payment for 4 months and will take care of the following:

- Activation of online journals coming free on subscription to print version;
- Activation of online journals for which online or print + online subscriptions remitted;
- Submission of Subscription/Registration ID numbers provided by publishers of International journals;
- Submission of copies of acknowledgment receipts of subscriptions remitted on behalf of MGM's Institutions/Colleges obtained from International publishers;
- Supply of issues of journals should commence within 45 days on receipt of confirmed subscription orders from MGM's Institutions/Colleges and

- (f) A fresh post-dated cheque of 20% of the total value of subscription orders for 18 months shall be submitted on the expiration of the post-dated cheque of 50%. It would be valid till 30th June 2025; by then, the supply of all journals subscribed through them will be completed. Refunds of missing issues should be the last resort.

#### **Agreement for Execution between Heads of Institutions of MGM and Vendor**

An agreement will have to be executed between the Subscription Vendor and respective Heads of the Institutions/Colleges of MGM, stating all the terms and conditions explicitly to ensure uninterrupted and timely supply of copies of International Journals (print and non-print) subscribed through them during 2024. A revised copy of the Agreement was prepared and presented.

#### **7. Recommendation of books for procurement**

The proposal suggests that each department allocates Rs. 1 lac to acquire the newest editions of textbooks for undergraduate students. There has been an observation that no department has sought to enhance the collection of undergraduate textbooks in the past 7 years.

#### **8. Proposal for acquiring 8 new A.Cs. for installing them in UG and PG Reading Halls**

As per the guidelines from the National Medical Commission (NMC), the Central Library is mandated to be completely air-conditioned. Following these guidelines, two cassette AC units were purchased and set up in the Central Reading Hall. An additional six cassette AC units are necessary to cover the remaining area of the Library.

#### **9. Proposal for purchase of New Furniture for Library (UG, PG reading Halls)**

The Library committee members agreed to acquire new furniture, specifically tables and chairs, intended for the Reading Halls designated for undergraduates and postgraduates. The LIB mentioned that 75 tables and 300 chairs were procured as part of the initial phase, effectively replacing the old furniture in the Central Library. The Central Library's total seating capacity stands at 440. Consequently, there remains a requirement to purchase an additional 35 tables and 140 chairs to meet the total seating capacity of the Central Library.

#### **10. Renewal Subscription to DELNET, UpToDate & BMJ for 2024.**

##### **1). DELNET (Developing Library Network)**

In 2023, a subscription to DELNET was initiated. Its extensive utilization throughout the year proved highly beneficial for our users and researchers, offering updated and credible information. Considering its value, it has been proposed that the subscription to DELNET be renewed for 2024. If approved, an allocation of Rs. 13570.00 (Rs. 11500.00 + 18% GST) would be designated under the *Head: Subscription to Database DELNET*. The Library Committee strongly recommended continuing the subscription to DELNET for 2024.

##### **2). UpToDate Database**

Medical scientists' extensive utilization of UpToDate throughout 2023 was noted. Considering its usage, it has been suggested that approximately Rs. 10 lac be allocated under the *Head "Subscription to UpToDate database"* for one year, from 01st August 2024 to 31st July 2025.

##### **3). BMJ Smart Collection & BMJ Case Reports**

###### **(i) BMJ Case Reports**

BMJ Case Reports is a crucial Peer-Reviewed, MEDLINE Indexed, a multidisciplinary educational resource offering many cases in all disciplines so that healthcare professionals, researchers, and others can easily find clinically significant information on familiar and rare conditions. It is the most extensive collection of clinical cases in the Healthcare Industry. BMJ Case Reports has a unique model where users (whether authors and/or readers) become Fellows for unlimited submission of manuscripts. Now you can access

(ii) **BMJ Smart Collection**

We have enclosed the list of 66 e-journals along with any three print + online journals access 66 top ranking e-journal list for the subscription with perpetual access according to the new NMC Guideline Print or Online journals may be considered subsequently. As per the new NMC guidelines, it is a handy database for showing in upcoming NMC Inspections by BMJ Group. It was proposed that **Rs. 952433.30 lac** be allocated under the *Head: Subscription to BMJ Case Report for 2023*. (1<sup>st</sup> Jan 2024 to 31<sup>st</sup> Dec 2024). It was opined that required funds should be allocated.

