Dear Sir/Madam,

As you are aware that eligibility process is an important step to assign PR Numbers to the admitted students without which they are not registered with University as their eligibility is not ascertained in a time bound manner, failing which suitable action under MGMIHS rules and regulations may be taken including non-granting of their academic term OR non eligibility to appear in the University exam.

In order to avoid inconvenience to the students because of difficulties in procuring documents due to Covid-19 pandemic, the last date of completing the eligibility process was extended multiple times in last six months as evident from the references mentioned above.

As a result many students could complete the process and secured the mandatory P.R.No. A copy of which has already been sent to your good office. It is to be noted that some students are yet to complete the process in spite of several reminders to each of them. The list of such students is enclosed with this letter.

You are therefore now requested to inform all these students as mentioned in enclosed list that with effect from September 1<sup>st</sup>, 2021 they will not be allowed to continue their term and for subsequent academic loss concerned students will be solely responsible.

It is further informed that no communication will be made / entertained on this matter.

Thanking you,

**Registrar**
