Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		Through instituional LMS, online lectures and assessment were undertaken to complete the syllabus on time. Recorded lectures were made available to the students who could not attend these on time. Subscription to E- resources of the library were useful to study the online books and journals by students and faculties. Various online platforms like Google meet, Zoom etc were subscribed for students and faculties for continuous connectivity for effective delivery. As MGMIHS is offering professional programs, regulatory bodies did not permit online assessment. Therefore, to maintain physical distancing more batches were created for practical exams. Similarly online interactions were made available for students to maintain their motivation and alleviate anxiety due to COVID. Due to lack of clinical material (Non-COVID patients), learning through simulation and skills lab proved to be beneficial.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0