**11. Proposal for purchase of All-In-One Scanner cum Xerox Machine exclusively for Central Medical Library.**

It was proposed that one All-In-One Scanner cum Xerox Machine exclusively for the Library should be acquired to meet the norms and standards of NMC and NAAC. Adding the proposed equipment to the Library would facilitate the provision of photocopies of articles to library users and enhance the CAS/SDI services.

**12. Any Other items with the permission of the Chair**

- (a) It was suggested that the Director of SBS make a budget provision for acquiring new textbooks/editions for biomedical students.
- (b) It was advised that the Library at MGM Medical College, Vashi, Sec-30, Navi Mumbai, take steps to acquire back volumes of journals for the past five years planned for subscription in 2024. This action is deemed essential according to the guidelines set by NMC and NAAC.
- (c) It was recommended that 3 periodical titles, namely (i) Journal of Orthopaedic and Sports Physical Therapy (JOSPT), (ii) Neurorehabilitation and Neural Repair, and (iii) Journal of Physical Activity and Health should be subscribed for 2024 by the Library of MGM School of Physiotherapy, Kamothe. Advance payment towards a subscription to these three periodicals should be remitted for 2024 out of the sanctioned budget of Rs. 13.70 under the *Head: Subscription to International and National Journals for 2023-24*.
- (d) It was recommended that the **CINAHL Database** be continued to subscribe for 2024, effective from 01<sup>st</sup> August 2024 to 31<sup>st</sup> July 2025. The advance payment to the CINAHL Database should be remitted jointly with MGM New Bombay College of Nursing, Kamothe. The subscription on account of the proposed Database will be shared equally [50: 50] by both (i) MGM School of Physiotherapy, Kamothe, and (ii) MGM New Bombay College of Nursing, Kamothe.

**RECOMMENDATIONS**

- (1) **Rs. 95.00 lac** approx. be allocated under the *Head: Renewal Subscription to International Journals for 2024*. After deducting the 8.86% agency discount, this is the net amount required to be allocated. According to the regulation, GST will only apply to Online + Print Journal subscriptions. These allocated funds will be utilized for an advance payment towards the subscription of chosen/recommended core international journals on the health and allied sciences for 2024.
- (2) **Rs. 9.00 lac** approx. be allocated under the *Head: Subscription to Indian Medical Journals for 2024*. The allocated funds will be utilized to make the advance payment towards a subscription to selected/recommended Indian periodical titles in health and allied sciences for 2024.
- (3) Efforts will be made to procure copies of all missing issues of international/national journals for 2022 & 2023, respectively.
- (4) One All-In-One Scanner cum Xerox Machine be acquired to meet the norms and standards of NMC and NAAC. It will help enhance CAS/SDI and reprographic services of the Library.

(6)

  
**Chief Librarian**  
Mahatma Gandhi Mission's  
Medical College  
Kamothe, Navi Mumbai - 410 209

- (5) Further efforts should focus on augmenting the usage of both international and national journals subscribed by the Library. To boost the utilization of e-resources, distribute usernames and passwords to all departments. Moreover, attach stickers containing information about usernames and passwords necessary for accessing subscribed databases and other databases accessible at no cost via the MGM Central Library's website.
- (6) **Rs. 30.00 Lac** approx. be allocated under the *Head: Procurement of Books*. The allocated funds will be used to procure the latest copies of books in health and allied sciences.
- (7) **Rs. 40.00 Lac** approx. be allocated for purchasing the remaining 8 cassette ACs required to be installed in the remaining UG and PG Reading Halls area.
- (8) **Rs. 20.00 Lac** approx. be allocated under the *Head: Purchase of New Furniture*. The allocated funds will be used to procure the remaining 35 tables and 140 chairs for display in the remaining area of the Reading Halls of UG and PG.
- (9) **Rs. 9.53 lac** approx. be allocated under the *Head: Subscription to BMJ Smart Collection & BMJ Case Reports*.
- (10) **Rs. 10.00 Lac** approx. be allocated under the *Head: Subscription to UpToDate Database* for 2024. After applying a 5% agency discount, this is the final subscription amount, extended as a special offer by the authorized agent, M/s. Total IT Solutions Private Limited is based in New Delhi.
- (11) **Rs. 13,570.00** (Rs. 11500.00 + 18% GST) be allocated under the *Head: DELNET (Developing Library Network)*. The allocated funds will be used to subscribe to DELNET for 2024.
- (12) M/s. Total IT Solutions Private Limited, New Delhi be appointed as Subscription Agent for 2024. The appointed Subscription Agent will manage the subscription processes for all libraries affiliated with different Institutions/Colleges of MGM. An agreement must be established between the Subscription Agent and the respective Heads of the Institutions/Colleges based on the subsequent terms and conditions:
  - I. **8.86%** discount applicable on (a) print, (b) print + online journals.
  - II. 100% payment of the total value of orders in advance would be released on submission of a copy of the invoice along with the publishers' price proofs, GOC conversion rates, copies of orders sent to publishers for institutions/colleges of MGM, and copies of Cheques/Drafts as remittances made to international publishers for their journals on behalf of respective Institutions/Colleges of MGM.
  - III. The vendor will submit a post-dated cheque for 50% of the total bill amount at the time of receiving 100% payment for 4 months and will take care of the following:
    - (a). Activation of online journals coming free on subscription to print version;
    - (b). Activation of online journals for which online or print + online rates remitted;
    - (c). Submission of Subscription ID Nos. /Registration IDs provided by publishers of international journals;
    - (d). Submission of copies of acknowledgment receipts of subscriptions remitted on behalf of MGM's Institutions/Colleges obtained from international publishers;
    - (e). Supply of journal issues should commence within 45 days of receipt of confirmed subscription orders from MGM's institutions/colleges.

- (f). A fresh post-dated cheque of 20% of the total value of subscription orders for 18 months be submitted on the expiration of the post-dated cheque of 50%. It would be valid till 30<sup>th</sup> June 2025; all the supplies would be completed by now. A refund of missing issues would be the last resort.

**Note:** Dr. Rajes Goel, Registrar, Dr. Jaishree Ghanekar, and Dr. Vijay Kamale could not attend the meeting due to prior official commitments. Ms. Gouri Panse, Professor, attended the meeting on behalf of the Director of the University Department of Prosthetics & Orthotics, who could also not attend due to official obligations. Rajani Mullerpatan, Director of MGM School of Physiotherapy, could not attend and deputized Assistant Professor Dr. Amreen Ryan to represent her. Similarly, Dr. Mansee Thakur, Director of the Department of MGM-SBS, could not attend and deputized Assistant Professor Dr. Yogesh Patil to represent her.

Before addressing the agenda items, the following decisions were made:

Dr. Harapriya Kar, Professor, Department of Microbiology, was nominated as a Member of the Library Committee, replacing Dr. Anahita Hodiwala, who was recently transferred to MGM Medical College, Narul.

The Chairman of the Library Committee requested Dr. Sushil Kumar, a member of the Library Committee, to preside over the meeting in his absence due to urgent official work. However, he assured that he would join the deliberations later. Dr. Sushil Kumar welcomed all members of the Library Committee at the start of the meeting. He emphasized the need for the members' invaluable support and guidance to develop the library and information services infrastructure.

### **1. Report on the Stock Verification of MGM Central Library**

The stock verification report for the libraries of (i) MGM Medical College, (ii) MGM School of Physiotherapy, and (iii) MGM School of Biomedical Sciences has been presented. This report covers the verification of the entire collection across all three libraries.

#### A. Library of MGM Medical College

From 27 March to 10 June 2024, the library staff conducted a stock verification of all books recorded in the Accession Register from 5 September 1989 to 30 June 2024 (Accession nos. 00001 to 22129). The entire library staff participated in this exercise. The accessioned books were matched with those displayed in the library stacks and those issued to 33 departmental libraries to determine the number of missing books. The verification revealed that 77 books were missing. Despite extensive efforts, these 77 books could not be traced and are therefore considered missing (Flag "A").

It is proposed that these 77 missing books be written off, following the norms and standards of the General Financial Rules 2017 issued by the Ministry of Finance, Department of Expenditure, Government of India. According to Rule 215: Physical Verification of Library Books (ii), "*Loss of five volumes per one thousand volumes of books issued/consulted in a year may be considered reasonable, provided such losses are not attributable to dishonesty or negligence.*" Applying this rule to the 22,129 books considered for verification allows for a loss of up to 110 books. Since only 77 books, valued at Rs. 6,676.00, need to be considered, it is reasonable to write them off.

The following decisions were made:

- (i) The 77 missing books, valued at Rs. 6676, may be written off. Adequate information should be documented for each item in the Accession Register.
- (ii) It was suggested that attempts be made to obtain the most recent editions of the missing books.

#### B. Library of MGM School of Physiotherapy

The stock verification exercise was undertaken from 27 March to 10 June 2024 to examine a total of 1,272 books, which were recorded in the Accession Register from 27 January 2011 to 21 May 2024 (Accession Nos. SP0001 to SP1272). To find the exact number of missing books, we matched them from the Accession Register and shelved books in the MGM Central Library stacks. On completion of this exercise, we found only 151 books were missing. We visited the 33 Departmental libraries besides the Library of MGM Center of Human Movement Science in Sanpada to narrow down the missing books. We have been able to trace 105 books out of 151. Thus, 46 are only missing (Flag "B").

At present, 46 books (26 from MGM Central Library and 20 from the Library of the Department of Physiotherapy) remain unaccounted for (refer to the attached list, Flag "C"). Notably, no stock verification has been conducted since the establishment of the MGM Physiotherapy Library 14 years ago, making this the first verification. In light of these facts, ongoing efforts should be made to trace these 46 books from the MGM Central Library (26 books) and the Physiotherapy Departmental Library (20 books), as they cannot currently be deemed missing. However, their status should be reassessed for an appropriate resolution during the next stock verification.

#### C. Library of MGM School of Biomedical Sciences

The stock verification exercise was conducted from 27 March to 10 June 2024, covering 2,646 books recorded in the Accession Register between 1 September 2008 to 30 May 2024 (Accession Nos. SB 0001 to SB 2646). To determine the exact number of missing books, we cross-checked the books listed in the Accession Register against those physically present in the stacks of the MGM Central Library. Upon completing the exercise, we identified 195 books as non-traceable (Flag "D"). We visited 33 Departmental libraries to recover these books, but none of the non-traceable books were found.

The reasons for the non-traceable 195 books are classified as follows:

- (i) Twenty-five books belonged to the Library of the MGM Institute's University Department of Prosthetics and Orthotics. Still, they were mistakenly recorded in the Accession Register of the School of Biomedical

(2)

Sciences Library. These books were subsequently transferred to the Prosthetics and Orthotics Library. After deducting these 25 books, the number of non-traceable books was reduced to 170 [195 non-traceable books (-) 25 transferred books = 170].

- (ii) Upon further inspection of the Accession Register, it was discovered that 94 books had been accessioned twice, indicating negligence by the responsible individual. These 94 books were mistakenly counted a second time without verifying whether they had already been accessioned. This reduced the number of non-traceable books to 76.
- (iii) Of the remaining 76 non-traceable books, 2 had been loaned to the Department of Examination Section. Despite efforts to locate these 2 loaned books, they could not be found. However, the issue cards maintained by the Librarian confirmed that they had been issued to the Department. As a result, the total number of non-traceable books remained at 76.

This was the first stock verification conducted since the Library's inception in 2008, marking a 17-year gap. It is recommended that continuous efforts be made to locate these 76 non-traceable books (Flag "E"), as they cannot yet be considered permanently lost. Their status should be reassessed for an appropriate resolution during the next stock verification.

## **2. The current status of National and International Journals subscribed by the MGM Medical College Library for 2023 and 2024.**

### **(i) Journals, both national and international, subscribed in 2023**

All issues of the 52 international periodicals subscribed to in 2023 were received, except for 14. Similarly, all issues of the 60 national periodicals subscribed to in 2023 were received, except for 3.

### **(ii) Journals, both national and international, subscribed in 2024**

All issues of the 51 international periodicals subscribed to in 2024 were received, except for 115 issues. The Subscription Agent has assured us that the missing issues will be supplied soon. As for the 60 national periodicals subscribed to in 2024, all issues were received except for 20.

## **3. Proposal for eight new air conditioners (ACs) for the UG and PG Reading Halls**

According to National Medical Commission (NMC) guidelines, the Central Library should be fully air-conditioned. Two cassette AC units were acquired and installed in the Central Reading Hall. It was proposed that eight more cassette ACs be acquired to cover the remaining Reading Halls to comply with the NMC guidelines and ensure a comfortable environment for library users. On acquiring 8 more Cassette ACs as proposed, the total Units will be for Central Library 10. The distribution of 8 additional ACs intended to be acquired will be as follows:

- 1. MGM Medical College: 4 units
- 2. MGM School of Physiotherapy: 2 units
- 3. MGM School of Biomedical: 2 units

## **4. Proposal for purchase of New Furniture for the Library**

The Library committee has approved the acquisition of new furniture for the reading halls designated for undergraduate and postgraduate students, including tables and chairs. The LIB reported that, in the initial phase, 75 tables and 300 chairs were purchased to replace the old furniture in the Central Library. With a total seating capacity 440, the Central Library still requires 35 tables and 140 chairs to meet its full capacity.

5. **Renovation of the Central Medical Library, including provisions for student bag counters, painting, and furnishings**

The planned renovation of the Central Library aims to significantly improve the user experience, creating a more efficient and enjoyable environment for students and staff. Key aspects of the renovation proposal include:

The following are the proposals to enhance the benefit to library users:

1. **Bag Counter:** Implementing a dedicated counter where students can securely store their bags.
2. **Painting:** Refreshing the Library's ambiance through repainting.
3. **Furnishings:** Enhancing comfort and functionality by upgrading seating, study tables, and shelving.

These enhancements are designed to transform the Library into a more organized, aesthetically pleasing, and comfortable space for our users.

7. **Implement an IP-based CCTV system comprising 24 cameras for the Central Library.**

In 2013, the Library installed 16 cameras, but they have become outdated and fail to cover all critical areas. Their current condition makes them ineffective in providing sufficient surveillance. As a result, it is crucial to replace them with a modern CCTV system that offers comprehensive coverage of the entire Library.

The proposal is to procure and install a new CCTV surveillance system for the Central Library. This initiative seeks to improve security and safeguard students, staff, and library assets. Suggested CCTV Coverage Areas:

- Information Desk
- Entry/Exit Points
- Library Stacks
- Reference Sections
- Technical Processing Section
- Periodical Section
- E-Library
- Baggage counter
- Reading Halls

The Store-in-Charge should be asked to take the necessary steps to acquire and install the new CCTV equipment in the Central Library as soon as possible.

8. **MGM School of Physiotherapy Library**

The following decisions have been taken to enhance the library information services at the MGM School of Physiotherapy:

1. Procuring 121 copies of 85 titles listed in the BPT/MPT course curriculum (AC-44/2022 and AC-42/2022) has been approved. A budget allocation of approximately Rs. 8.00 lakh approx.. has been agreed upon under the category "Books" (Flag "F").
2. **Renewal of the CINAHL database subscription for 2024-25:** During the meeting, the LIB informed the Library Committee that the CINAHL database was subscribed to from July 2023 to June 2024. Given its significance and popularity among students, the committee recommended renewing the subscription for another year, from August 2024 to July 2025. For this, Rs. 5.50 lakh may kindly be

allocated under the Head: Subscription to CINAHL Database. This renewal should be done in collaboration with MGM-NBCN, Navi Mumbai.

3. The chairman recommended that adequate funding be allocated by MGM-SOP for the purchase of two 3-ton capacity Cassette AC units, to be installed in the Reading Hall designated exclusively for MGMSOP students. An estimated budget of 10 lakh should be set aside for this purpose.

9. **Any other items with the permission of the Chair**

Directives issued by the Library Committee after discussion are as follows:

- **Explore New Technology for Door Sensors:** It was proposed that new technology for door sensors be explored to increase the Library's daily usage data.
- ✓ ➤ **Staff Dress Code Implementation:** The Chairman suggested implementing a dress code for the staff of the Central Library. This initiative is intended to foster a professional and unified appearance among library personnel, creating a welcoming and well-organized atmosphere for users. A dress code would enhance the Library's professional image, promote staff unity, and improve the user experience. Specific guidelines and implementation plans for the dress code will be discussed and finalized in future meetings.
- ✓ ➤ **RFID System:** The proposal includes purchasing RFID (Radio Frequency Identification) equipment to modernize the library system. Acquiring RFID technology is crucial due to the following reasons:
  - **Improved Efficiency:** RFID technology will streamline the check-in and check-out processes, reducing time and manual effort.
  - **Enhanced Security:** RFID tags provide better security for library materials, reducing the risk of theft and loss.
  - **Inventory Management:** Simplifies inventory processes by enabling quick and accurate tracking of library materials.
  - **User Convenience:** Offers a more user-friendly experience for library staff and patrons.
- Dr. Bharath R. Kune, the PG Students' Representative, suggested installing additional electrical sockets in the PG Reading Hall. Dr. Kune noted that the current sockets are inadequate for the students' needs. It has been proposed that extra sockets be installed in the PG Reading Hall to address this issue.

**Recommendations**

- (1) Seventy-seven books could not be located, including 41 old editions and 36 complimentary copies. It is proposed that these 77 untraceable books be weeded out. ✓
- (2) A proposed allocation of approximately Rs. 40 lakh is requested to purchase eight cassette air conditioners, each with a 3-ton capacity, to be installed in the UG and PG reading halls. ✓
- (3) A proposed allocation of approximately Rs. 20 lakh is requested to purchase 140 chairs and 35 tables, including 18% GST, for the 3 PG reading halls. *After Renovation only*
- (4) It was proposed that the property counter for students be renovated. Additionally, the surroundings of the Central Library should be painted and furnished to enhance its appearance.
- (5) 24 IP-based CCTV cameras are proposed to be installed to safeguard the Central Library's property and enhance security.

(5)  
  
**Chief Librarian**  
Mahatma Gandhi Mission's  
Medical College  
Kamothe, Navi Mumbai - 410 209.

- (6) Under the heading "Subscription to RFID (Radio Frequency Identification) Equipment," a proposed allocation of approximately Rs. 22 lakh is requested.
- (7) It was proposed that additional electrical sockets be installed in the PG reading halls, as the current number of sockets had been insufficient to meet the student's needs.
- (8) As Agreed, Rs. 8 lakh was proposed to be allocated to the Library of MGM School of Physiotherapy for the purchase of 121 copies of 85 titles listed in the BPT/MPT course curriculum (AC-44/2022 and AC-42/2022).
- (9) It was proposed that Rs. 8 lakh approximately be allocated to renew the CINAHL database subscription for an additional year, from August 2024 to July 2025. The cost of the CINAHL subscription should be equally shared between MGM School of Physiotherapy and MGM New Bombay College of Nursing.
- (10) An estimated Rs. 10 lakh should be allocated from the MGM-SOP budget to purchase two Cassette ACs for installing them in a reading hall.
